313 rights to leave than those provided for by this chapter; (ii) in any way curtail the rights,  
314 privileges or remedies of any employee under any collective bargaining agreement or  
315 employment contract; or (iii) be construed to allow an employer to compel an employee to  
316 exhaust rights to any sick, vacation or personal time prior to or while taking leave under this  
317 chapter.

318 (2) An employer may require that payment made pursuant to this chapter be made  
319 concurrently or otherwise coordinated with payment made or leave allowed under the terms of  
320 disability or family care leave under a collective bargaining agreement or employer policy such  
321 that the employee will receive the greater of the various benefits that are available for the  
322 covered reason. Any leave provided under a collective bargaining agreement or employer policy  
323 that is used by the employee for a covered reason and paid at the same or higher rate than leave  
324 available under this chapter shall count against the allotment of leave available under the chapter.  
325 The employer shall give employees written notice of this requirement.

326 (i) Leave taken under this chapter shall run concurrently with leave taken under section  
327 105D of chapter 149 or under the Family and Medical Leave Act of 1993, codified at 29 U.S.C.  
328 section 2611, et seq. Employees who take leave under this chapter while ineligible for leave

329 under the Family and Medical Leave Act of 1993 shall be permitted to take leave under the  
330 Family and Medical Leave Act of 1993 in the same benefit year only to the extent they remain  
331 eligible for concurrent leaves under this chapter.

332 (j) A self-employed individual may elect coverage under this chapter and become a  
333 covered individual for an initial period of not less than 3 years by filing a notice of election in  
334 writing with the department and making contributions as required in section 6 to the Family and  
335 Employment Security Trust Fund established in section 7; provided, however, that a self-  
336 employed individual who elects coverage shall not be eligible for benefits until that individual  
337 has made such required contributions for at least 2 calendar quarters of the individual's last 4  
338 completed calendar quarters. The election shall become effective on the date of filing the notice.  
339 The department shall establish a process by which self-employed individuals elect coverage  
340 under this chapter.

341 Section 3. (a) No family or medical leave benefits shall be payable during the first 7  
342 calendar days of such leave; provided, however, that an employee may utilize accrued sick or  
343 vacation pay or other paid leave provided under an employer policy during the first 7 calendar  
344 days of such leave. Employees taking family or medical leave for which benefits are not payable  
345 under this subsection shall be entitled to the protections of subsections (e) and (f) of section 2  
346 and section 9.

347 (b)(1) The weekly benefit amount for employees and self-employed individuals on  
348 family or medical leave shall be determined as follows: (i) the portion of an employee's or self-  
349 employed individual's average weekly wage that is equal to or less than 50 per cent of the state  
350 average weekly wage shall be replaced at a rate of 80 per cent; and (ii) the portion of an

351 employee's or self-employed individual's average weekly wage that is more than 50 percent of  
352 the state average weekly wage shall be replaced at a rate of 50 per cent.

353 (2) The maximum weekly benefit amount calculated pursuant to paragraph (1) shall be  
354 not more than \$850.00 per week; provided, however, that annually, not later than October 1 of  
355 each year thereafter, the commissioner of unemployment assistance shall adjust the maximum  
356 weekly benefit amount to be 64 per cent of the state average weekly wage and the adjusted  
357 maximum weekly benefit amount shall take effect on January 1 of the year following such  
358 adjustment.

359 (3) For a covered individual who takes leave on an intermittent or reduced leave  
360 schedule, the weekly benefit amount shall be prorated as determined by the department.

361 (c) The weekly benefit amount shall be reduced by the amount of wages or wage  
362 replacement that a covered individual receives for that period under any of the following while  
363 on family or medical leave: (i) any government program or law, including but not limited to  
364 workers' compensation under chapter 152, other than for permanent partial disability incurred  
365 prior to the family or medical leave claim, or under other state or federal temporary or permanent  
366 disability benefits law, or (ii) a permanent disability policy or program of an employer.

367 The weekly benefit amount shall not be reduced by the amount of wage replacement that  
368 an employee receives while on family or medical leave under any of the following conditions,  
369 unless the aggregate amount an employee would receive would exceed the employee's average  
370 weekly wage: (i) a temporary disability policy or program of an employer; or (ii) a paid family,  
371 or medical leave policy of an employer. If an employer makes payments to an employee during  
372 any period of family or medical leave that are equal to or more than the amount required under

373 this section, the employer shall be reimbursed out of any benefits due or to become due from the  
374 trust fund established in section 7 for family or medical leave benefits for that employee  
375 covering the same period of time as the payments made by the employer.

