5           services to the United States. Such creditable service shall not be construed to include service for  
6           more than four years provided further, that such creditable shall not be allowed for any period of

9           exceed the eighty percent allowed to retire. This act shall apply to Massachusetts National  
10          Guard and Active Reserve personnel, both former and present. Creditable service time, both

11 enlisted and commissioned may be applied toward retirement on a ratio of five years guard  
12 service or five years active reserve service substitutable for each year of active service.

13 SECTION 2. For the retirement system of any political subdivision, the provisions of this  
14 act shall take effect on the effective date of this act by majority vote of the board of such system  
15 and by the local legislative body. For the purposes of this paragraph local Legislative body shall  
16 mean a town meeting for a town system, the city council subject to the provisions of its charter  
17 for a city system, the county commissioners for a county system, the district members for a

21 creditable service under this act shall become eligible for said creditable service the month

23 have the same meaning as those terms defined in section one of chapter thirty-two of the General  
24 Laws.
