

HOUSE No. 4045

The Commonwealth of Massachusetts

In the One Hundred and Ninetieth General Court
(2017-2018)

An Act providing for capital facility repairs and improvements for the Commonwealth.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to provide forthwith for the immediate capital improvement needs of the commonwealth, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. To provide for a program to protect, repair and improve the capital
2 facilities of the commonwealth and for a program of capital asset acquisitions, dispositions and
3 other improvements for general government operations, the sums set forth in sections 2, 2A, 2B
4 and 2C, inclusive, for the several purposes and subject to the conditions specified in this act are
5 hereby made available, subject to the laws regulating the disbursement of public funds, which
6 sums shall be in addition to any other amounts previously appropriated for these purposes.

7 SECTION 2.

8 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

9 Division of Capital Asset Management and Maintenance

1102-2017 For costs associated with planning and studies, dispositions, acquisition of land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79 of the General Laws, for the preparation of plans and specifications, disparity studies, repairs, construction, renovations, improvements, asset management, accessibility improvements, demolition, disposition, and remediation of state-owned and former county facilities and grounds and for costs associated with repair and maintenance of buildings and building systems and equipment at various facilities of the commonwealth; provided, that any federal reimbursement received by a state agency in connection with projects funded from this item may be retained by the executive office for administration and finance and expended for the purposes of the project, without further appropriation, in addition to the amounts appropriated in this item; provided further, that all maintenance and repair work funded in this item shall be listed in the capital asset management information system administered by the division of capital asset management and maintenance; provided further, that where appropriate, the commissioner of capital asset management and maintenance may transfer funds authorized herein in accordance with a delegation of project control and supervision process pursuant to section 5 of chapter 7C of the General Laws; provided further, that funds so transferred shall be distributed based on the severity of the need that the repair shall address and other criteria developed by the division, in consultation with the secretary of administration and finance; provided further, that \$60,000,000 shall be expended for the critical repairs, renovation and replacement, and deferred maintenance at state office buildings, trial courts, and executive office of public safety and security non-corrections facilities; provided further, that \$60,000,000 shall be expended for ongoing costs of the division of capital asset management and maintenance to carry out its capital programs;

provided further, that \$2,300,000 shall be expended for the analysis of physical security measures, as well as procedures to ensure worker safety in division of capital asset management and maintenance-operated office buildings, including necessary capital improvements, updating existing procedures and enhanced training; provided further, that \$2,000,000 shall be expended to improve wireless internet accessibility at the state house; provided further, that \$23,200,000 shall be expended for the study for redevelopment of underutilized and unused sites, including 226 Main street in the city of Brockton, design and construction, and reuse and redevelopment; provided further, that \$1,000,000 shall be expended for the design and construction for replacement of the power distribution units and air conditioning units in the Massachusetts Information Technology Center in the city of Chelsea; provided further, that \$13,465,000 shall be expended for the study, design and construction of a phased renovation of the John W. McCormack Building in the city of Boston, which will include the existing building's infrastructure, envelope, interior common spaces, and surrounding site and will implement a phased renovation program; provided further, that \$6,150,000 shall be expended for the study, design and construction to replace existing emergency generator and transfer switches to improve reliability and safety, and to replace existing switchgears at the State House in a phased project to minimize shutdowns and disruption; and provided further, that \$4,500,000 shall be expended for the planning and study of consolidation of office space, in order to make more effective use of available resources, strategic co-location of offices, customer service and adapt to changing information-technology configurations; provided further, that \$30,000,000 shall be expended for the renovation and construction of the Bristol County Agricultural High School facilities located in the town of Dighton; provided further, that \$6,000,000 shall be expended for the replacement of a parking garage between Columbus Avenue and Summer Streets in the city