376 Section 4. (a) Each employer and covered business entity shall post in a conspicuous  
377 place on each of its premises a workplace notice prepared or approved by the department  
378 providing notice of benefits available under this chapter. The workplace notice shall be issued in  
379 English, Spanish, Chinese, Haitian Creole, Italian, Portuguese, Vietnamese, Laotian, Khmer,  
380 Russian and any other language that is the primary language of at least 10,000 or one-half of one  
381 percent of all residents of the commonwealth. The required workplace notice shall be in English  
382 and each language other than English which is the primary language of five or more employees  
383 or self-employed individuals of that workplace, if such notice is available from the department.

384 Each employer shall issue to each employee not more than 30 days from the beginning  
385 date of the employee's employment, the following written information provided or approved by  
386 the department in the employee's primary language: (i) an explanation of the availability of  
387 family and medical leave benefits provided under this chapter, including rights to reinstatement  
388 and continuation of health insurance; (ii) the employee's contribution amount and obligations  
389 under this chapter; (iii) the employer's contribution amount and obligations under this chapter;  
390 (iv) the name and mailing address of the employer; (v) the identification number assigned to the  
391 employer by the department; (vi) instructions on how to file a claim for family and medical leave  
392 benefits; (vii) the mailing address, email address and telephone number of the department; and  
393 (viii) any other information deemed necessary by the department. Delivery is made when an  
394 employee provides written acknowledgement of receipt of the information, or signs a statement  
395 indicating the employee's refusal to sign such acknowledgement.

396           Each covered business entity shall provide to each self-employed individual with whom it  
397 contracts, at the time such contract is made, the following written information provided or  
398 approved by the department in the self-employed individual's primary language: (i) an  
399 explanation of the availability of family and medical leave benefits provided under this chapter  
400 and the procedures established by the department for self-employed individuals to become  
401 covered individuals; (ii) the self-employed individual's contribution amount and obligations  
402 under this chapter if the self-employed individual were to become a covered individual; (iii) the  
403 covered business entity's contribution amount and obligations under this chapter; (iv) the name,  
404 mailing address and email address of the covered business entity; (v) the identification number  
405 assigned to the covered business entity by the department; (vi) instructions on how to file a claim  
406 for family and medical leave benefits; (vii) the address and telephone number of the department;  
407 and (viii) any other information deemed necessary by the department. Delivery is made when a  
408 self-employed individual provides written acknowledgement of receipt of the information, or  
409 signs a statement indicating the self-employed individual's refusal to sign such  
410 acknowledgement.

411           An employer or covered business entity that fails to comply with this subsection shall be  
412 issued, for a first violation, a civil penalty of \$50 per employee and per self-employed individual  
413 with whom it has contracted, and for each subsequent violation, a civil penalty of \$300 per  
414 employee or self-employed individual with whom it has contracted. The employer or covered  
415 business entity shall have the burden of demonstrating compliance with this subsection.

416           (b) The employee shall give not less than 30 days' notice to the employer of the  
417 anticipated starting date of the leave, the anticipated length of the leave and the expected date of  
418 return or shall provide notice as soon as practicable if the delay is for reasons beyond the

419 employee's control. If an employer fails to provide notice of this chapter as required under  
420 subsection (a), the employee's notice requirement shall be waived.

421           Section 5. (a)(1) Covered individuals shall file a benefit claim pursuant to regulations  
422 issued by the department. If a claim is filed more than 90 calendar days after the start of leave,  
423 the covered individual may receive reduced benefits. All claims shall include a certification  
424 supporting a request for leave under this chapter. The department shall establish good cause  
425 exemptions from the certification requirement deadline in the event that a serious health  
426 condition of the covered individual prevents the covered individual from providing the required  
427 certification within the 90 calendar days.

428           (2) Certification for a covered individual taking medical leave shall be sufficient if it  
429 states the date on which the serious health condition commenced, the probable duration of the  
430 condition and the appropriate medical facts within the knowledge of the health care provider as  
431 required by the department.

