Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 51 of the General Laws, as appearing in the 2014 Official Edition, is hereby

11 information contained in the central registry of voters.

16 educational institution within the commonwealth authorized by law to provide a program of
17 education beyond the secondary school level.

18 “Voter”, as defined in section 1 of chapter 50.

19 “Voter registration agency”, the state secretary, the registry of motor vehicles, any board
20 of election commissioners established pursuant to section 16A of this chapter, and any board of
21 registrars established pursuant to section 17 of this chapter.

22

23 “Voter registration information”, (1) legal name, (2) occupation, (3) date of birth, (4)
24 veteran status, (5) primary phone number of a voter, or (6) primary residence, of a voter.

25 (b)(1) The state secretary, in consultation with non-registration agencies, shall establish a
26 system that shall automatically update a voter’s registration information whenever the voter
27 provides a voter registration agency, non-registration agency, or a private institution of higher
28 education with a notice of residency change or notice of other registration information changes.

29 (2) The state secretary shall create and maintain a secure online portal by which a voter
30 registration agency or a non-registration agency may determine whether information received

31 from a voter in a notice of residency change or notice of other registration information changes
32 differs from the central registry of voters, and subsequently notify the state secretary of any such
33 difference. The state secretary shall maintain the privacy of voters registered under section 51A.
34 A name or address disclosed to a voter registration agency or a non-registration agency for the

41 provided to the state secretary through the secure online portal established pursuant to paragraph

43 (4) Upon the receipt of a notice of residency change or notice of other registration

47 voter's registration information is scheduled to be updated; (ii) the date on which the voter's
48 registration information will be updated; (iii) the name of the voter registration agency, non-

56 notice of other registration information received pursuant to this section.

57 (6) The state secretary shall establish the system required by paragraph (1) and otherwise
58 implement the requirements of this section by promulgating regulations. The regulations shall:

67 paragraph (4) or update a voter's registration information pursuant to paragraph (5).

68 (c) Nothing in this section shall be construed to register an individual who has not made
69 an affidavit of registration pursuant to section 42.

70 (d) The registry of motor vehicles, in consultation with the state secretary, shall amend
71 any paper or electronic forms that permit a citizen to register to vote to include a provision
72 permitting the citizen to exclude their voter registration information from automatic update.