of Pittsfield; provided further, that \$985,000 shall be expended for the renovation and improvement of the Flynn Ice Rink in the city of Medford; provided further, that \$5,000,000 shall be expended to rebuild the department of conservation and Recreation's Metropolis Ice Rink located in the town of Canton; provided further, that \$1,000,000 shall be expended for repairs and improvement of the Route 146 Pedestrian Bridge at the Blackstone Heritage Corridor Visitor Center in the city of Worcester; provided further, that \$2,000,000 shall be expended for the expansion of the environmentally-controlled vault capacity at the Massachusetts Archives Facility on Columbia Point; provided, further, that \$10,000,000 shall be expended for the study, design and construction of a fire station in the town of Winthrop; provided further, that \$1,000,000 shall be expended for coastal infrastructure projects in the city known as the town of Weymouth; provided further, that \$1,000,000 shall be expended for the repairs and improvement of the Stone Cottage location at High Rock Reservation in the city of Lynn; provided that the division of capital asset management and maintenance shall be required to provide estimates of the cost of the relocation of state offices, data centers, customer service facilities, and all other state facilities from a current location, whether through lease or purchase by the state, to a new location prior to the selection of a new location by the division; provided further, that \$750,000 shall be expended for the design and construction of the old comfort station building in the Mattapan square neighborhood in the city of Boston; provided further, that \$250,000 shall be expended for the design and construction of public access to the Neponset river alongside the property owned by the department of conservation and recreation on Edgewater Drive in the Mattapan section in the city of Boston; provided further, that \$500,000 shall be expended for the study of a soldier's home in central Massachusetts and the division of capital asset management and maintenance properties located on Old Common Road in Lancaster; provided further, that

\$500,000 shall be expended towards infrastructural improvements to the Massachusetts Bay Transit Authority bus depot in Arlington Heights; provided further ,that \$4,000,000 shall be expended towards infrastructural improvements to the commuter rail station in West Medford section of the city of Medford; provided further ,that \$1,000,000 shall be expended towards facility improvements to the Ed Burns Arena Skating Rink located in the town of Arlington; provided further, that \$1,000,000 shall be expended for the revitalization of Milton Landing Waterfront in the town of Milton; provided further, that \$1,000,000 shall be expended for the renovation and improvement of the Connery Memorial Rink in the city Lynn; provided further, that \$1,000,000 shall be expended for improvements and repairs at the Blue Hills Trailside Museum in the town of Milton; provided further, that \$100,000 shall be expended for the renovation and improvements of the Lynn Heritage State Park Visitor's Center in the city of Lynn; provided further, that \$500,000 shall be expended for the reduction of noise pollution along the Interstate 93 corridor in the city of Somerville; provided, that \$1,000,000 be expended for improvements at Smith Vocational and Agricultural High School in the city of Northampton; provided further that \$2,000,000 shall be expended on a grant program to provide for capital improvements at accredited veterans organization facilities; provided further, that \$1,000,000 shall be expended for capital improvements to the Hampshire Heights public housing facility in the city of Northampton; provided, further that \$15,000,000 shall be expended for highway improvements along the Massachusetts turnpike in the town of Weston.....\$680,000,000

4000-2025 For costs associated with planning and studies, dispositions, acquisition of land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79 of the General Laws, for the preparation of plans and specifications, repairs, construction,

102 renovations, improvements, modernization, construction, reconstruction, furnishing, equipping,
103 acquiring, remodeling, refurbishing, asset management, accessibility improvements, demolition,
104 disposition and remediation of facilities and grounds operated by the various departments within
105 the executive office for health and human services, all as the commissioner of capital asset
106 management and maintenance, in consultation with the secretary of health and human services
107 and the appropriate commissioners of the departments within the executive office, shall consider
108 appropriate; provided, that costs payable from this item shall include, but not be limited to, the
109 costs of leases of temporary relocation space or equipment as required for completion of a
110 project; provided further, that any federal reimbursement received by a state agency including,
111 but not limited to, projects related to the provision of health care, human services, and veterans'
112 services in connection with projects funded from this item may be retained by the executive
113 office for administration and finance and expended for the purposes of the project, without
114 further appropriation, in addition to the amounts appropriated in this item; provided further, that
115 \$100,000,000 shall be expended for the repair, maintenance projects, and emergency projects at
116 executive office of health and human service facilities; provided further, that \$80,600,000 shall
117 be expended to renovate the Tower building at the Dr. William A. Hinton Laboratory, in the city
118 of Boston; provided further, that \$13,000,000 shall be expended on air conditioning, mechanical
119 ventilation, roof replacement, and other necessary upgrades at the Western Massachusetts
120 Hospital in the city of Westfield; and provided further, that \$20,000,000 shall be made available
121 for critical systems improvements at the Taunton State Hospital in the city of Taunton; provided
122 further, that \$10,000,000 shall be expended for design, construction and relocation of the
123 Department of Youth Services Paul T. Leahy Center in the city of Worcester
124\$401,000,000