432           (3) Certification for a covered individual taking family leave because of the serious  
433 health condition of a family member of the covered individual shall be sufficient if it states the  
434 date on which the serious health condition commenced, the probable duration of the condition,  
435 the appropriate medical facts within the knowledge of the health care provider as required by the  
436 department, a statement that the covered individual is needed to care for the family member and  
437 an estimate of the amount of time that the covered individual is needed to care for the family  
438 member.

439           (4) Certification for a covered individual taking family leave because of the birth of a  
440 child of the covered individual shall be sufficient if the covered individual provides either the

441 child's birth certificate or a document issued by the health care provider of the child, or the  
442 health care provider of the person who gave birth, stating the child's birth date.

443 (5) Certification for a covered individual taking family leave because of the placement of  
444 a child with the covered individual for adoption or foster care shall be sufficient if the covered  
445 individual provides a document issued by the health care provider of the child, an adoption or  
446 foster care agency involved in the placement or by other individuals as determined by the  
447 department that confirms the placement and the date of placement. To the extent that the status  
448 of a covered individual as an adoptive or foster parent changes while an application for benefits  
449 is pending, or while the covered individual is receiving benefits, the covered individual is  
450 required to notify the department of such change in status in writing. The department of children  
451 and families may confirm in writing the status of the covered individual as an adoptive or foster  
452 parent while an application for benefits is pending or while a covered individual is receiving  
453 benefits.

454 (6) Certification for a covered individual taking family leave because of a qualifying  
455 exigency shall be sufficient if it includes (i) a copy of the family member's active-duty orders;  
456 (ii) other documentation issued by the Armed Forces; or (iii) other documentation permitted by  
457 the department.

458 (7) Certification for a covered individual taking family leave to care for a family member  
459 who is a covered servicemember shall be sufficient if it includes: (i) the date on which the  
460 serious health condition commenced; (ii) the probable duration of the condition; (iii) the  
461 appropriate medical facts within the knowledge of the health care provider as required by the  
462 department; (iv) a statement that the covered individual is needed to care for the family member;

463 (v) an estimate of the amount of time that the covered individual is needed to care for the family  
464 member; and (vi) an attestation by the covered individual that the health condition is connected  
465 to the covered servicemember's military service as required by this chapter.

466 (b) Any medical or health information required under this section shall be treated as  
467 confidential and not disclosed except with permission from the covered individual who provided  
468 it unless disclosure is otherwise required by law. Nothing in this section shall be construed to  
469 require a covered individual to provide as certification any information from a health care  
470 provider that would be in violation of section 1177 of the Social Security Act, codified as 42  
471 U.S.C. 1320d-6, or the regulations promulgated under section 264(c) of the Health Insurance  
472 Portability and Accountability Act of 1996, Public Law 104-191.

473 (c) A covered individual shall not be eligible to receive family or medical leave benefits  
474 if the department finds, through a process it shall establish through regulations, that the covered  
475 individual, for the purpose of obtaining these benefits, has willfully made a false statement or  
476 representation, with actual knowledge of the falsity thereof, or has willfully withheld a material  
477 fact concerning the facts required to be certified pursuant to this section.

478 Section 6. (a) For each employee, an employer shall remit to the Family and Employment  
479 Security Trust Fund established under section 7 contributions in the form and manner determined  
480 by the department. The contribution rate set forth in this section shall be adjusted annually as  
481 specified in subsection (e) of section 7.

482 (b) A self-employed individual who is electing coverage under subsection (j) of section 2  
483 of this chapter shall be responsible for all contributions set forth in subsection (a) of this section  
484 on that individual's income from self-employment.

485 (c)(1) For medical leave, an employer shall not deduct more than 40 per cent of the  
486 contribution required for an employee by subsection (a) from that employee's wages and shall  
487 remit the full contribution required under subsection (a) to the trust fund.

488 (2) For family leave, an employer may deduct not more than 100 per cent of the  
489 contribution required for an employee by subsection (a) from that employee's wages, and shall  
490 remit the full contribution required under subsection (a) to the trust fund.

491 (d) Notwithstanding subsection (c), an employer employing less than 25 employees in the  
492 commonwealth is not required to pay the employer portion of premiums for family and medical  
493 leave. An employer or a covered business entity with a workforce that has more than 50 per cent  
494 self-employed individuals for whom the employer must report the payment for services to such  
495 individual on IRS Form 1099-MISC shall include those self-employed individuals as employees  
496 for purposes of this section.

