

HOUSE No. 3968

The Commonwealth of Massachusetts

HOUSE OF REPRESENTATIVES, October 23, 2017.

The committee on Bonding, Capital Expenditures and State Assets to whom was referred the message from His Excellency the Governor recommending legislation relative to providing for immediate capital improvement needs of the Commonwealth (House, No. 3730), reports recommending that the accompanying bill (House, No. 3968) ought to pass [Bond Issue: General Obligation Bonds: \$3,545,000,000.00].

For the committee,

ANTONIO F.D. CABRAL.

HOUSE No. 3968

The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act providing for immediate capital improvement needs of the Commonwealth.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to provide forthwith for the immediate capital improvement needs of the commonwealth, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. To provide for a program to protect, repair and improve the capital
2 facilities of the commonwealth and for a program of capital asset acquisitions, dispositions and
3 other improvements for general government operations, the sums set forth in sections 2, 2A, 2B
4 and 2C, inclusive, for the several purposes and subject to the conditions specified in this act are
5 hereby made available, subject to the laws regulating the disbursement of public funds, which
6 sums shall be in addition to any other amounts previously appropriated for these purposes.

7 SECTION 2.

8 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

9 Division of Capital Asset Management and Maintenance

10 1102-2017 For costs associated with planning and studies, dispositions, acquisition of
11 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
12 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
13 of the General Laws, for the preparation of plans and specifications, disparity studies, repairs,
14 construction, renovations, improvements, asset management, accessibility improvements,
15 demolition, disposition, and remediation of state-owned and former county facilities and grounds
16 and for costs associated with repair and maintenance of buildings and building systems and
17 equipment at various facilities of the commonwealth; provided, that any federal reimbursement
18 received by a state agency in connection with projects funded from this item may be retained by
19 the executive office for administration and finance and expended for the purposes of the project,
20 without further appropriation, in addition to the amounts appropriated in this item; provided
21 further, that all maintenance and repair work funded in this item shall be listed in the capital asset
22 management information system administered by the division of capital asset management and
23 maintenance; provided further, that where appropriate, the commissioner of capital asset
24 management and maintenance may transfer funds authorized herein in accordance with a
25 delegation of project control and supervision process pursuant to section 5 of chapter 7C of the
26 General Laws; provided further, that funds so transferred shall be distributed based on the
27 severity of the need that the repair shall address and other criteria developed by the division, in
28 consultation with the secretary of administration and finance; provided further, that \$60,000,000
29 shall be expended for the critical repairs, renovation and replacement, and deferred maintenance
30 at state office buildings, trial courts, and executive office of public safety and security non-
31 corrections facilities; provided further, that \$60,000,000 shall be expended for ongoing costs of
32 the division of capital asset management and maintenance to carry out its capital programs;

33 provided further, that \$2,300,000 shall be expended for the analysis of physical security
34 measures, as well as procedures to ensure worker safety in division of capital asset management
35 and maintenance-operated office buildings, including necessary capital improvements, updating
36 existing procedures and enhanced training; provided further, that \$23,200,000 shall be expended
37 for the study for redevelopment of underutilized and unused sites, including 226 Main street in
38 the city of Brockton, design and construction, and reuse and redevelopment; provided further,
39 that \$1,000,000 shall be expended for the design and construction for replacement of the power
40 distribution units and air conditioning units in the Massachusetts Information Technology Center
41 in the city of Chelsea; provided further, that \$13,465,000 shall be expended for the study, design
42 and construction of a phased renovation of the John W. McCormack Building in the city of
43 Boston, which will include the existing building's infrastructure, envelope, interior common
44 spaces, and surrounding site and will implement a phased renovation program; provided further,
45 that \$6,150,000 shall be expended for the study, design and construction to replace existing
46 emergency generator and transfer switches to improve reliability and safety, and to replace
47 existing switchgears at the State House in a phased project to minimize shutdowns and
48 disruption; and provided further, that \$4,500,000 shall be expended for the planning and study of
49 consolidation of office space, in order to make more effective use of available resources,
50 strategic co-location of offices, customer service and adapt to changing information-technology
51 configurations.....\$680,000,000