Division of Capital Asset Management and Maintenance

7066-8110 For costs associated with plans and specifications, planning and studies, repairs, reconstruction, demolition, remediation, rehabilitation, modernization, disposition, renovations, improvements and maintenance at Massachusetts public higher education campus facilities and grounds; provided, that all projects approved for design and construction by the division of capital asset management and maintenance shall be consistent in priority and need with regional capital master plans developed by the division of capital asset management and maintenance, in consultation, as applicable, with the presidents of the community colleges, state universities, and University of Massachusetts and approved by the board of higher education, with respect to the community colleges and state universities, or approved by the board of trustees of the University of Massachusetts, as applicable; provided further, that all maintenance and repair work funded by this item shall be included in the capital asset management information system administered by the division of capital asset management and maintenance; provided further, that the total amount authorized herein for the University of Massachusetts system shall be allocated by the president of the University of Massachusetts based on each campuses share of the total deferred maintenance backlog of the University of Massachusetts system and shall be reviewed and updated periodically by the president of the University of Massachusetts; provided further, the secretary of administration and finance shall submit a report to the chairs of the house and senate committees on bonding, capital expenditures and state assets and the chairs of the joint committee on higher education on or before March 1, 2018 on the progress of projects authorized pursuant to chapter 258 of the acts of 2008 and that funds shall not be disbursed from this item prior to filing of said report; provided further, that \$7,000,000 shall be expended for the study, design and construction of critical repairs for the Springfield

148 Technical Community College, Building 20; provided further, that \$4,500,000 shall be expended
149 for capital improvements and repairs, including roof replacements and repairs, HVAC upgrades,
150 elevator modernization, and parking lot repaving, to the Springfield Technology Park operated
151 by the Springfield Technical Community College Assistance Corporation, established by section
152 125 of chapter 273 of the acts of 1994; provided further, that \$500,000 shall be expended for a
153 feasibility study to determine scope, square footage, and cost of construction of a campus for the
154 University of Massachusetts Dartmouth Law School in the downtown area of the city of New
155 Bedford; and provided further, that \$41,000,000 shall be expended for a new science building
156 and renovation to the existing Science Center, and modernization and renovation of existing
157 facilities at Cape Cod Community College; provided further, that \$35,000,000 shall be expended
158 for a new STEM Discovery Facility to advance STEM programs in the colleges of engineering,
159 arts and sciences, and nursing at the University of Massachusetts at Dartmouth; provided further,
160 that \$30,000,000 shall be expended for a new Integrated Learning Facility at the University of
161 Massachusetts at Dartmouth; provided further, that \$5,000,000 shall be expended for the
162 Whittemore Library for the creation of a regional collaborative education center at Framingham
163 State University; provided further, that \$3,300,000 shall be expended for the renovation of the
164 Crocker Hall at Framingham State University; provided further, that \$3,600,000 shall be
165 expended for infrastructure upgrades at Roxbury Community College; provided further, that
166 \$15,000,000 shall be expended for a new allied health academic facility to be located in
167 Framingham; provided further that \$2,500,000 shall be expended for the deferred maintenance of
168 North Shore Community College; provided further that \$15,000,000 shall be expended for
169 capital improvements to the Lowell campus of the University of Massachusetts
170\$950,000,000