497 (e)(1) A covered business entity shall not deduct more than 40 per cent of the  
498 contribution required under subsection (a) to the trust fund for the income paid to each self-  
499 employed individual with whom it contracts for services and for whom it must report payments  
500 for services to such an individual on IRS Form 1099-MISC.

501 (2) For family leave, a covered business entity may deduct not more than 100 per cent of  
502 the contribution required under subsection (a) to the trust fund for the income paid to each self-  
503 employed individual with whom it contracts for services and for whom it must report payments  
504 for services to such an individual on IRS Form 1099-MISC.

505 (f) Contributions to the trust fund under this section shall not be required for employees'  
506 wages above the contribution and benefit base limit established annually by the United States

507 Social Security Administration for purposes of the Old-Age, Survivors, and Disability Insurance  
508 program limits pursuant to 42 U.S.C. section 430.

509 Section 7. (a) There shall be a Family and Employment Security Trust Fund to be  
510 administered by the treasurer and receiver general exclusively for the purposes of this chapter.  
511 Any sums received under this section shall not be considered revenue of the commonwealth but  
512 shall be held in trust for the exclusive benefit of covered individuals eligible for benefits under  
513 this chapter, and for the administration of the department and shall not be expended, released,  
514 appropriated or otherwise disposed of for any other purpose and shall be expended by the  
515 director as required by this chapter to pay family and medical leave program benefits to covered  
516 individuals eligible to receive benefits, and to pay the administrative costs of the department. The  
517 trust fund shall consist of: (i) contributions collected pursuant to section 6 together with any  
518 interest earned thereon; (ii) property or securities acquired through the use of money belonging  
519 to the trust fund together with any earnings of such property and securities; (iii) fines and  
520 penalties collected under this chapter; and (iv) other money received from any source, including  
521 any grants, gifts, bequests or money authorized by the General Court or other party specifically  
522 designated to be credited to the trust fund. Money remaining in the fund at the end of a fiscal  
523 year shall not revert to the General Fund. Amounts credited to the trust fund shall not be  
524 expended for any purpose other than the payment of benefits to covered individuals eligible for  
525 benefits under this chapter, and for the administration of the department, and shall not be  
526 expended, released, appropriated, or otherwise disposed of for any other purpose. The trust fund  
527 shall maintain an annualized amount of not less than 140 per cent of the previous fiscal year's  
528 expenditure for benefits paid and for the administration of the department.

529 (b) The costs of administering the department under this chapter shall not exceed 5 per  
530 cent of the amount deposited under subsection (a) for each fiscal year following the initial year  
531 benefits have been paid under section 2. Monies in the trust fund may be deposited in any  
532 depository bank in which general funds of the commonwealth may be deposited, but such  
533 monies shall not be commingled with other commonwealth funds and shall be maintained in  
534 separate accounts on the books of the depository bank. Such monies shall be secured by the  
535 depository bank to the same extent and in the same manner as required by the general depository  
536 laws of the commonwealth, and collateral pledged for this purpose shall be kept separate and  
537 distinct from any other collateral pledged to secure other funds of the commonwealth.

538 (c) The director shall expend money from the trust fund to provide weekly benefits under  
539 section 3. Family and medical leave benefits shall be paid from the trust fund to covered  
540 individuals eligible for benefits. An employer's bankruptcy or noncompliance with this chapter  
541 shall not interfere with an employee's ability to collect family and medical leave benefits under  
542 this chapter. Family or medical leave benefits paid from the trust fund to such an employee may  
543 be recovered through bankruptcy proceedings or from the non-complying employer. The director  
544 shall institute administrative and legal action to recover family or medical leave benefits paid  
545 through the trust fund.

546 (d) To accumulate funds for the payment of family and medical leave benefits and  
547 administrative costs, employers, covered business entities and self-employed individuals shall,  
548 unless subject to provisions under section 11, make contributions as required under section 6 of  
549 this chapter, and transmit those contributions to the trust fund in the manner determined by the  
550 director.