52 4000-2024 For costs associated with planning and studies, dispositions, acquisition of
53 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
54 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
55 of the General Laws, for the preparation of plans and specifications, repairs, construction,

56 renovations, improvements, modernization, construction, reconstruction, furnishing, equipping,
57 acquiring, remodeling, refurbishing, asset management, accessibility improvements, demolition,
58 disposition and remediation of facilities and grounds operated by the various departments within
59 the executive office for health and human services, all as the commissioner of capital asset
60 management and maintenance, in consultation with the secretary of health and human services
61 and the appropriate commissioners of the departments within the executive office, shall consider
62 appropriate; provided, that costs payable from this item shall include, but not be limited to, the
63 costs of leases of temporary relocation space or equipment as required for completion of a
64 project; provided further, that any federal reimbursement received by a state agency including,
65 but not limited to, projects related to the provision of health care, human services, and veterans'
66 services in connection with projects funded from this item may be retained by the executive
67 office for administration and finance and expended for the purposes of the project, without
68 further appropriation, in addition to the amounts appropriated in this item; provided further, that
69 \$100,000,000 shall be expended for the repair, maintenance projects, and emergency projects at
70 executive office of health and human service facilities; provided further, that \$199,000,000 shall
71 be expended for the design and construction of a new facility named the "Soldier's Home in
72 Chelsea", a 154-bed community living center for long-term care for veterans in the city of
73 Chelsea to replace Quigley Memorial Hospital; provided further, that \$80,600,000 shall be
74 expended to renovate the Tower Building, also known as the William A. Hinton State Laboratory
75 Institute, in the city of Boston; provided further, that \$13,000,000 shall be expended on air
76 conditioning, mechanical ventilation, roof replacement, and other necessary upgrades at the
77 Western Massachusetts Hospital in the city of Westfield; and provided further, that \$20,000,000

78 shall be made available for critical systems improvements at the Taunton State Hospital in the
79 city of Taunton.....\$600,000,000

80 Division of Capital Asset Management and Maintenance

81 7066-8110 For costs associated with plans and specifications, planning and studies,
82 repairs, reconstruction, demolition, remediation, rehabilitation, modernization, disposition,
83 renovations, improvements and maintenance at Massachusetts public higher education campus
84 facilities and grounds; provided, that all projects approved for design and construction by the
85 division of capital asset management and maintenance shall be consistent in priority and need
86 with regional capital master plans developed by the division of capital asset management and
87 maintenance, in consultation, as applicable, with the presidents of the community colleges, state
88 universities, and University of Massachusetts and approved by the board of higher education,
89 with respect to the community colleges and state universities, or approved by the board of
90 trustees of the University of Massachusetts, as applicable; provided further, that all maintenance
91 and repair work funded by this item shall be included in the capital asset management
92 information system administered by the division of capital asset management and maintenance;
93 provided further, that \$7,000,000 shall be expended for the study, design and construction of
94 critical repairs for the Springfield Technical Community College, Building 20; provided further,
95 that \$4,500,000 shall be expended for capital improvements and repairs, including roof
96 replacements and repairs, HVAC upgrades, elevator modernization, and parking lot repaving, to
97 the Springfield Technology Park operated by the Springfield Technical Community College
98 Assistance Corporation, as established by section 125 of chapter 273 of the acts of 1994;
99 provided further, that \$500,000 shall be expended for a feasibility study to determine scope,
100 square footage, and cost of construction of a campus for the University of Massachusetts

101 Dartmouth Law School in the downtown area of the city of New Bedford; and provided further,
102 that \$41,000,000 shall be expended for a new science building and renovation to the existing
103 Science Center, and modernization and renovation of existing facilities at Cape Cod Community
104 College.....\$750,000,000

