4 that the chief believes would strive to foster an optimal learning environment and educational  
5 community; provided further, that the chief of police shall give preference to candidates who  
6 have received specialized training in child and adolescent development, de-escalation and  
7 conflict resolution techniques with children and adolescents, behavioral health disorders in  
8 children and adolescents, alternatives to arrest and other juvenile justice diversion strategies and  
9 behavioral threat assessment methods. The appointment shall not be based solely on seniority.  
10 The performance of school resource officers shall be reviewed annually by the superintendent  
11 and the chief of police. The superintendent and the chief of police shall enter into a written  
12 memorandum of understanding (MOU) to clearly define the role and duties of the school

13 resource officer which shall be placed on file in the office of the school superintendent and  
14 police chief. The MOU shall: (1) state that SROs may use traditional policing techniques such as  
15 arrest, citation, and court referral only when necessary to address and prevent serious, real and  
16 immediate threats to the physical safety of the school and the wider community; (2) state that  
17 SROs should not become involved in routine discipline in response to non-violent school  
18 infractions such as tardiness, loitering, use of profanity, dress code violations and disruptive or  
19 disrespectful behaviors; (3) set forth protocols for utilizing the expertise of mental health  
20 professionals in addressing the needs of students with behavioral and emotional difficulties in  
21 crisis situations and otherwise; (4) require SROs to devote a significant portion of any time that  
22 they devote to professional development activities to school-based or other training that  
23 promotes heightened awareness of the various challenges faced by students in the school to  
24 which they are assigned, with an emphasis on those that impart information regarding child  
25 development, including the incidence and impact of adverse childhood experiences, de-  
26 escalation techniques, and implicit or unconscious bias; (5) specify how the school and police  
27 departments will regularly monitor and assure that SROs are complying with the terms of the  
28 MOU and avoiding inappropriate arrest, citation, or court referral; and (6) specify the manner of  
29 and division of responsibility for collecting and reporting all school-based arrests, citations, and  
30 court referrals of students to the Department of Elementary and Secondary Education in  
31 accordance with regulations promulgated by DESE, which shall collect and publish