551 (e) Annually, not later than October 1, the director shall fix the contribution rate set forth  
552 in subsection (a) of section 6 for the coming calendar year in the manner described in this  
553 subsection. The director shall first certify to the secretary of the executive office of labor and  
554 workforce development and publish, pursuant to section 6 of chapter 30A, the following  
555 information: (i) the total amount of benefits paid by the department during the previous fiscal  
556 year; (ii) the total amount remaining in the trust fund at the close of such fiscal year; (iii) the total  
557 amount equal to 140 per cent of the previous fiscal year's expenditure for benefits paid and for  
558 the administration of the department; (iv) the amount by which the total amount remaining in the  
559 trust fund at the close of the previous fiscal year is less than or greater than 140 per cent of the  
560 previous fiscal year's expenditure for benefits paid and for the administration of the department;  
561 and (v) the amount by which the contribution rate set forth in subsection (a) of section 6 shall be  
562 adjusted to ensure that the trust fund shall maintain or achieve an annualized amount of not less  
563 than 140 per cent of the previous fiscal year's expenditure for benefits paid and for the  
564 administration of the department. The contribution rate adjustment, if any, made as the result of  
565 the director's certification and report under this subsection shall supersede the rate previously set  
566 forth in subsection (a) of section 6, and shall become effective January 1 of the following  
567 calendar year.

568 Annually, not later than October 1, the director shall publish a report providing the  
569 following information concerning the family and medical leave program for the previous fiscal  
570 year: (i) total eligible claims; (ii) the percentage of such claims attributable to medical leave; (iii)  
571 the percentage of such claims attributable to family leave other than the birth, adoption or  
572 fostering of a child; (iv) the percentage of such claims attributable to family leave attributable to  
573 the birth, adoption or fostering of a child; (v) the percentage of such claims attributable to

574 military exigency leave; (vi) the percentage of such claims attributable to family leave for a  
575 covered service member; (vii) claimant demographics by age, gender, average weekly wage,  
576 occupation and the type of leave taken; (viii) the percentage of claims denied and the reasons  
577 therefore, including, but not limited to insufficient information and ineligibility and the reason  
578 therefore; (ix) average weekly benefit amount paid for all claims and by category of leaves; (x)  
579 changes in the gross benefits paid compared to previous fiscal years; (xi) processing times for  
580 initial claims processing, initial determinations and final decisions; (xii) average duration for  
581 cases completed; and (xiii) the number of cases remaining open at the close of such year.

582 (f) An employer, covered business entity or self-employed individual to whom the  
583 treasurer has sent a request for wage, earnings or employment information for an employee, or  
584 covered individual claiming family or medical leave benefits shall complete and file that  
585 information not later than 10 calendar days after the date the request was sent. If such employer,  
586 covered business entity or self-employed individual does not respond within those 10 calendar  
587 days, then such employer, covered business entity or self-employed individual may be held liable  
588 for any related costs incurred by the treasurer.

589 (g) The state treasurer may, from time to time, invest such monies in the trust fund as are  
590 in excess of the amount deemed necessary for the payment of benefits for a reasonable future  
591 period. Such monies may be invested in bonds of any political or municipal corporation or sub-  
592 department of the commonwealth, or any of the outstanding bonds of the commonwealth, or  
593 invested in bonds or interest-bearing notes or obligations of the commonwealth, or of the United  
594 States, or those for which the faith and credit of the United States are pledged for the payment of  
595 principal and interest, or in federal land bank bonds or joint stock farm bonds. The investments  
596 shall at all times be so made that all the assets of the trust fund shall always be readily

597 convertible into cash when needed for the payment of benefits. The state treasurer shall have the  
598 power to dispose of securities or other properties belonging to the trust fund when needed for the  
599 payment of benefits.

600 Section 8. (a) There shall be a department of family and medical leave within the  
601 executive office of labor and workforce development which shall be administered by a director  
602 appointed by the governor.

603 (b) The department shall pay medical leave benefits as specified by this chapter and  
604 family leave benefits to any covered individual for any of the following reasons: (i) to bond with  
605 the covered individual's child during the first 12 months after the child's birth or the first 12  
606 months after the placement of the child for adoption or foster care with the covered individual;  
607 (ii) because of any qualifying exigency arising out of the fact that a family member is on active  
608 duty or has been notified of an impending call or order to active duty in the Armed Forces; or  
609 (iii) in order to care for a family member who is a covered service member. The department, by  
610 regulation, shall set time standards for application processing which shall provide for notifying  
611 applicants of their eligibility or ineligibility for benefits under this chapter within 14 days of  
612 receiving an a claim under section 5 and shall pay benefits not less than 14 days after the  
613 eligibility determination unless that determination occurs more than 14 days before the onset of  
614 eligibility in which case benefits shall be paid as soon as eligibility begins. The department shall  
615 not require documentation of certification beyond the requirements established by this chapter.