8000-3502 For costs associated with planning and studies, dispositions, acquisition of land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79 of the General Laws, for the preparation of plans and specifications, repairs, construction, renovations, improvements, remediation, rehabilitation, modernization, and demolition for public safety and security facilities, all as the commissioner of capital asset management and maintenance, in consultation with the secretary of public safety and security and the appropriate commissioners of the departments within the executive office, shall consider appropriate; provided, that costs payable from this item shall include, but not be limited to, the costs of leases of temporary relocation space or equipment as required for completion of a project; provided further, that \$400,000 shall be expended for a study to document and analyze the condition and strategic placement of Massachusetts Army National Guard facilities, and to develop a master plan for short-term and long-term capital investment, and possible disposition of properties no longer needed thereof; provided further, that \$660,000 shall be expended for the study to develop strategy for accommodating the Massachusetts State Police Crime Lab on a long-term basis, including a detailed review of facilities and programs, site selection criteria, and procurement options; provided further, that \$4,000,000 shall be expended for the study, design, and construction for renovations to state police headquarters in the town of Framingham; provided further, that \$45,000,000 shall be expended for the purpose of designing, constructing, originally equipping, and furnishing a new police headquarters in the city of Springfield; provided further, that \$500,000 shall be expended for a feasibility study to determine scope, square footage, and cost of construction of a fire and police headquarters in the downtown area of the city of New Bedford; provided further, that \$350,000 shall be expended for a study to provide an updated

194 assessment and strategic implementation plan to address reduction of the deferred maintenance
195 backlog within the system of existing barracks; and provided further, that \$24,550,000 shall be
196 expended for the study, design, and construction for renovation of the existing historic Lower
197 Basin Barracks in the city of Boston; provided further, that \$3,000,000 shall be expended for the
198 purpose of designing and constructing new police headquarters in the city of Beverly; provided
199 further, that \$20,000,000 shall be expended for design and construction of the city of Boston's
200 Emergency Operations Center; provided further, that \$500,000 shall be expended for the
201 renovation and remodeling of the public safety building in the town of Wakefield; provided
202 further that \$1,000,000 shall be expended for the renovation or construction of a fire station in
203 the town of Bernardston; provided further, that \$1,000,000 shall be expended for repairs and
204 renovations to the Boston Fire Department Engine 42 in the Roxbury neighborhood of the city of
205 Boston; provided further, that \$1,000,000 shall be expended repair and rehabilitation of fire
206 stations in the city of Lynn; provided further, that \$25,000,000 shall be expended on the
207 Lawrence Public Safety Complex in the city of Lawrence; provided further, that \$75,000 shall be
208 expended for the cost of renovation and repairs of the facilities in the State Police Barracks
209 located in the town of Lee; provided further, that \$1,000,000 shall be expended for repairs and
210 renovations to the Boston Police Department Headquarters in the Roxbury neighborhood of the
211 city of Boston; provided further, that \$10,000,000 shall be expended for construction of a public
212 safety complex in the city of Medford; provided further, that \$1,000,000 shall be expended for
213 the purpose of designing and constructing a new public safety complex in the town of
214 Southampton; provided further, that \$3,000,000 shall be expended for the purpose of designing
215 and constructing a town garage and public safety facility in the town of Montgomery; provided

216 further, that \$500,000 shall be expended for the study of a combined public safety training
217 facility in the commonwealth\$500,000,000

218 SECTION 2A.

219 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

220 Division of Capital Asset Management and Maintenance

221 JUDICIARY

222 Trial Court

223 1102-5700 For capital needs at court facilities, including, but not limited to, expenditures
224 for the planning, design and acquisition of land and buildings and interests therein by purchase,
225 lease for a term, including any extensions, not to exceed 50 years, gift or other transfer or by

