

HOUSE No. 2

The Commonwealth of Massachusetts

CHARLES D. BAKER
GOVERNOR

OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
STATE HOUSE · BOSTON, MA 02133

KARYN POLITO
LIEUTENANT GOVERNOR

January 24, 2018

To the Honorable Senate and House of Representatives,

We are pleased to submit our Fiscal Year 2019 (FY19) House 2 budget recommendation, the fourth annual proposal of the Baker-Polito administration. This fiscally responsible proposal once again builds on our collaborative work with the General Court to keep state spending in line with revenue growth, minimize our reliance on non-recurring revenues, and avoid tax or fee increases to balance the budget, while investing in key priorities including local aid, education, workforce development, substance misuse, mental health, housing, and transportation.

Our FY19 House 2 proposal anticipates a \$96 million deposit into the Stabilization Fund, which would bring total reserves to \$1.463 billion, an increase of over 30% since the Baker-Polito administration took office. House 2 also relies on less than \$100 million in one-time revenue, a reduction of over 90% since Fiscal Year 2015 (FY15).

House 2 spends \$40.9 billion, an increase of 2.6% over Fiscal Year 2018 projected spending. Through aggressive integrity measures at MassHealth, we have reduced the annual net growth of MassHealth spending from 10.6% in FY15 to 0.5% in this budget proposal for FY19. House 2 continues our progress to make MassHealth sustainable through an updated proposal for comprehensive coverage for non-disabled adults and innovative prescription drug transparency measures.

In 2015, we worked with you in the Legislature to increase the Commonwealth’s Earned Income Tax Credit from 15% to 23% of the federal credit, and this year we propose an additional change upward to 30% of the federal credit effective January 1, 2019, which will continue to support low-income working individuals and families.

Keeping our commitment to the Commonwealth’s cities and towns and consistent with immediate past budget years, House 2 increases unrestricted local aid by 3.5%, equal to 100% of the consensus revenue tax growth estimate percentage. This investment will provide municipalities with \$1.099 billion in unrestricted general government aid.

Local education aid increases by \$118.6 million, including \$15 million for school districts that have seen significant enrollment of students from Puerto Rico and the U.S. Virgin Islands, and \$24.3 million

towards addressing the rising costs of healthcare for retirees, which was a major recommendation of the Foundation Budget Review Commission.

To address college unaffordability, the administration proposes \$7.1 million to double the MassGrant program for community college students, which will cover all un-met need for students to cover tuition and fees at the Commonwealth's 15 community colleges. House 2 includes \$3 million in new funding for Early College programs, which will focus on partnerships between high schools and higher education institutions, and encourage students to enter STEM fields.

This budget builds on our efforts to fight the opioid epidemic with \$5 million in new funding for education and prevention programs, as well as \$3 million to support a new program model at the Massachusetts Alcohol and Substance Abuse Center. Since taking office, total annual spending for substance misuse and treatment services has increased by nearly 60%, not including spending for MassHealth services.

House 2 also includes \$93.2 million in new funding at the Department of Mental Health, including \$84 million for strengthened community-based services for adults.

The administration proposes to reduce the filing fee for forming a limited liability compact in half to \$250, reducing the burden for business owners and entrepreneurs.

To save taxpayers from having to cover the costs of excessive sick time cash outs to state workers leaving employment, the administration is once again filing to cap accrued sick time for state employees, bringing the Commonwealth in line with other states and private sector employers.

We are appreciative of our strong collaborative relationship with the Legislature to pass responsible budgets and key priorities since taking office, and look forward to working with you in the coming months on this proposal.

Sincerely,

Charles D. Baker
Governor

Karyn E. Polito
Lieutenant Governor

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. To provide for the operations of the several departments, boards, commissions and institutions and other services of the commonwealth, and for certain permanent improvements and to meet certain requirements of law, the sums set forth in sections 2, 2B, 2D, 2E and 3, for the purposes and subject to the conditions specified in sections 2, 2B, 2D, 2E and 3, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to laws regulating the disbursement of public funds for the fiscal year ending June 30, 2019. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and disabled persons. All officials and employees of an agency, board, department, commission or division receiving monies under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government, as well as in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission or division, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of compensation, in-service or apprenticeship training programs and all terms and conditions of employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Amendments to the Constitution and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section by source for the respective funds of the commonwealth for the fiscal year ending June 30, 2019 are necessary and sufficient to provide the means to defray the appropriations from such funds for this fiscal year as set forth and authorized in sections 2, 2B and 2E. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing such receipts with the projected receipts set forth in this section and to include a full statement comparing such actual and projected receipts in the annual report for the fiscal year ending June 30, 2019 pursuant to subsection (a) of section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

Additional local aid information based on the Governor's FY2019 Budget for individual cities and towns is available at <http://www.mass.gov/dor/local-officials/municipal-databank-and-local-aid-unit/>

SECTION 3.

Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2019 the distribution to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,098,945,897 and shall be apportioned to the cities and towns in accordance with this section.

Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2019 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts to be distributed from said item 7061-0008 of said section 2 shall be in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2019, the foundation budget category of "low income enrollment" for the purpose of calculating foundation enrollment shall be the number of students identified as economically disadvantaged by qualifying as a match in the following programs included in the commonwealth's direct certification system, as maintained in the executive office of health and human services virtual gateway system: supplemental nutrition assistance program (SNAP), temporary assistance for needy families (TANF), medicaid (MassHealth), and foster care. Each district shall be assigned a low income decile in the same manner as in fiscal year 2018. Each decile shall be assigned a low income rate, where the rate for the lowest percentage decile shall be \$3,619.57 and each subsequent decile shall increase by \$40 up to the highest percentage decile rate of \$3,979.57. The foundation budget rates for the employee benefits and fixed charges category will be increased to \$469.33 for pre-school and half day kindergarten, \$938.63 for full day kindergarten, \$938.67 for elementary, \$948.39 for middle school, \$868.10 for high school, \$3,351.10 for in-school special education, \$549.93 for limited English pre-school and half day kindergarten, \$1,075.41 for limited English all other grades, and \$1,305.56 for vocational. All other foundation budget categories for each district shall be calculated in the same manner as in fiscal year 2018. The target local share shall be calculated using the same methodology used in fiscal year 2018. Preliminary local contribution shall be the municipality's fiscal year 2018 minimum required local contribution, increased or decreased by the municipal revenue growth factor; provided, that if a municipality's preliminary local contribution as a percentage of its foundation budget is more than 2.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; and if a municipality's preliminary contribution as a percentage of its foundation budget is more than 7.5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points. Minimum required local contribution for fiscal year 2019 shall be, for any municipality with a fiscal year 2019 preliminary contribution greater than its fiscal year 2019 target contribution, the preliminary local contribution reduced by 85 per cent of the gap between the preliminary local contribution and the target local contribution. No minimum required local contribution shall be greater than 90 percent of the district's foundation budget amount.

Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. For fiscal year 2019, the "foundation aid increment" shall be the difference between: (i) the positive difference between a district's foundation budget and its required district contribution; and (ii) prior year aid. The "minimum aid increment" shall be equal to \$20 multiplied by the district's foundation enrollment minus the foundation aid increment.

No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994, and shall not consider health care costs for retired teachers to be part of net school spending for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014, provided that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired teachers.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted pursuant to section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district, or independent agricultural and technical school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

328 in the taxable year, or (ii) the aggregate EMAC supplement paid by the taxpayer in the taxable year for
329 full-time employees on ConnectorCare.

330 (4) The taxpayer may claim the credit only in the taxable year in which the taxpayer pays both the
331 EMAC supplement and the employer shared responsibility payment, without regard to the years or
332 other periods for which liabilities for such payments accrued.

333 (5) Where the credit allowed to a taxpayer exceeds the liability otherwise due under this chapter, 100
334 per cent of the balance of that credit may, at the option of the taxpayer, be refunded to the taxpayer for
335 the taxable year in which the credit is claimed or may be applied by the taxpayer to its estimated liability
336 for the subsequent taxable year.

337 (6) The credit shall not be transferrable.

338 (7) For the purpose of this subsection, any deduction from gross income that may otherwise be taken
339 with respect to any expenditures qualifying for the credit is disallowed to the extent that such
340 expenditure is taken into account in the calculation of the credit.

341 (8) Notwithstanding the provisions of section 21 of chapter 62C and section 46 of chapter 151A, the
342 department of unemployment assistance and the department of revenue shall conduct data matches for
343 the purposes of administering this section.

344 (9) The commissioner shall, in consultation with the department of unemployment assistance,
345 promulgate regulations to implement this section.

346 (10) The credit provided for in this subsection shall apply to taxable years beginning on or after January

472 by the operator to the occupant without any deduction therefrom whatsoever.

