12 provisions requiring electronic transmission, data security protocols, and integration with the
13 online portals established by sections, 33A and 60.

14 The state secretary shall enter into cooperative agreements with each registration agency.
15 Such agreements shall provide that the state secretary shall (A) conduct appropriate training of
16 agency staff; (B) make available voter registration forms; (C) specify material, language to be
17 included on agency forms, and equipment necessary for the collection and transmission of the
18 information needed to carry out activities under this section; and (D) have oversight

22 electronic signature of, each person who meets qualifications to register to vote as set forth by
23 section 1, or to pre-register to vote as set forth in section 47A, within 5 calendar days after
24 receipt of this information, to the board of registrars of the city or town in which the person
25 resides in a manner prescribed by the secretary.

27 regular course of business for applicants shall, in addition to the above, provide i) an opportunity
28 at the point of service for each person to decline to register to vote; (ii) notice to each person at
29 the point of service advising them that non-citizens are ineligible to register and must decline; iii)

32 time the information is collected, to decline to register, does not so decline, and attests to the
33 qualifications in section 1. Each person who meets the qualifications to register to vote and does

34 not decline to do so shall be registered as a voter under section 65 as of the date that the

47 transfers.

48 SECTION 3. Section 47C of said chapter 51, as so appearing, is hereby amended by
49 adding the following paragraph:-

54 the Center, including, but not limited to, voter names and addresses.

55 SECTION 4. Said chapter 51 is hereby further amended by adding the following section:-

56 Section 65. (a) The state secretary shall promulgate regulations relative to the
57 administration of automatic voter registration which shall include, but not be limited to,
58 provisions relative to (i) increasing the efficiency and limiting the total cost of voter registration
59 for the commonwealth and its municipalities; (ii) ensuring that every eligible citizen of the
60 commonwealth is registered to vote unless they do not want to be registered; (iii) increasing the
61 completeness and accuracy of the register of voters; (iv) preventing erroneous
62 disenfranchisement of eligible citizens; (v) promoting greater participation of eligible voters in
63 elections; (vi) protecting ineligible voters from improperly being registered; and (vii) preventing
64 voter registration fraud. The regulations authorized under this section shall be in addition to the
65 regulations otherwise authorized by this chapter.

66 (b) (1) Nothing in this section shall be construed to change the substantive qualifications
67 of voters established by this chapter or the constitution.

68 (2) Nothing in this section shall be construed to interfere with the registrars' duties under
69 sections 37, 38, 47B, 48 and 49 to ensure that the names of persons who are ineligible to vote do
70 not appear on the register of voters.

71 (3) Nothing in this section shall be construed to interfere with the right of any person to
72 decline to be a registered voter for any reason.

73 (c) (1) Upon receiving the electronic records described in section 42G, the board of
74 registrars or election commission shall determine whether the names of persons included in the
75 electronic records belong to persons who meet the qualifications of a voter under section 1. The
76 registrars shall notify each qualified person whose name appears in those records of the
77 automatic voter registration process.

78 (2) If the registrars determine that the person whose name appears in the electronic
79 records does not meet the qualifications of a voter under section 1, the registrars shall notify the
80 person of the determination at the address included in the electronic record.

81 (3) If not otherwise receiving the same information for a qualified applicant, the registrars
82 shall notify each person under paragraph (1) an opportunity to (i) decline being registered to
83 vote; or (ii) adopt a political party affiliation, in which case the person must also sign an
84 eligibility requirement acknowledgement, attestation, and signature.

85 (4) If a person so notified does not decline to be registered to vote within 21 calendar
86 days after the registrar issues the notification, the registrars shall add the person's name and
87 address to the register of voters.

88 (5) The registrars shall not include in the register of voters the names of persons who
89 indicate in a signed writing that they do not wish to be registered voters.

90 (6) If the information transmitted under section 42G is for a person whose name is
91 already included in the register of voters, and if the information indicates a subsequent change to
92 the person's name, address or gender marker, the registrars shall ensure that the register of voters
93 is updated accordingly.

94 (7) Upon adding the name of a person to the register of voters under paragraph (4), the
95 registrars shall send written notice, which may be sent electronically, in a form approved by the
96 state secretary, to the registrars or equivalent officers of the place where the person was last
97 registered as a voter. Upon receiving this notice, or a similar notice from another state including
98 information from the Electronic Registration Information Center under section 47C, the
99 registrars shall immediately remove the person's name from the register of voters.

100 (d) The state secretary shall ensure that information is provided to the registrars in as
101 clear a manner as practicable, and automate the process to the extent practicable. The secretary
102 may develop electronic interfaces with registration agencies under section 42 to carry out this
103 section.

104 (e) The state secretary shall make an annual report to the joint committee on election laws
105 of the general court, which the secretary shall post on a public website. The annual report shall
106 include the following information:

107 (i) the number of records that have been transferred, by source;

108 (ii) the number of voters newly added to the statewide voter registration list because of
109 records transferred;

110 (iii) the number of voters on the statewide voter registration list whose information was
111 updated because of records transferred;

112 (iv) the number of records transferred that do not relate to persons affirmatively identified
113 as eligible to vote; and

114 (v) the number of persons who opted out of voter registration.

115 Any report produced under this section shall exclude personal identifying information.

116 (f) The state secretary shall ensure that, upon receipt and verification of a person's
117 express request to opt out of voter registration, the person's name and registration record is so
118 designated, unless and until the voter consents to registration. Nothing in this section shall
119 preclude a person who has previously declined voter registration from subsequently registering
120 to vote.

121 (g) The state secretary shall ensure that election officials shall not provide the record of
122 any person who has opted out of voter registration, in whole or in part, to any third party and
123 shall establish standards and procedures to safeguard the privacy and security of the information
124 used and obtained pursuant to this section.

125 (h) Any person who is not eligible to vote and who becomes registered under this
126 provision shall not be found on that basis to have made a false claim to citizenship or to have
127 committed an act involving moral turpitude, unless such person affirmatively asserts that he or
128 she is a U.S. citizen. Where a person who is not eligible to vote becomes registered under this
129 provision without affirmatively accepting registration, that person's voter registration shall be
130 considered to have been effected with official authorization and at no fault of the person so
131 registered. Where an ineligible person who becomes registered under this provision casts a ballot
132 in an election, that person shall not be held criminally liable absent a showing beyond a
133 reasonable doubt that the person knowingly and willfully intended to commit fraud, nor to the
134 extent practicable, shall such ballot be counted.

135 (i) No person may use the statewide voter registration list to attempt to determine the
136 citizenship status of any person for any purpose other than voter registration, election
137 administration, or the enforcement of laws against election crimes. No information relating to a
138 person's declination to supply information for voter registration purposes at a source may be
139 disclosed to the public, or used for any purpose other than voter registration, election
140 administration, or the enforcement of laws against election crimes.

141 SECTION 5. Section 8 of chapter 56 of the General Laws, as appearing in the 2014
142 Official Edition, is hereby amended by inserting after the word "register", in line 10, the

143 following words:- ; whoever knowingly provides false information in connection with automatic
144 voter registration under section 65 of chapter 51.

145 SECTION 6. This act shall take effect on January 1, 2019.