411 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

412 Division of Capital Asset Management and Maintenance

413 1102-2018 For the accelerated energy and resiliency program to improve the energy
414 efficiency, climate change readiness, environmental risk reduction, resiliency and carbon
415 emissions reduction of state-owned facilities, equipment and related capital assets, including
416 costs associated with planning and studies, prepayment of lease for a term that exceeds the useful
417 life of the facility, gifts or other transfers or by eminent domain under chapter 79 of the General
418 Laws, for the preparation of plans and specifications, repairs, construction, renovations,

419 improvements, asset management and demolition, disposition and remediation of state-owned
420 and former county facilities and grounds, and repair and maintenance of buildings and building
421 systems and equipment at various state-owned facilities; provided, that all maintenance and
422 repair work funded in this item shall be listed in the capital asset management information
423 system administered by the division of capital asset management and maintenance; provided
424 further, that the commissioner of capital asset management and maintenance may, if appropriate,
425 transfer funds in accordance with the delegation of project control and supervision process under
426 section 5 of chapter 7C of the General Laws; provided further, that costs payable from this item
427 shall include, but not be limited to, the costs of engineering and other services essential to these
428 projects rendered by division of capital asset management and maintenance employees or by
429 consultants; provided further, that amounts expended for division employees may include the
430 salary and salary-related expenses of such employees to the extent that they work on or in
431 support of these projects; provided, however, that the division shall not expend more than 5 per
432 cent of the funds authorized in this item for such costs; and provided further, that the
433 commissioner of capital asset management and maintenance shall maximize efforts to utilize all
434 available means to minimize use of capital funds to pay for salaries of division
435 employees.....\$150,000,000

436 1102-2019 For the accelerated energy program to improve the energy efficiency of state-
437 owned facilities, including costs associated with planning and studies, prepayment of a lease for
438 a term that exceeds the useful life of the facility, gifts or other transfers or by eminent domain
439 under chapter 79 of the General Laws, for the preparation of plans and specifications, repairs,
440 construction, renovations, improvements, asset management and demolition, disposition and
441 remediation of state-owned and former county facilities and grounds, and repair and maintenance

442 of buildings and building systems and equipment at various state-owned facilities; provided, that
443 all maintenance and repair work funded in this item shall be listed in the capital asset
444 management information system administered by the division of capital asset management and
445 maintenance; provided further, that the commissioner of capital asset management and
446 maintenance may, where appropriate, transfer funds in accordance with the delegation of project
447 control and supervision process under section 5 of chapter 7C of the General Laws; provided
448 further, that for projects which the secretary of administration and finance certifies to the
449 comptroller directly or indirectly generate new state revenue or budgetary savings, the
450 comptroller shall transfer those budgetary savings or revenue to the state treasurer for payment of
451 debt service related to those projects; provided further, that costs payable from this item shall
452 include, but not be limited to, the costs of engineering and other services essential to these
453 projects rendered by division of capital asset management and maintenance employees or by
454 consultants; provided further, that amounts expended for division employees may include the
455 salary and salary-related expenses of such employees to the extent that they work on or in
456 support of these projects; provided, however, that the division shall not expend more than 5 per
457 cent of the funds authorized in this item for such costs; and provided further, that the
458 commissioner of capital asset management and maintenance shall maximize efforts to utilize all
459 available means to minimize use of capital funds to pay for salaries of division
460 employees.....\$85,000,000

461 SECTION 2C.

462 EXECUTIVE OFFICE FOR PUBLIC SAFETY AND SECURITY

463 Office of the Secretary

8000-0702 For equipment for the department of correction and other agencies within the executive office of public safety and security including, but not limited to, medical equipment, security equipment, safety equipment, communications equipment, and vehicles; and provided, that \$4,000,000 shall be expended for the equipment needs the for department of correction and public safety agencies other than state police.....\$20,000,000

SECTION 3. To meet the expenditures necessary in carrying out sections 2 and 2A, the state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an amount to be specified by the governor, but not exceeding in the aggregate \$3,221,500,000. All such bonds issued by the commonwealth shall be designated on their face Capital Improvement Act of 2017 and shall be issued for a maximum term of years, not exceeding 30 years, as the governor recommends to the general court pursuant to section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not later than June 30, 2052. All interest and payments on account of principal on these obligations shall be payable from the General Fund. Bonds and interest thereon issued pursuant to this section shall, notwithstanding any other provision of this act, be general obligations of the commonwealth.

