An Act establishing a means-tested senior property tax exemption local option.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 59 of the General Laws, as appearing in the 2014 Official Edition,  
2 is hereby amended by inserting after Section 94 the following new Section:

3           SECTION 95. Means-tested senior property tax exemption; local option

4           Section 1. In any city or town that accepts the provisions of this section, there shall be  
5 established a means-tested senior property tax exemption with respect to each qualifying parcel  
6 of real property classified as class one, residential. Said exemption shall be in an amount to be  
7 set annually by the board of selectmen in a town, and by the city council or board of aldermen in  
8 a city, as provided in section 3. The exemption shall be applied to the domicile of the taxpayer  
9 only. For the purposes of this section, “parcel” shall mean a unit of real property as defined by  
10 the board of assessors under the deed for the property and shall include a condominium unit. The  
11 exemption provided for in this section shall be in addition to any other exemptions allowed under  
12 this chapter.

13           Section 2. The board of assessors may deny an application if it finds that the applicant  
14 has excessive assets that place the applicant outside of the intended recipients of the senior  
15 exemption established pursuant to this section. Real property shall qualify for the exemption  
16 under section 1 if all of the following criteria are met:

17           (i) the qualifying real property is owned and occupied by a person whose prior year's  
18 income would make the person eligible for the circuit breaker income tax credit under subsection  
19 (k) of section 6 of chapter 62;

20           (ii) the qualifying real property is owned by a single applicant age 65 or older at the  
21 close of the previous year or jointly by persons either of whom is age 65 or older at the close of  
22 the previous year and the joint applicant is 60 years of age or older;

23           (iii) the qualifying real property is owned and occupied by the applicant or joint  
24 applicants as their domicile;

25           (iv) the applicant or at least 1 of the joint applicants has been domiciled and owned a  
26 home in the city or town for at least 10 consecutive years before filing an application for the  
27 exemption;

28           (v) the maximum assessed value of the domicile is not greater than the prior year's  
29 maximum assessed value for qualification for the circuit breaker income tax credit under  
30 subsection (k) of section 6 of chapter 62 as adjusted annually by the department of revenue; and

31           (vi) the board of assessors has approved the application for the exemption.

32           Section 3. The board of selectmen in a town, and the city council or board of aldermen in  
33 a city, shall annually set the exemption amount provided for in section 1; provided, however, that

34 the amount of the exemption shall be within a range of 50 per cent to 200 per cent, inclusive, of  
35 the amount of the circuit breaker income tax credit under subsection (k) of section 6 of chapter  
36 62 for which the applicant qualified in the previous year. The total amount exempted by this act  
37 shall be allocated proportionally within the tax levy on all residential taxpayers.

38           Section 4. A person who seeks to qualify for the exemption under section 1 shall, before  
39 the deadline established by the board of assessors, file an application, on a form to be adopted by  
40 the board of assessors, with the supporting documentation of the applicant's income and assets as  
41 described in the application. The application shall be filed each year for which the applicant  
42 seeks the exemption.

43           Section 5. No exemption shall be granted under this section until the department of  
44 revenue certifies a residential tax rate for the applicable tax year where the total exemption  
45 amount is raised by a burden shift within the residential tax levy.
