13 SECTION 5. Chapter 64H of the General Laws is hereby amended by inserting the  
14 following new section:

15 Section 10. The commissioner of revenue shall annually designate, by July 15 of each  
16 calendar year, a two-day weekend in August of that year during which no excise shall be  
17 imposed upon non-business sales at retail in the Commonwealth of tangible personal property, as  
18 defined in section 1 of this chapter, but excluding telecommunications services, gas, steam,  
19 electricity, motor vehicles, boats, meals, or any single item whose price is in excess of \$2,500.

20 For the weekend designated by the commissioner pursuant to the provisions of this  
21 section, a vendor in the Commonwealth shall not add to the sales price or collect from any non-  
22 business purchaser, and shall in turn not be required to pay to the Commonwealth, an excise  
23 upon sales at retail of tangible personal property, as defined in section 1 of this chapter and  
24 limited in this section. Any excise erroneously or improperly collected by a vendor during the  
25 designated weekend shall be remitted to the department of revenue.

26 When designating the weekend, the commissioner shall attempt to maximize the  
27 economic benefit to the Commonwealth. Reporting requirements imposed upon vendors of  
28 tangible personal property, by law or by regulation, including, but not limited to, the  
29 requirements for filing any returns required by chapter 62C of the General Laws, shall remain in  
30 effect for sales for the weekend designated by the commissioner. The commissioner is  
31 authorized to adopt rules and regulations, and authorized and directed to issue instructions or  
32 forms to implement this section.

33 SECTION 6. If the reduction in rates worked by this act at any time causes a  
34 governmental body to which revenues covered by this act are dedicated by law, as is the case

35 with respect to the support of transportation and education under G.L. c. 10, §§ 35T and 35BB,  
36 to fail to make any principal or interest payment due or about to become due on any bond, note  
37 or other debt instrument lawfully issued or assumed by that governmental body prior to the  
38 effective date of this act, the chief financial officer of the body shall certify to the state treasurer  
39 the amount necessary to pay the amounts due or about to become due and the treasurer shall  
40 thereupon assume the obligation to make the payments in the amounts so certified; provided,  
41 however, that the treasurer shall not make such payments in any amount that exceeds the amount  
42 attributable to the reduction in rates worked by this act. Except as may be otherwise provided by  
43 law, the state treasurer shall require the governmental body to reimburse the commonwealth  
44 within a period not to exceed five years and may require a promissory note to secure such  
45 reimbursement.

CERTIFICATE OF THE ATTORNEY GENERAL.

September 6, 2017.

Honorable William Francis Galvin  
*Secretary of the Commonwealth*  
One Ashburton Place, Room 1705

RE: Initiative Petition No. 17-21: Initiative Petition for a Law Relative to Reducing the Burden of Sales and Use Taxes and Requiring a Sales Tax Free Weekend.

Dear Secretary Galvin:

I accordance with the provisions of Article 48 of the Amendments to the Massachusetts Constitution, I have reviewed the above-referenced initiative petition, which was submitted to me on or before the first Wednesday of August of this year.

I hereby certify that this measure is in proper form for submission to the people; that the measure is not, either affirmatively or negatively, substantially the same as any measure which has been qualified for submission or submitted to the people at either of the two preceding biennial state elections; and that it contains only subjects that are related or are mutually dependent and which are not excluded from the initiative process pursuant to Article 48, the Initiative, Part 2, Section 2.

In accordance with Article 48, I enclose a fair, concise summary of the measure.

Sincerely,

MAURA HEALEY,  
*Attorney General.*

## Summary of 17-21.

This proposed law would reduce the state sales and use taxes from their current rate of 6.25% (as of September, 2017) to 5.0%. It would make the same reduction in the rate used to determine the amount non-resident building contractors must deposit with the state Commissioner of Revenue as security for the payment of sales and use tax on goods used in carrying out their contracts.

The proposed law would also require the Commissioner of Revenue to designate a weekend in August of each year during which many items could be purchased without the payment of sales tax (but excluding meals, motor vehicles and boats, utilities, and any item costing more than \$2,500).

If the reduction in the sales tax proposed by this measure were to cause a public entity funded by the sales tax (for example, the MBTA or the School Building Authority) to be unable to make a debt payment, the proposed law would require the state treasurer to make the payment instead. The state's liability would be limited to the amount attributable to the sales tax reduction, and the public entity would be required to repay the state within 5 years.