105 8000-3502 For costs associated with planning and studies, dispositions, acquisition of
106 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
107 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
108 of the General Laws, for the preparation of plans and specifications, repairs, construction,
109 renovations, improvements, remediation, rehabilitation, modernization, and demolition for public
110 safety and security facilities, all as the commissioner of capital asset management and
111 maintenance, in consultation with the secretary of public safety and security and the appropriate
112 commissioners of the departments within the executive office, shall consider appropriate;
113 provided, that costs payable from this item shall include, but not be limited to, the costs of leases
114 of temporary relocation space or equipment as required for completion of a project; provided
115 further, that \$400,000 shall be expended for a study to document and analyze the condition and
116 strategic placement of Massachusetts Army National Guard facilities, and to develop a master
117 plan for short-term and long-term capital investment, and possible disposition of properties no
118 longer needed thereof; provided further, that \$660,000 shall be expended for the study to develop
119 strategy for accommodating the Massachusetts State Police Crime Lab on a long-term basis,
120 including a detailed review of facilities and programs, site selection criteria, and procurement
121 options; provided further, that \$4,000,000 shall be expended for the study, design, and
122 construction for renovations to state police headquarters in the town of Framingham; provided
123 further, that \$45,000,000 shall be expended for the purpose of designing, constructing, originally

124 equipping, and furnishing a new police headquarters in the city of Springfield; provided further,
125 that \$500,000 shall be expended for a feasibility study to determine scope, square footage, and
126 cost of construction of a fire and police headquarters in the downtown area of the city of New
127 Bedford; provided further, that \$350,000 shall be expended for a study to provide an updated
128 assessment and strategic implementation plan to address reduction of the deferred maintenance
129 backlog within the system of existing barracks; and provided further, that \$24,550,000 shall be
130 expended for the study, design, and construction for renovation of the existing historic Lower
131 Basin Barracks in the city of Boston.....\$500,000,000

132 SECTION 2A.

133 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

134 Division of Capital Asset Management and Maintenance

135 JUDICIARY

136 Trial Court

137 1102-5700 For capital needs at court facilities, including, but not limited to, expenditures
138 for the planning, design, and acquisition of land and buildings and interests therein by purchase,
139 lease for a term, including any extensions, not to exceed 50 years, gift or other transfer, or by
140 eminent domain under chapter 79 of the General Laws, the preparation of plans and
141 specifications, the construction, renovation, reconstruction, alteration, improvement, demolition,
142 expansion, repair and improvements, including furnishings and equipment and temporary
143 relocation costs, as needed for priority projects identified by the division of capital asset
144 management and maintenance and the executive office of the trial court; for building repairs

145 necessary to correct unsafe and overcrowded conditions, for the remediation of life safety code
146 violations, for the remediation of access code and civil rights violations, for the remediation of
147 environmental hazards and for security improvements and other necessary repairs at court
148 facilities owned by the commonwealth or by political subdivisions of the commonwealth;
149 provided, that expenditures made from this item shall include, but not be limited to, expenditures
150 for the projects identified through the draft court capital master plan, dated April 2017; provided
151 further, that costs payable from this item shall include, but not be limited to, the costs of
152 engineering and other services essential to these projects rendered by division of capital asset
153 management and maintenance employees or by consultants; provided further, that amounts
154 expended for division employees may include the salary and salary-related expenses of these
155 employees to the extent that they work on or in support of these projects; provided further, that
156 \$150,000,000 shall be expended for costs of the reconstruction or replacement of court facilities
157 located in the city of Quincy; provided further, that \$4,500,000 shall be expended to determine
158 scope, square footage, and cost of replacement for a new Suffolk County High Rise; provided
159 further, that \$500,000 shall be expended for a feasibility study to determine scope on a Southern
160 Middlesex facility; provided further, that \$30,000,000 shall be expended for costs of
161 modernization of the court facility located in the town of Malden to address envelope, life safety,
162 holding and security, MEP systems, and cross circulation; provided further, that \$45,000,000
163 shall be expended for the modernization of Brockton Superior Court to address envelope, life
164 safety, holding and security, MEP systems, and cross circulation; provided further, that
165 \$45,000,000 shall be expended for modernization of the court facility located in the town of
166 Lynn to address life safety, holding and security, MEP systems, and cross circulation; provided
167 further, that \$20,000,000 shall be expended for modernization of the court facility located in the