616 (c) The department shall pay family leave benefits to any covered individual to care for a  
617 family member with a serious health condition as specified by this chapter. The department, by  
618 regulation, shall set time standards for application processing which shall provide for notifying

619 applicants within 14 days of their eligibility for benefits under this chapter and shall pay benefits  
620 not less than 14 days after the eligibility determination unless that determination occurs more  
621 than 14 days before the onset of eligibility in which case benefits shall be paid as soon as  
622 eligibility begins. The department shall not require documentation of certification beyond the  
623 requirements established by this chapter.

624 (d) The department shall notify the employer not more than 5 business days after a claim  
625 has been filed under section 5, and shall use information sharing and integration technology to  
626 facilitate the disclosure of relevant information or records with the written consent of the  
627 individual applying for benefits. The department shall establish by regulation a system for  
628 appeals, pursuant to chapter 30A, in the case of a denial of family or medical leave benefits. In  
629 establishing such system, the department shall provide for administrative review in an  
630 adjudicatory proceeding held pursuant to section 10 of chapter 30A and 801 CMR 1.02. Judicial  
631 review of any decision of the department rendered pursuant to administrative review under this  
632 subsection shall be commenced pursuant to the provisions of section 14 of chapter 30A, within  
633 30 days of the date of the receipt of the notice of such decision, except that such judicial review  
634 under this section shall be filed in the district court within the judicial district in which the  
635 covered individual lives, or is or was last employed, or in which the individual has a usual place  
636 of business, and in such proceeding, the department shall be made a defendant.

637 (e) Information contained in the files and records pertaining to an individual under this  
638 chapter are confidential and not open to public inspection, other than to public employees in the  
639 performance of their official duties; provided, however, that an individual or authorized  
640 representative of an individual may review the individual's records or receive specific

641 information from the records upon the presentation of the individual's signed and dated  
642 authorization, which shall remain in force and effect until revoked in writing by such individual.

643 (f) The department shall conduct a public education campaign to inform workers,  
644 employers, self-employed individuals and covered business entities about the availability of  
645 family and medical leave benefits, the requirements for receiving such benefits and family and  
646 medical leave, how to apply for such benefits and leave and all of the employer's and covered  
647 business entity's obligations under this chapter. The department shall prepare and disseminate  
648 model multilingual forms to be used by employers, covered business entities, employees and  
649 self-employed individuals in the languages required for the workplace notice under subsection  
650 (a) of section 4.

651 (g) The executive office of labor and workforce development shall be responsible for the  
652 enforcement of this chapter and shall promulgate rules and regulations pursuant thereto. An  
653 employer or covered business entity who fails or refuses to make contributions as required in  
654 section 6 shall be assessed 0.63 per cent of its total annual payroll for each year it so failed to  
655 comply, or fraction thereof, in addition to the total amount of benefits paid to covered individuals  
656 for whom it failed to make contributions. The rate of assessment imposed by this subsection  
657 shall be adjusted annually consistent with the provisions of subsection (a) of section 6 and  
658 subsection (e) of section 7.

659 (h) This act shall be liberally construed as remedial legislation to further its purpose of  
660 providing job-protected family and medical leave, and family and medical leave benefits. All  
661 presumptions shall be made in favor of the availability of leave and the payment of family and  
662 medical leave benefits under this chapter.

663 Section 9. (a) It shall be unlawful for any employer to retaliate by discharging, firing,  
664 suspending, expelling, disciplining, through the application of attendance policies or otherwise,  
665 threatening, or in any other manner discriminating against an employee for exercising any right  
666 to which such employee is entitled under this chapter or with the purpose of interfering with the  
667 exercise of any right to which such employee is entitled under this chapter.

668 (b) It shall be unlawful for any employer to retaliate by discharging, firing, suspending,  
669 expelling, disciplining, through the application of attendance policies or otherwise, threatening or  
670 in any other manner discriminating against an employee who has filed a complaint or instituted  
671 or caused to be instituted a proceeding under or related to this section, has testified or is about to  
672 testify in an inquiry or proceeding or has given or is about to give information connected to any  
673 inquiry or proceeding relating to this section.