473 Section 2. The provisions of this chapter shall not be construed to include (a) lodging accommodations
474 at federal, state or municipal institutions; (b) lodging accommodations, including dormitories, at

495 and breakfast establishment, hotel, lodging house, or motel in this commonwealth by any operator at
496 the rate of 5 per cent of the total amount of rent for each such occupancy. No excise shall be imposed if
497 the total amount of rent is less than \$15 per day or its equivalent.

498 The operator shall pay the excise to the commissioner at the time provided for filing the return required
499 by section 16 of chapter 62C.

500 Section 3A. Any city or town which accepts the provisions of this section shall be authorized to impose
501 a local excise tax upon the transfer of occupancy of any room or rooms in a bed and breakfast
502 establishment, hotel, lodging house or motel located within such city or town by any operator at a rate
503 up to, but not exceeding, 6 per cent of the total amount of rent for each such occupancy; provided,

504 however, that the city of Boston is hereby authorized to impose such local excise upon the transfer of
505 occupancy of any room in a bed and breakfast establishment, hotel, lodging house or motel located
506 within said city by any operator at the rate of up to but not exceeding 6.5 per cent of the total amount of
507 rent of each such occupancy. No excise shall be imposed if the total amount of rent is less than \$15 per
508 day or its equivalent or if the accommodation is exempt under the provisions of section 2 of this
509 chapter. The operator shall pay the local excise tax imposed under the provisions of this section to the
510 commissioner at the same time and in the same manner as the excise tax due the commonwealth. All
511 sums received by the commissioner under this section as excise, penalties or forfeitures, interest, costs
512 of suit and fines shall at least quarterly be distributed, credited and paid by the state treasurer upon
513 certification of the commissioner to each city or town that has adopted the provisions of this section in
514 proportion to the amount of such sums received from the transfer of occupancy in each such city or
515 town. This section shall only take effect in a city or town accepting the provisions of this section by a
516 majority vote of the city council with the approval of the mayor, in the case of a city with a Plan A, Plan
517 B, or Plan F charter; by a majority vote of the city council, in the case of a city with a Plan C, Plan D, or
518 Plan E charter; by a majority vote of the annual town meeting or a special meeting called for the
519 purpose, in the case of a municipality with a town meeting form of government; or by a majority vote of
520 the town council, in the case of a municipality with a town council form of government. The provisions of
521 this section shall take effect on the first day of the calendar quarter following 30 days after such
522 acceptance, or on the first day of such later calendar quarter as the city or town may designate. The
523 city or town, in accepting the provisions of this section, may not revoke or otherwise amend the
524 applicable local tax rate more often than once in any 12 month period.

525 The commissioner shall make available to any city or town requesting such information the total amount
526 of room occupancy tax collected in the preceding fiscal year in the city or town requesting the
527 information.

528 Section 4. Except as provided in section 10, reimbursement for the excise hereby imposed shall be
529 paid by the occupant of such room or rooms to the operator and each operator in this commonwealth
530 shall add to the rent and shall collect from the occupant the full amount of the excise imposed by this

531 chapter, or an amount equal as nearly as possible or practical to the average equivalent thereof; and
532 such excise shall be a debt from the occupant to the operator, when so added to the rent, and shall be
533 recoverable at law in the same manner as other debts.

534 Section 5. The amount of the excise collected by the operator from the occupant under the provisions
535 of this chapter shall be stated and charged separately from the rent and shown separately on any
536 record thereof at the time the transfer of occupancy is made, or on any evidence of such transfer issued
537 or used by the operator.

538 Section 6. No person shall operate a bed and breakfast establishment, hotel, lodging house or motel in
539 this commonwealth unless a certificate of registration has been issued to him in accordance with
540 section 67 of chapter 62C.

541 Section 7. Any operator who has paid to the commissioner an excise under section 3 upon an account
542 later determined to be worthless shall be entitled to an abatement of the excise paid on such worthless
543 account. Such claim for abatement shall be filed on or before April 15 of each year, covering the
544 amount of the excise on such accounts determined to be worthless in the prior calendar year.

545 Any operator who shall recover an excise on an account previously determined to be worthless, for
546 which an application for abatement has been filed, shall report and include the same in his monthly
547 return at the time of recovery.

548 Section 8. Every operator who fails to pay to the commissioner any sums required to be paid by this
549 chapter shall be personally and individually liable therefor to the commonwealth. The term "operator",
550 as used in this section, includes an officer or employee of a corporation, or a member or employee of a
551 partnership or a limited liability company, who as such officer, employee or member is under a duty to
552 pay over the taxes imposed by this chapter.