SECTION 4. To meet the expenditures necessary in carrying out section 2B, the state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an amount to be specified by the governor, but not exceeding in the aggregate \$403,500,000. All such bonds issued by the commonwealth shall be designated on their face Capital Improvement Act of 2017, and shall be issued for a maximum term of years, not exceeding 20 years, as the governor recommends to the general court pursuant to section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not later than June 30, 2042. All interest and payments on account of principal on these obligations shall be payable from the

General Fund. Bonds and interest thereon issued pursuant to this section shall, notwithstanding any other provision of this act, be general obligations of the commonwealth.

SECTION 5. To meet the expenditures necessary in carrying out section 2C, the state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an amount to be specified by the governor, but not exceeding in the aggregate \$20,000,000. All such bonds issued by the commonwealth shall be designated on their face Capital Improvement Act of 2017 and shall be issued for a maximum term of years, not exceeding 10 years, as the governor recommends to the general court pursuant to section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not later than June 30, 2032. All interest and payments on account of principal on these obligations shall be payable from the General Fund. Bonds and interest thereon issued pursuant to this section shall, notwithstanding any other provision of this act, be general obligations of the commonwealth.

SECTION 6. Section 5 of chapter 7C of the General Laws as appearing in the 2016 Official Edition, is hereby amended by striking out, in line 9, the figure “\$2,000,000” and inserting in place thereof the following figure:- \$5,000,000.

SECTION 7. Said section 5 of said chapter 7C, as so appearing, is hereby further amended by adding the following 2 sentences:- Notwithstanding the foregoing, the commissioner may delegate project control and supervision to the University of Massachusetts over projects involving structural or mechanical work with an estimated cost of less than \$10,000,000 if the commissioner determines that the University of Massachusetts has the ability to control and supervise such project. As used in this section, “estimated cost” means the estimated construction cost stated in a study or program prepared in accordance with section 59.

SECTION 8. Subsection (e) of section 46 of said chapter 7C, as so appearing, is hereby amended by striking out clauses (i) and (ii) and inserting in place thereof the following 2 clauses:- (i) the design fee under the contract is less than \$30,000; or (ii) the estimated construction cost of the project for which the design services are required is less than \$300,000.

SECTION 9. Section 144 of chapter 352 of the acts of 2004, is hereby amended by inserting after the words “replace and maintain the building thereon” the following words:- ; provided, however, that in connection therewith, the lessee, acting alone or in partnership with a co-developer acceptable to the division of capital asset management and maintenance, may demolish the existing building and other structures and develop all or a portion of the leased property for the purposes described herein and any other lawful purposes that are charitable in nature or intended to generate revenue to support the charitable purposes of the lessee.

SECTION 10. Item 7066-8000 of section 2 of chapter 258 of the acts of 2008 is hereby amended by striking out the figure “\$1,303,055,630”, inserted by section 7 of chapter 237 of the acts of 2014, and inserting in place thereof the following figure:- \$1,403,055,630.

SECTION 11. Item 7100-1000 of said section 2 of said chapter 258 is hereby further amended by striking out the figure “\$1,101,500,000” , inserted by section 9 of said chapter 237, and inserting in place thereof the following figure:- \$1,201,500,000.

SECTION 12. Section 3 of said chapter 258 , is hereby amended by striking out the figure “\$2,404,555,630”, inserted by section 10 of said chapter 237, and inserting in place thereof the following figure:- \$2,604,555,630.

529 SECTION 13. Said section 3 of said chapter 258, as amended by section 10 of said
530 chapter 237, is hereby further amended by striking out the words “June 30, 2048” and inserting
531 in place thereof the following words:- June 30, 2052.

