SENATE No. 107

By Mr. Cyr, a petition (accompanied by bill, Senate, No. 107) of Julian Cyr, Timothy R. Whelan and Sarah K. Peake for legislation relative to disclosure of radiofrequency notifications. Consumer Protection and Professional Licensure.

The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act relative to disclosure of radio frequency notifications.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 The General Laws are hereby amended by adding after chapter 93K the following
2 chapter:-

3 CHAPTER 93L. Consumer notice regarding the safe operation of mobile telephones

4 Section 1. If a cellular telephone manufacturer includes safety notifications in or on the
5 owner's manual, or other packaging, of any product intended for eventual retail sale regarding (a)
6 exposure to radio frequency energy, (b) compliance with regulatory requirements concerning
7 radio frequency energy, or (c) instructions or precautions that reference a minimum distance
8 between any person and the cellular telephone during operation of the cellular telephone, then
9 the cellular telephone manufacturer shall ensure that:

10 (1) the full language of the safety notifications is plainly visible on the outside of the
11 product packaging; or

12 (2) a label is plainly visible on the outside of the product packaging directing customers
13 to the safety notifications within the manual.

14 Section 2. The safety notice required under section 1 of this chapter shall be in letters not
15 less than 1/16 inch in height. The initial words "NOTICE" must appear in capital letters and in
16 bold type at least 1/8 inch in height, followed by either the full language of the safety
17 notifications or language directing the user to the safety notifications within the owner's manual
18 or other packaging.