674 (c) Any negative change in the seniority, status, employment benefits, pay or other terms  
675 or conditions of employment of an employee which occurs any time during a leave taken by an  
676 employee under this chapter, or during the 6 month period following an employee's leave or  
677 restoration to a position pursuant to this section, or of an employee who has participated in  
678 proceedings or inquiries pursuant to this section within 6 months of the termination of  
679 proceedings shall be presumed to be retaliation under this section. Such presumption shall be  
680 rebutted only by clear and convincing evidence that such employer's action was not retaliation  
681 against the employee and that the employer had sufficient independent justification for taking  
682 such action, and would have in fact taken such action, in the same manner and at the same time  
683 the action was taken, regardless of the employee's use of leave, restoration to a position, or  
684 participation in proceedings or inquiries as described in this subsection. An employer found to  
685 have threatened, coerced or taken reprisal against any employee pursuant to this subsection shall

686 rescind any adverse alteration in the terms of employment for such employee and shall offer  
687 reinstatement to any terminated employee and shall also be liable in an action brought under  
688 subsection (d).

689 (d) An employee or former employee aggrieved by a violation of this section or  
690 subsections (e) and (f) of section 2 of this chapter may, not more than 3 years after the violation  
691 occurs, institute a civil action in the superior court. A party to the action shall be entitled to a jury  
692 trial. All remedies available in common law tort actions shall be available to prevailing plaintiffs  
693 and shall be in addition to any legal or equitable relief provided in this section. The court may:  
694 (i) issue temporary restraining orders or preliminary or permanent injunctions to restrain  
695 continued violations of this section; (ii) reinstate the employee to the same position held before  
696 the violation or to an equivalent position; (iii) reinstate full fringe benefits and seniority rights to  
697 the employee; (iv) compensate the employee for 3 times the lost wages, benefits and other  
698 remuneration and the interest thereon; and (v) order payment by the employer of reasonable costs  
699 and attorneys' fees.

700 Section 10. A municipality, district, political subdivision or authority may adopt this  
701 chapter upon a majority vote of the local legislative body or the governing body. For the  
702 purposes of this section, a vote of the legislative body shall take place in a city by a vote of the  
703 city council subject to its charter, in a town by a vote at town meeting, for an authority by a vote  
704 of its governing body, in a district, by a vote of the district in a district meeting, and by any other  
705 political subdivision or instrumentality, by a vote of its legislative body in accordance with its  
706 charter or enabling act.

707           Section 11. (a)(1) Employers may apply to the department of family and medical leave  
708 for approval to meet their obligations under this chapter through a private plan. In order to be  
709 approved as meeting an employer’s obligations under this chapter, a private plan must confer all  
710 of the same rights, protections and benefits provided to employees under this chapter, including  
711 but not limited to: (i) providing family leave to a covered individual for the reasons defined in  
712 paragraph (1) of subsection (a) and subsection (b) of section 2 for the maximum number of  
713 weeks required in paragraph (1) of subsection (b) of this chapter, in a benefit year; (ii) providing  
714 medical leave to a covered individual for the reasons defined in paragraph (2) of subsection (a)  
715 of section 2 for the maximum number of weeks required in paragraph (2) of subsection (c) of  
716 section 2, in a benefit year; (iii) allowing covered individuals to take, in the aggregate, the  
717 maximum number of weeks of family and medical leave in a benefit year as required by  
718 paragraph (2) of subsection (c) of section 2; (iv) allowing family leave to be taken for all  
719 purposes specified in paragraph (1) of subsection (a) and subsection (b) of section 2; (v) allowing

726 intermittently or on a reduced schedule as authorized by paragraph (A) of paragraph (2) of  
727 subsection (c) of section 2; (x) imposing no additional conditions or restriction on the use of  
728 family or medical leave beyond those explicitly authorized by this chapter or regulations issued  
729 pursuant to this chapter; (xi) allowing any employee covered under the private plan who is

730 eligible to take family or medical leave under this chapter to take family or medical leave under  
731 the private plan; and (xii) providing that the cost to employees covered by a private plan cannot  
732 be greater than the cost charged to employees under the state program.

733 (2) In order to be approved as meeting an employer's obligations under this chapter, a  
734 private plan must also comply with the following provisions: (i) if the private plan is in the form  
735 of self-insurance, the employer must furnish a bond running to the commonwealth, with some  
736 surety company authorized to transact business in the commonwealth as surety, in such form as  
737 may be approved by the department and in such amount as may be required by the department;
