An Act relative to the transparency of municipal energy data.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1: The General Laws as they appear in the official 2012 version are hereby  
2 amended by adding the following section to Chapter 25:-

3           Section 23 – Municipal access to energy consumption data

4           Section 23 (a.) Utilities regulated by the department shall make the following data  
5 available to each municipality on an annual basis:

6           (1.) Aggregate annual energy consumption data by municipality for each of the  
7 residential, commercial, industrial, and municipal sectors in that municipality for up to 5 prior  
8 years;

9           (2.) Anonymized annual energy consumption data by household at the zip code level for  
10 up to 5 prior years;

11 (3.) Anonymized annual energy consumption data by household at the census tract level  
12 for up to 5 prior years ;

13 (4.) Daily 15-minute peak demand data for commercial and municipal buildings for up to  
14 one prior year; and

15 (5.) Aggregate daily 15-minute peak demand data for the residential sector for up to one  
16 prior year.

17 (b.) The utility shall acknowledge the written request for data within 5 working days, and  
18 respond with the requested data within 21 working days. The department shall define special  
19 measures for expedited data delivery to municipalities as well as avenues for recourse if the data  
20 is not delivered within the parameters established herein.

21 (c.) The department may promulgate rules and regulations, as necessary, for the  
22 implementation of this section.