532 SECTION 14. Item 1102-2008 of section 2C of chapter 304 of the acts of 2008 is hereby
533 amended by striking out, in line 37, the figure “\$60,000,000” and inserting in place thereof the
534 following figure:- \$21,100,000.

535 SECTION 15. Item 1102-5600 of said section 2C of said chapter 304 is hereby amended
536 by striking out, in lines 48 to 51, inclusive, the following words:- “; provided further, that not
537 less than \$72,000,000 shall be expended for the costs of the renovation of the probate and family
538 court building located in the city of Salem”.

539 SECTION 16. Subsection (d) of section 49 of chapter 9 of the acts of 2011 is hereby
540 amended by striking out, in line 4, the figure “\$100,000” and inserting in place thereof the
541 following figure:- \$150,000.

542 SECTION 17. Subsection (e) of said section 49 of said chapter 9 is hereby amended by
543 striking out the words “January 1, 2017”, inserted by section 23 of chapter 119 of the acts of
544 2015, and inserting in place thereof the following words:- January 1, 2019.

545 SECTION 18. Subsection (f) of said section 49 of said chapter 9 is hereby amended by
546 striking out the words “June 1, 2017”, inserted by section 24 of said chapter 119, and inserting in
547 place thereof the following words:- June 30, 2019.

548 SECTION 18A. Section 2 of chapter 47 of the acts of 2017 is hereby amended, in item
549 4800-0038, by inserting after the words “an amount not less than fiscal year 2013 shall be

expended on children’s advocacy centers”, the following words:- ; provided further, that funds may be expended on programs that received funding in fiscal year 2013; and provided further, an amount not less than fiscal year 2013 shall be expended on children’s advocacy centers.

SECTION 18B. Notwithstanding any general or special law to the contrary, funds borrowed by the commonwealth may be expended to reimburse municipal debt incurred to create the capital asset to be wholly owned by the commonwealth, as authorized by section 58 of chapter 239 of the acts of 2012, as amended; provided; further that funds shall not be expended for this purpose until funds are expended for the department of conservation and recreation’s Metropolis ice rink in the town of Canton as authorized in item 1102-2017 of section 2 of this act.

SECTION 19. The secretary of administration and finance shall submit a report on the progress of any projects funded through the authorizations in this act and included in the governor’s 5-year capital investment to the clerks of the senate and house of representatives, the chairs of the senate and house committees on ways and means and the chairs of the senate and house committees on bonding, capital expenditures and state assets. The report shall include, but not be limited to: (i) the previous year planned spending; (ii) the previous year spending; (iii) the current year planned spending; (iv) the current year spending to date; (v) the original estimated total project cost; (vi) the project description; (vii) the location of the project; (viii) the type of spending; (ix) the type of asset; and (x) the useful life of the project once completed. The report shall be submitted not later than June 30 and December 31 of each year for a period of 8 years after the effective date of this act.

SECTION 20. To provide for the continued availability of certain bond-funded spending authorizations which otherwise would expire, the balances of the following items and any allocations thereof shall be extended through June 30, 2020 for the purposes of, and subject to, the conditions stated for these items in the original authorizations and any amendments to such authorizations: 0640-0035, 1100-9201, 1599-7061, 1599-7062, 1599-7063, 1790-3001, 1790-3002, 1790-3003, 1790-3004; 1100-3001, and 8000-2030.

SECTION 21. To provide for the continued availability of certain bond-funded spending authorizations which otherwise would expire, the balances of the following items and any allocations thereof shall be extended through June 30, 2022 for the purposes of, and subject to, the conditions stated for these items in the original authorizations and any amendments to such authorizations: 0640-0302, 0330-2223, 1100-3002, 1100-3003, 1102-2009, 1102-2014:- , 1102-2015, 1102-2016, 1102-5600, 1790-2500, 4000-2020, 4000-2022, 7000-9091, 7066-8000, 7100-1000, 8000-3501, 8000-0701, 8000-2021, 8000-2022, 8100-2026, 8900-7500, and 8900-8500.

