3 Section 18. Within 60 days of the effective date of this section, the commissioner of

12 50 per cent first round match distribution for all cities and towns that have accepted sections 3 to
13 7, inclusive, as of the effective date of this section, with each fee rounded to the nearest dollar.

14 The estimate shall be calculated using the total revenue collected for the Massachusetts
15 Community Preservation Trust under section 8 during the most recent fiscal year, and the
16 estimated total local surcharge that would have been collected during the most recent fiscal year,
17 under section 4, for all cities and towns that have accepted sections 3 to 7, inclusive, of this
18 chapter as of the effective date of this section. Any surcharge increase made under this section