168 town of Attleboro to address life safety, holding and security, MEP systems, and cross
169 circulation; provided further, that \$20,000,000 shall be expended for modernization of the court
170 facility located in the town of Northampton to address life safety, holding and security, MEP
171 systems, and cross circulation; provided further, that \$20,000,000 shall be expended for upgrades
172 at the Fitchburg district court; provided further, that \$20,000,000 shall be expended for
173 renovations and construction at the Framingham district court; provided further, that \$10,000,000
174 shall be expended for capital improvements to the East Boston municipal court; provided further,
175 that \$10,000,000 shall be expended for costs of renovations at Pittsfield district court; provided
176 further, that \$15,000,000 shall be expended for renovations at the Hingham district court;
177 provided further, that \$7,000,000 shall be expended for the renovation of the district court
178 building located in the town of Concord; provided further, that \$12,000,000 shall be expended
179 for the costs of renovations at Wareham district court; provided further, that \$15,000,000 be
180 expended for renovations at Dudley district court; provided further, that \$10,000,000 shall be
181 expended for renovations at Cambridge Third district court; provided further, that \$8,000,000
182 shall be expended for renovations at West Roxbury municipal court; provided further, that
183 \$123,562,890 shall be expended for the costs of the reconstruction or replacement of court
184 facilities located in the downtown area of the city of New Bedford; provided further, that
185 \$8,000,000 shall be expended for renovations at South Boston municipal court; provided further,
186 that \$23,000,000 be expended for roof, masonry, or windows at Springfield HOJ, Pittsfield
187 superior court, Lawrence superior court, Holyoke district court, and Northampton superior court;
188 provided further, that not less \$2,000,000 be expended for life safety and fire alarms systems at
189 Dedham district court; provided further, that \$3,000,000 be expended for MEP systems, boilers,
190 and controls at Wrentham district court; and provided further, that \$19,000,000 be expended for

191 holding doors, security doors, cell doors, duress alarms, cameras, or sallyports at Dorchester
192 municipal court, Springfield housing and juvenile court, Stoughton district, Orleans district and
193 juvenile court, and Peabody district court.....\$675,000,000

194 SECTION 2B.

195 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

196 Office of the Secretary

197 1100-3005 For a grant program to cities, towns, regional organizations whose
198 membership is exclusively composed of municipal governments or municipal redevelopment
199 authorities or agencies, or similar governmental development agencies to provide funding for
200 capital purposes, including, but not limited to planning and studies, preparation of plans and
201 specifications, site assembly and preparation, dispositions, acquisitions, repairs, renovations,
202 improvements, construction, demolition, remediation, modernization, and reconstruction of
203 facilities, infrastructure, equipment and other capital assets, technical assistance, information
204 technology equipment and infrastructure, and for costs associated with improving accessibility of
205 municipal facilities, including, but not limited to, assessments, transition plans, technical
206 assistance to cities, towns, municipal councils on aging and disability, and regional organizations
207 whose membership is exclusively composed of municipal governments, under guidelines
208 adopted by the secretary of administration and finance; provided, that \$1,000,000 shall be
209 expended for the design and construction of a Cape Verdean Community Center in the city of
210 New Bedford; and provided further, that \$3,000,000 shall be expended for the design and
211 construction of the Casa da Saudade Portuguese Cultural Center in the city of New
212 Bedford.....\$85,000,000