SECTION 22. Chapter 47 of the acts of 2017 is hereby amended by striking out section 136 and inserting in place thereof the following section:-

Section 136. There shall be a special legislative commission established pursuant to section 2A of chapter 4 of the General Laws to investigate and study the feasibility of establishing a Cape Verdean cultural center in the city of Boston. The commission shall consist of: 2 members of the house of representatives, 1 of whom shall be appointed by the speaker of the house and who shall serve as co-chairperson, and 1 of whom shall be appointed by the house minority leader; 2 members of senate, 1 of whom shall be appointed by the senate president and who shall serve as co-chairperson, and 1 of whom shall be appointed by the senate minority

leader; 1 member appointed by the mayor of Boston; 1 member appointed by the governor; and not more than 13 additional members, who shall be selected by the co-chairs; provided, that, there shall be an odd number of members.

The commission shall investigate and study various methods for establishing a Cape Verdean cultural center in the city of Boston, including, but not limited to, the creation of a non-profit organization to oversee the construction and management of the cultural center, and shall consider the costs of each method.

All appointments to the commission shall be made on or before January 31, 2018. The commission shall report its findings, including any recommendations for legislation, to the clerks of the house of representatives and the senate on or before December 31, 2018.

SECTION 23. Section 33 of Chapter 242 of the Acts of 2012, as most recently amended by Section 130 of Chapter 133 of the Acts of 2013, is hereby amended by striking out, in line 13, the number "\$175,000" and inserting in place thereof the following figure: "\$1.

SECTION 24. Chapter 82 of the Acts of 2014 is hereby amended, in Section 2, by striking out, in line 6, after the word "appropriate.", the following words: "The commissioner of capital asset management and maintenance shall also receive additional consideration established to be the difference between the full and fair market value of the parcels of land described in section 1 to be conveyed and the full and fair market value of the parcel described herein to be received. Under no circumstances shall the commonwealth be obligated to pay any additional consideration to the grantees Edward A. Welch and Nancy J. Welch. The full and fair market value of both properties shall be determined by the commissioner of capital asset management and maintenance on the basis of independent appraisals commissioned by the commissioner.

615 The inspector general shall review and approve said appraisals, including the
616 methodology utilized in conducting the appraisals. The commissioner of capital asset
617 management and maintenance shall, 30 days prior to the conveyance authorized by this act,
618 submit the appraisals and a report thereon to the inspector general. The inspector general shall
619 prepare a report of his review and approval of the appraisal and file the report with the
620 commissioner of capital asset management and maintenance, and copies of the same shall be
621 filed with the house and senate committees on ways and means and the chairmen of the joint
622 committee on state administration and regulatory oversight at least 15 days prior to the
623 execution."

624 SECTION 25. Chapter 82 of the Acts of 2014 is hereby amended by striking out Section
625 3 and inserting in place thereof the following section: "Section 3. A signed TR1 form shall not be
626 required to complete the conveyance of land authorized by this act.

627 SECTION 26. (a) Subsection (d)(iv) of section 51 of chapter 7C of the General Laws, as
628 so appearing in the 2016 Official Edition, is hereby amended by striking the figure "\$10,000" in
629 line 51 and inserting in place thereof the following figure:- \$30,000

630 (b) Said subsection (d)(iv) of section 51, as so appearing, is hereby amended by striking
631 the figure "\$100,000" in line 53 and inserting in place thereof the following figure:- \$300,000

632 SECTION 27. (a) Subsection (a) of section 54 of said chapter 7C, as so appearing, is
633 hereby amended by striking in lines 2-3 the language "estimated to exceed \$100,000".

634 (b) Said section 54, as so appearing, is hereby amended by inserting at the end thereof the
635 following:- (f) A contract for design services shall be exempt from the selection procedure
636 required in subsection (a) if (i) the design fee under the contract is less than \$30,000; or (ii) the

637 estimated construction cost of the project for which the design services are required is less than
638 \$300,000.
