10 Section 42G. (a) Registration agencies required to provide voter registration services by  
11 section 1 of chapter 50, shall conduct voter registration in a manner that is as efficient,  
12 comprehensive and as automated as practicable. Registration agencies shall transmit each  
13 completed affidavit of voter registration to the board of registrars or election commission of the  
14 city or town where the registrant resides. The state secretary shall adopt regulations governing  
15 such transmission, which shall include, but not be limited to, provisions requiring electronic  
16 transmission, data security protocols and integration with the online portals established by  
17 section 33A. A registrant shall be deemed to be a registered voter at the time of completion of a  
18 signed affidavit at a registration agency or on the date that the affidavit of voter registration is  
19 postmarked or on the day that it is delivered by hand to the registrars.

20 (b) The state secretary shall enter into cooperative agreements with additional agencies of  
21 state government that agree to function as registration agencies. Such agreements shall provide  
22 that the state secretary shall conduct appropriate training of agency staff, shall provide all forms,  
23 material and equipment necessary to carry out voter registration activities, and shall have  
24 oversight responsibility to ensure proper compliance with applicable provisions of federal and  
25 state law.

26 SECTION 4. Said chapter 51 is hereby further amended by inserting after section 42G

30 provided they are state agencies.

31 (2) The state secretary shall determine that an agency collects “reliable citizenship  
32 information” if the agency, in the regular course of business for serving applicants:

33 (A) requests, in a clear, understandable and consistently stated manner, that customers  
34 affirm their citizenship status; and,

35 (B) collects a signed affirmation of citizenship status or documentary proof of citizenship  
36 status such that records of citizens are segregable from non-citizens.

37 (b)(1) The state secretary shall enter into memoranda of understanding with the registry  
38 of motor vehicles and MassHealth to serve as automatic voter registration agencies. The state  
39 secretary may enter into memoranda of understanding with state agencies that collect reliable  
40 citizenship information for all applicants if the state secretary determines that enabling the  
41 agency to serve as an automatic voter registration agency will materially increase voter  
42 registration or the accuracy of the register of voters. Any such memorandum of understanding  
43 between the state secretary and an automatic voter registration agency shall provide that the state  
44 secretary shall conduct appropriate training of agency staff, shall provide all forms, material and  
45 equipment necessary to carry out voter registration activities and shall have oversight  
46 responsibility to ensure proper compliance with applicable provisions of federal and state law;

68 register of voters, pursuant to clause (4) of subsection (d) of said section 65. Each automatic  
69 voter registration agency shall provide notice to each applicant:

70 (1) explaining that the agency application shall serve as an attestation to eligibility and an  
71 application to register to vote unless the person declines to be registered;

72 (2) informing the applicant of eligibility requirements to register to vote; and

73 (3) advising the applicant that non-citizens are ineligible to register, and they must  
74 decline unless they are US citizens and otherwise eligible.

75 (e) For each applicant that has not declined to be registered to vote, automatic voter  
76 registration agencies shall transmit electronic records containing the legal name, age, residence,  
77 citizenship information and electronic signature of each person who meets qualifications to  
78 register to vote as set forth by section 1, or to pre-register to vote as set forth in section 47A, as  
79 soon as practicable but within 5 calendar days after receipt of this information, to the board of  
80 registrars or election commission of the city or town in which the person resides in a manner  
81 prescribed by the state secretary. Automatic voter registration agencies shall not transmit records  
82 that contain: (i) a home address designated as confidential pursuant to section 8 of chapter 9A, or  
83 (ii) any record that does not clearly and consistently indicate that the applicant meets the  
84 eligibility requirements to vote.

85 (f) The state secretary shall adopt regulations governing the collection and transmission  
86 of personal information under this subsection, which shall include, but not be limited to,  
87 provisions requiring automatic voter registration agencies to:

88 (1) employ the most cost-effective forms of transmission;

89 (2) implement measures to secure information such as encryption in order to prevent  
90 security breaches and the unauthorized use of personal information as required under section 3 of  
91 chapter 93H;

92 (3) implement measures for reporting security breaches or the unauthorized use of  
93 personal information as required under section 3 of chapter 93H;

94 (4) provide protections against disclosure of confidential information, including home

100 registration is available in all languages as required by the Voting Rights Act and all languages  
101 the agency offers or provides services in.

102 (g) Nothing in this subsection shall prevent an automatic voter registration agency from  
103 establishing and enforcing additional security measures to protect the confidentiality and  
104 integrity of inter-agency data transfers.

136 sections 37, 38, 47B, 48 and 49 to ensure that the names of persons who are ineligible to vote do  
137 not appear on the register of voters.

161           (6) If the information transmitted under section 42G 1/2 is for a person whose name is  
162 already included in the register of voters, and if the information indicates a subsequent change to

183 of voter registration. The state secretary shall also study and include within the annual report  
184 recommendations to strengthen and clarify automatic voting requirements as they pertain to