213 1102-2018 For the accelerated energy and resiliency program to improve the energy
214 efficiency, climate change readiness, environmental risk reduction, resiliency and carbon
215 emissions reduction of state-owned facilities, equipment and related capital assets, including
216 costs associated with planning and studies, prepayment of lease for a term that exceeds the useful
217 life of the facility, gifts or other transfers or by eminent domain under chapter 79 of the General
218 Laws, for the preparation of plans and specifications, repairs, construction, renovations,
219 improvements, asset management and demolition, disposition and remediation of state-owned
220 and former county facilities and grounds, and repair and maintenance of buildings and building
221 systems and equipment at various state-owned facilities; provided, that all maintenance and
222 repair work funded in this item shall be listed in the capital asset management information
223 system administered by the division of capital asset management and maintenance; provided
224 further, that the commissioner of capital asset management and maintenance may, if appropriate,
225 transfer funds in accordance with the delegation of project control and supervision process under
226 section 5 of chapter 7C of the General Laws; provided further, that costs payable from this item
227 shall include, but not be limited to, the costs of engineering and other services essential to these
228 projects rendered by division of capital asset management and maintenance employees or by
229 consultants; provided further, that amounts expended for division employees may include the
230 salary and salary-related expenses of such employees to the extent that they work on or in
231 support of these projects; provided, however, that the division shall not expend more than 5 per
232 cent of the funds authorized in this item for such costs; and provided further, that the
233 commissioner of capital asset management and maintenance shall maximize efforts to utilize all
234 available means to minimize use of capital funds to pay for salaries of division
235 employees.....\$150,000,000

236 1102-2019 For the accelerated energy program to improve the energy efficiency of state-
237 owned facilities, including costs associated with planning and studies, prepayment of a lease for
238 a term that exceeds the useful life of the facility, gifts or other transfers or by eminent domain
239 under chapter 79 of the General Laws, for the preparation of plans and specifications, repairs,
240 construction, renovations, improvements, asset management and demolition, disposition and
241 remediation of state-owned and former county facilities and grounds, and repair and maintenance
242 of buildings and building systems and equipment at various state-owned facilities; provided, that
243 all maintenance and repair work funded in this item shall be listed in the capital asset
244 management information system administered by the division of capital asset management and
245 maintenance; provided further, that the commissioner of capital asset management and
246 maintenance may, where appropriate, transfer funds in accordance with the delegation of project
247 control and supervision process under section 5 of chapter 7C of the General Laws; provided
248 further, that for projects which the secretary of administration and finance certifies to the
249 comptroller directly or indirectly generate new state revenue or budgetary savings, the
250 comptroller shall transfer those budgetary savings or revenue to the state treasurer for payment of
251 debt service related to those projects; provided further, that costs payable from this item shall
252 include, but not be limited to, the costs of engineering and other services essential to these
253 projects rendered by division of capital asset management and maintenance employees or by
254 consultants; provided further, that amounts expended for division employees may include the
255 salary and salary-related expenses of such employees to the extent that they work on or in
256 support of these projects; provided, however, that the division shall not expend more than 5 per
257 cent of the funds authorized in this item for such costs; and provided further, that the
258 commissioner of capital asset management and maintenance shall maximize efforts to utilize all

259 available means to minimize use of capital funds to pay for salaries of division
260 employees.....\$85,000,000

261 SECTION 2C.

262 EXECUTIVE OFFICE FOR PUBLIC SAFETY AND SECURITY

263 Office of the Secretary

264 8000-0702 For equipment for the department of correction and other agencies within the
265 executive office of public safety and security including, but not limited to, medical equipment,
266 security equipment, safety equipment, communications equipment, and vehicles; and provided,
267 that \$4,000,000 shall be expended for the equipment needs the for department of correction and
268 public safety agencies other than state police.....\$20,000,000

269 SECTION 3. To meet the expenditures necessary in carrying out sections 2 and 2A, the
270 state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in
271 an amount to be specified by the governor, from time to time, but not exceeding, in the
272 aggregate, \$3,205,000,000. All such bonds issued by the commonwealth shall be designated on
273 their face, Capital Improvement Act of 2017, and shall be issued for a maximum term of years,
274 not exceeding 30 years, as the governor may recommend to the general court pursuant to section
275 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not later
276 than June 30, 2052. All interest and payments on account of principal on these obligations shall
277 be payable from the General Fund. Bonds and interest thereon issued pursuant to this section
278 shall, notwithstanding any other provision of this act, be general obligations of the
279 commonwealth.

