An Act authorizing the Board of Appeals of the town of Wareham to include certain manufactured housing units in the determination of the percentage of low or moderate income housing units.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Notwithstanding any general or special law to the contrary the board of appeals of the  
2 town of Wareham, in the determination whether low or moderate income housing exists in the  
3 town of Wareham in excess of ten percent of the housing units reported in the most recent  
4 federal decennial census so that requirements or regulations imposed by said board of appeals in  
5 a permit after comprehensive hearing shall be deemed consistent with local needs, shall count as  
6 low or moderate income housing units manufactured housing units in manufactured housing  
7 communities; provided:

8           (1)     That each qualifying manufactured housing unit has a fair cash value of no more  
9 than \$100,000 and is subject to no outstanding board of health citations;

10           (2)     That the total of (a) the average annual rent for a housing site in which a  
11 manufactured housing unit is located; (b) an annual financing cost for a new manufactured  
12 housing unit costing \$100,000 at a then current interest rate charged by an area lender to a credit-  
13 worthy borrower; and (c) the annual cost of utilities, not included in rent, for a manufactured  
14 housing unit in the northeast region, estimated by a manufacturer, trade association or other  
15 reliable source, is affordable to a one person household at no more than 80% of area median  
16 income, as determined by the federal Department of Housing and Urban Development, paying  
17 no more than 30% of income for these expenses; and

18           (3)     That the median income for a household in the census tract in which the  
19 manufactured housing community is located, as computed in the most recent federal decennial  
20 census, is less than 80% of area median income, as computed by the federal Department of  
21 Housing and Urban Development.