553 An operator who misrepresents to an intermediary that the transfer of occupancy of the operator's
554 property is exempt from the excise imposed under section 3 and section 3A shall be liable for any

555 unpaid excise under these sections and shall have committed an unfair trade practice under chapter
556 93A in making such a misrepresentation to the intermediary.

557 Section 9. No excise shall be imposed, pursuant to this chapter, upon the transfer of occupancy of any
558 room or rooms in a hotel, lodging house or motel if the occupant is an employee of the United States
559 military traveling on official United States military orders which encompass the date of said occupancy.
560 Each operator shall maintain such records as the commissioner shall require to substantiate
561 exemptions claimed under this section.

562 Section 10. (a) An operator may elect to allow an intermediary to collect rent or facilitate the collection
563 or payment of rent on their behalf through a written agreement on an accommodation subject to the
564 excise under this chapter. An intermediary that enters into a written agreement with the operator to
565 collect rent or facilitate the collection or payment of rent on behalf of the operator on an accommodation
566 subject to the excise under this chapter shall: (i) apply for and obtain a certificate of registration from
567 the commissioner in accordance with section 67 of chapter 62C on behalf of the operator; and (ii)
568 assess, collect, report and remit the excise to the commissioner as described for operators in sections
569 3, 3A, 5, 7, 8 and 9. The certificate of registration obtained from the commissioner under this
570 subsection shall identify and be in the name of the individual operator, not the intermediary.

571 (b) An intermediary collecting and remitting the excise on behalf of an operator shall provide notification
572 within a reasonable time to the operator that the excise has been collected and remitted to the
573 commissioner under section 3. The notification may be delivered in-hand or by mail or conveyed by
574 electronic message, mobile or smart phone application or some other similar electronic process, digital
575 media or communication portal. An operator shall not be responsible for collecting and remitting the
576 excise on any transaction for which it has received notification from an intermediary that the excise has
577 been collected and remitted to the commissioner on their behalf.

578 (c) The commissioner may enter into a voluntary collection agreement with an intermediary required to
579 remit the excise under subsection (a) who is willing to assume liability for the collection and remittance
580 of the excise imposed under this chapter on behalf of the operators that the intermediary represents.

581 The intermediary shall not be liable for any faults in collecting or remitting the excise caused by the
582 hosting platform's or operator's agent's reasonable reliance on representations made to it by the
583 operator about the nature of the property being rented, the duration of the occupancy or other similar
584 misrepresentations made by the operator to the hosting platform or operator's agent. The operator shall
585 be liable for any unpaid excise resulting from any such misrepresentations. An intermediary shall not be
586 liable for any over collection of the excise if the excise collected was remitted to the commissioner and
587 if the over collection resulted from the intermediary's reasonable reliance on the operator's
588 representations about the nature of the property being rented, about the nature of the occupancy or
589 whether such property was exempt from the excise. The operator shall be liable for any monetary
590 damages to the occupant resulting from any such misrepresentations.

591 The commissioner may promulgate rules or regulations for the assessing, reporting, collecting,
592 remitting and enforcement of the room occupancy excise under this section.

593 *Summary:*

594 This collection of proposed amendments to Chapter 64G will level the playing field in the
595 accommodations industry by obligating those individuals or businesses who are running hotel-like
596 businesses to collect and remit the room occupancy tax. The existing occupancy tax (state level of
597 5.7%) will be applied to any provider of transient accommodations who provides 150 days or more of
598 accommodation in a given calendar year. Such property operators would be required to register with
599 DOR, and to collect and remit occupancy tax in the following calendar year. The amendments would
600 also authorize an intermediary to collect and remit the occupancy tax on behalf of an operator under an
601 agreement with the Commissioner of Revenue. In addition, under a separate section, the
602 Commissioner of Revenue would be authorized to enter into agreements with intermediaries serving
603 the transient accommodation market, for the collection of occupancy tax on behalf of all property
604 owners the intermediary represents.

605 **Section 33 - Leased Vehicle Registration Renewals 1**

606 SECTION 33. Section 1 of Chapter 90 of the General Laws, as so appearing, is hereby amended by
607 adding, in the definition of "Owner", the following sentence:- Notwithstanding that a lessee of a motor
608 vehicle or trailer may not be considered an owner of such vehicle, the registrar may allow the
609 registration and renewal of such registration directly by a lessee under section 2.

610 *Summary:*

611 This section and the subsequent section will align the RMV's process with standard industry practice by
612 enabling the lessee of a vehicle to handle vehicle registration renewals, rather than requiring the
613 renewals to be processed only by the actual owner of the vehicle.

