3 paragraph:-

4 Every licensee who is required to file a return under section 16 of chapter 62C shall, at  
5 the time of filing such return, pay to the commissioner an excise equal to 200 1/2 mills plus any  
6 amount by which the federal excise tax on cigarettes is less than 8 mills for each cigarette so sold  
7 during the calendar month covered by the return; provided, however, that cigarettes with respect  
8 to which the excise under this section has once been imposed and has not been refunded, if paid,  
9 shall not be subject upon a subsequent sale to the excise imposed by this section. Each  
10 unclassified acquirer shall, at the time of filing a return required by said section 16 of said  
11 chapter 62C, pay to the commissioner an excise equal to 200 1/2 mills plus any amount by which  
12 the federal excise tax on cigarettes is less than 8 mills for each cigarette so imported or acquired  
13 and held for sale or consumption, and cigarettes, with respect to which such excise has been

14 imposed and has not been refunded, if paid, shall not be subject, when subsequently sold, to any  
15 further excise under this section. The commissioner may, in the commissioner's discretion,  
16 require reports from any common carrier who transports cigarettes to any point or points within  
17 the commonwealth and from any other person who, under contract, so transports cigarettes, and  
18 from any bonded warehouseman or bailee who has in his possession any cigarettes, such reports  
19 to contain such information concerning shipments of cigarettes as the commissioner shall  
20 determine. All such carriers, bailees, warehousemen and other persons shall permit the  
21 examination by the commissioner or the commissioner's duly authorized agent of any records  
22 relating to the shipment of cigarettes into or from, or the receipt thereof within, the  
23 commonwealth.

24

26 amended by striking out the second paragraph and inserting in place thereof the following  
27 paragraph:-
