An Act relative to window guards in residential rental properties.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 1: Chapter 143 of the General Laws, as appearing in the 2014 Official Edition, is  
2 hereby amended by adding the following section after section 3R:

3           SECTION 3R 1/2: WINDOW GUARDS IN RESIDENTIAL RENTAL PROPERTIES

4           (a) Definitions. As used in this section:

5           (1) The term “child” means any individual ten years of age or under.

6           (2) The term “Department” means the Department of Public Safety.

7           (3) The term “landlord” means the owner of a multiple dwelling.

8 (4) The term “lease” means the lease agreement, rental agreement, or any other document  
9 legally formalizing the rental arrangement between the landlord and tenant.

10 (5) The term “multiple dwelling” has the meaning assigned to it in Chapter 151B Section  
11 1.11.

12 (6) The term “tenant” means the lessee or other occupant residing within a dwelling unit  
13 of a multiple dwelling, regardless of whether the occupant is a party to the lease.

14 (7) The term “window guard” means a bar, screen, or grille assembly installed in a  
15 window for the purpose of preventing a child from accidental falling out of the window, in  
16 accordance with the regulations promulgated by the Department.

17 (8) The term “applicable window” means any window greater than six feet above grade  
18 that is also capable of opening sufficiently to allow a five inch diameter ball to pass through and  
19 is not connected to a fire escape.

20 (b) Installation.

21 (1) The landlord or his agent, at the request of a tenant with a child, shall install and  
22 maintain window guards on all applicable windows in the tenant’s unit. The landlord or his  
23 agent, at the further request of a tenant with a child, shall install and maintain window guards on  
24 all applicable windows in the common area of the multiple dwelling accessible by the tenant  
25 without having to leave and reenter the building.

26 (2) Each window guard installed pursuant to subsection 1 shall be designed, constructed,  
27 and installed so that it may not deliberately or through accident, ignorance, or inadvertence, be  
28 removed, opened, or dislodged without the use of a key or tool. The key or tool shall remain in

29 the possession of the landlord or his agent. Each window guard installed on a window connected  
30 to a fire escape shall be releasable or removable from the inside without use of a key, tool, or  
31 excessive force.

32 (3) The Department shall promulgate rules and regulations regarding the design,  
33 installation, yearly inspection, and maintenance of window guards.

34 (c) Notice.

35 (1) At the beginning of the tenancy, and at least annually thereafter, the landlord or his  
36 agent shall provide the tenant with a notice, in accordance with subsection 2, of the tenant's right  
37 to have window guards installed.

38 (2) The notice shall be in paper format and contain the following text prominently  
39 displayed in the lease in no less than 10 point type: "Parents with children under the age of 10  
40 have the right, at no additional charge, to have window guards installed within the rented  
41 apartment and the common areas of the building, to prevent children from accidentally falling  
42 out of the window." The landlord or his agent shall also give similar oral notice to the tenant at  
43 the beginning of the tenancy.

44 (3) The Department shall promulgate rules and regulations to establish a yearly training  
45 program for landlords and tenants. The Department shall also promulgate rules and regulations to  
46 establish the necessary training that the landlord or his agent shall provide to a tenant upon  
47 installation of a window guard within the tenant's unit and upon a tenant beginning a lease in a  
48 multiple dwelling with window guards preinstalled.

49 (d) Prohibitions.

50 (1) The owner, lessee, sublessee, assignee or managing agent of multiple dwelling, or  
51 other person having the right of ownership or possession or right to rent, lease, or sell, or  
52 negotiate for the sale or lease of such land or accommodations, or any agent or employee of such  
53 a person, shall not:

54 (i) Charge a tenant requesting window guards any additional rent or fees that a tenant not  
55 requesting window guards would be charged.

56 (ii) Communicate or indicate to the tenant in any way that the installation of window  
57 guards is dependent upon additional payment by the tenant.

58 (iii) Impose any type of pre-condition or psychological deterrent, preliminary to  
59 installation of window guards.

60 (iv) Discriminate against a tenant exercising the right to have window guards installed in  
61 any way, including the terms, conditions or privileges of such accommodations or land or the  
62 acquisition thereof or renewal of the lease, or in the furnishing of facilities and services in  
63 connection therewith.

64 (2) No occupant of a multiple dwelling, or any other person, shall obstruct or interfere  
65 with the installation of window guards, nor shall any person remove or otherwise render  
66 ineffective window guards, provided, however, that the landlord or his agent may remove  
67 window guards from an unoccupied unit or with the written consent of the tenant.

68 (3) The Department shall, within a reasonable period of time, investigate complaints filed  
69 with regard to a violation under this section, and may impose up to a \$5,000 civil penalty for a  
70 violation not remedied within ten business days.