614 **Section 34 - Leased Vehicle Registration Renewals 2**

615 SECTION 34. Section 2 of said chapter 90, as so appearing, is hereby amended by striking out the first
616 sentence and inserting in place thereof the following 3 sentences:- Applications for the registration or
617 renewal of registration of motor vehicles and trailers may be made by the owner thereof, except that the
618 registrar may accept applications for registration or renewal from and furnish registration documents
619 directly to the lessee of a vehicle if the registrar is satisfied of the existence of the lease in the name of
620 the applicant. The registration shall identify the name and address of the lessor as owner of the vehicle
621 and the name and residential address of the lessee as registrant and such registration shall be mailed
622 directly to the lessee with notice or a copy to the lessor-owner. Providing registration documents
623 directly to the lessee shall in no way extinguish any valid ownership interest in the vehicle by the
624 leasing company.

625 *Summary:*

626 This section and the previous section will align the RMV's process with standard industry practice by
627 enabling the lessee of a vehicle to handle vehicle registration renewals, rather than requiring the
628 renewals to be processed only by the actual owner of the vehicle.

629

Section 35 - Civil Motor Vehicle Citations 1

630 SECTION 35. Section 3 of chapter 90C of the General Laws, as so appearing, is hereby amended by
631 striking out the first paragraph of clause (A)(4) and inserting in place thereof the following paragraph:-

632 A violator may contest responsibility for the infraction by making a signed request for a noncriminal
633 hearing on the citation and mailing such citation, together with a \$25 court filing fee, to the registrar at
634 the address indicated on the citation within 20 days of the citation. Notwithstanding any general or
635 special law to the contrary, the registrar, in cooperation with the state comptroller, upon receipt of the
636 \$25 court filing fee, shall cause the court filing fee to be transferred to the trial court department;
637 provided, however, that the registrar may periodically retain an amount necessary to pay refunds of
638 said fees for dispositions that result in findings of not responsible; and provided further that the registrar
639 may retain an amount not greater than \$200,000 annually for personnel costs associated with the
640 processing of those filing fees.

641 *Summary:*

642 This section and the subsequent section will facilitate the refund of the court filing fee that is paid when
643 a motorist contests responsibility for a civil motor vehicle infraction, if the motorist is ultimately found not
644 responsible after a clerk magistrate's hearing.

645

Section 36 - Civil Motor Vehicle Citations 2

646 SECTION 36. Said section 3 of said chapter 90C is hereby further amended by inserting after the word
647 "responsible", in line 85, the following words:- which shall be communicated to the registrar.

648 *Summary:*

649 This section and the previous section will facilitate the refund of the court filing fee that is paid when a
650 motorist contests responsibility for a civil motor vehicle infraction, if the motorist is ultimately found not
651 responsible after a clerk magistrate's hearing.

652 **Section 37 - Laboratory Analysis of Cocaine**

653 SECTION 37. Section 31 of chapter 94C of the General Laws, as amended by section 30 of chapter 52
654 of the acts of 2016, is hereby further amended by striking out clause (4) of paragraph (a) of Class B and
655 inserting in place thereof the following clause:- (4) Coca leaves, and the salts, optical and geometric
656 isomers and salts of isomers, excluding coca leaves and extracts of coca leaves from which cocaine,
657 ecgonine, and derivatives of ecgonine or their salts have been removed; of cocaine, ecgonine,
658 pseudococaine, allococaine and pseudoallococaine, their derivatives, their salts, isomers and salts of
659 their isomers; or any compound, mixture, or preparation which contains any quantity of any of the
660 substances referred to in this paragraph.

661 *Summary:*

662 Current law defines cocaine as coming from a plant, requiring the State Police lab to conduct a
663 separate test to confirm that each sample of cocaine it analyzes is not synthetically produced. This
664 section brings our statutory definition of cocaine in line with that of the majority of states, eliminating the
665 need for that separate test and realizing associated cost, time and resource savings at the lab.

666 **Section 38 - Public Health Grant Trust Fund**

667 SECTION 38. Chapter 111 of the General Laws, as appearing in the 2016 Official Edition, is hereby
668 amended by inserting after section 2I the following section:-

669 Section 2J. There shall be established and set up on the books of the commonwealth a Public Health
670 Grant Trust Fund, in this section referred to as the fund. The commissioner shall administer the fund for
671 the purpose of collaborating with non-profit organizations to participate in competitive grant
672 opportunities in furtherance of the mission of the department.

673 There shall be credited to the fund monies received from public and private sources to support a public
674 health competitive grant opportunity, consistent with the mission of the department. Amounts credited