280 SECTION 4. To meet the expenditures necessary in carrying out section 2B, the state
281 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
282 amount to be specified by the governor from, time to time, but not exceeding, in the aggregate,
283 \$320,000,000. All such bonds issued by the commonwealth shall be designated on their face,
284 Capital Improvement Act of 2017, and shall be issued for a maximum term of years, not
285 exceeding 20 years, as the governor may recommend to the general court pursuant to section 3 of
286 Article LXII of the Amendments to the Constitution. The bonds shall be payable not later than
287 June 30, 2042. All interest and payments on account of principal on these obligations shall be
288 payable from the General Fund. Bonds and interest thereon issued pursuant to this section shall,
289 notwithstanding any other provision of this act, be general obligations of the commonwealth.

290 SECTION 5. To meet the expenditures necessary in carrying out section 2C, the state
291 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
292 amount to be specified by the governor from, time to time, but not exceeding, in the aggregate,
293 \$20,000,000. All such bonds issued by the commonwealth shall be designated on their face,
294 Capital Improvement Act of 2017, and shall be issued for a maximum term of years, not
295 exceeding 10 years, as the governor may recommend to the general court pursuant to section 3 of
296 Article LXII of the Amendments to the Constitution. The bonds shall be payable not later than
297 June 30, 2032. All interest and payments on account of principal on these obligations shall be
298 payable from the General Fund. Bonds and interest thereon issued pursuant to this section shall,
299 notwithstanding any other provision of this act, be general obligations of the commonwealth.

300 SECTION 6. Section 5 of chapter 7C of the General Laws as appearing in the 2016
301 Official Edition, is hereby amended by striking out, in line 9, the figure “\$2,000,000” and
302 inserting in place thereof the following figure:- “\$5,000,000”.

303 SECTION 7. Said section 5 of said chapter 7C, as so appearing, is hereby further
304 amended by adding the following sentence:- “Notwithstanding the foregoing, the commissioner
305 may delegate project control and supervision to the University of Massachusetts over projects
306 involving structural or mechanical work with an estimated cost of less than \$10,000,000 if the
307 commissioner determines that the University of Massachusetts has the ability to control and
308 supervise such project. As used in this section, ‘estimated cost’ means the estimated construction
309 cost stated in a study or program prepared in accordance with section 59.”.

310 SECTION 8. Subsection (e) of section 46 of said chapter 7C, as so appearing, is hereby
311 amended by striking out clauses (i) and (ii) and inserting in place thereof the following clauses:-
312 “(i) the design fee under the contract is less than \$30,000; or (ii) the estimated construction cost
313 of the project for which the design services are required is less than \$300,000”.

314 SECTION 9. Item 7066-8000 of section 2 of chapter 258 of the acts of 2008, as amended
315 by section 7 of chapter 237 of the acts of 2014, is hereby further amended by striking out the
316 figure “\$1,303,055,630” and inserting in place thereof the following figure:-“\$1,403,055,630”.

317 SECTION 10. Item 7100-1000 of section 2 of said chapter 258, as amended by sections
318 8 and 9 of chapter 237 of the acts of 2014, is hereby further amended by striking out the figure
319 “\$1,101,500,000” and inserting in place thereof the following figure:- “\$1,201,500,000”.

320 SECTION 11. Section 3 of said chapter 258, as amended by section 10 of chapter 237 of
321 the acts of 2014, is hereby further amended by striking out the figure “\$2,404,555,630” and
322 inserting in place thereof the following figure:- “\$2,604,555,630”.

323 SECTION 12. Said section 3 of said chapter 258 is hereby further amended by striking
324 out the figure “2048” and inserting in place thereof:- “2052”.

325 SECTION 13. Item 1102-2008 of section 2C of chapter 304 of the acts of 2008 is hereby
326 amended by striking out, in line 37, the figure “\$60,000,000” and inserting in place thereof the
327 following figure:- “\$21,100,000”.

328 SECTION 14. Item 1102-5600 of said section 2C of said chapter 304 is hereby amended
329 by striking out the following words: “that not less than \$72,000,000 shall be expended for the
330 costs of the renovation of the probate and family court building located in the city of Salem”.

331 SECTION 15. Subsection (d) of section 49 of chapter 9 of the acts of 2011, as amended
332 by section 23 of chapter 119 of the acts of 2015, is hereby further amended by striking out, in the
333 second sentence, the figure “\$100,000” and inserting in place thereof the following figure:-
334 “\$150,000”.

335 SECTION 16. Subsection (e) of said section 49 of said chapter 9, as so amended, is
336 hereby further amended by striking out the words, “January 1, 2017,” and inserting in place
337 thereof the following words:- “January 1, 2019”.

338 SECTION 17. Subsection (f) of said section 49 of said chapter 9, as so amended, is
339 hereby further amended by striking out, the words “June 30, 2017” and inserting in place thereof
340 the following words:- “June 30, 2019”.

341 SECTION 18. To provide for the continued availability of certain bond-funded spending
342 authorizations which otherwise would expire, the balances of the following items and any
343 allocations thereof shall be extended through June 30, 2020 for the purposes of, and subject to,
344 the conditions stated for these items in the original authorizations and any amendments to such
345 authorizations: 0640-0035, 1100-9201, 1599-7061, 1599-7062, 1599-7063, 1790-3001, 1790-
346 3002, 1790-3003, 1790-3004, and 8000-2030.

347 SECTION 19. To provide for the continued availability of certain bond-funded spending
348 authorizations which otherwise would expire, the balances of the following items and any
349 allocations thereof shall be extended through June 30, 2022 for the purposes of, and subject to,
350 the conditions stated for these items in the original authorizations and any amendments to such
351 authorizations: 0640-0302, 0330-2223, 1100-3002, 1100-3003, 1102-2009, 1102-2014, 1102-
352 5600, 1790-2500, 4000-2020, 4000-2022, 7000-9091, 7066-8000, 7100-1000, 8000-3501, 8000-
353 0701, 8000-2021, 8000-2022, 8100-2026, 8900-7500, and 8900-8500.

354 SECTION 20. Notwithstanding any general or special law to the contrary, the bonds that
355 the state treasurer may issue pursuant to sections 2 and 2A of this act shall be issued for terms
356 not to exceed 30 years. All such bonds shall be payable not later than June 30, 2052, as
357 recommended by the governor in a message to the general court dated May 31, 2017, under
358 section 3 of Article LXII of the Amendments to the Constitution.

359 SECTION 21. Notwithstanding any general or special law to the contrary, the bonds that
360 the state treasurer may issue pursuant to section 2B of this act shall be issued for terms not to
361 exceed 20 years. All such bonds shall be payable not later than June 30, 2042, as recommended
362 by the governor in a message to the general court dated May 31, 2017, under section 3 of Article
363 LXII of the Amendments to the Constitution.

364 SECTION 22. Notwithstanding any general or special law to the contrary, the bonds that
365 the state treasurer may issue pursuant to section 2C of this act shall be issued for terms not to
366 exceed 10 years. All such bonds shall be payable not later than June 30, 2032, as recommended
367 by the governor in a message to the general court dated May 31, 2017, under section 3 of Article
368 LXII of the Amendments to the Constitution.

369 SECTION 23. Notwithstanding any general or special law to the contrary, funds
370 borrowed by the commonwealth may be expended to reimburse municipal debt incurred to create
371 the capital asset in the town of Norwood to be wholly owned by the commonwealth, as
372 authorized by section 58 of chapter 239 of the acts of 2012, as amended.
