The Commonwealth of Massachusetts

In the One Hundred and Ninetieth General Court
(2017-2018)

An Act to increase container recycling in the Commonwealth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 94 of the General Laws is hereby amended in section 321 by
2 striking lines 4 through 7, inclusive, and inserting in place thereof the following:-

3 "Beverage", soda water or similar carbonated soft drinks, noncarbonated non-alcoholic
4 beverages in liquid form intended for human consumption, mineral water, beer, and other malt
5 beverages. This definition excludes beverages that are primarily derived from dairy products,
6 infant formula, united states food and drug administration-approved medicines, wine, and
7 alcoholic beverages other than beer and malt beverages as defined in chapter one hundred and
8 thirty-eight.

SECTION 2. Said section 321 is hereby further amended by striking lines 24 and 25, and inserting in place thereof the following:-

“Diversion rate”, the percent rate of empty non-deposit containers which are separated from the waste stream and are intended to be reused or recycled, as determined by the executive office of environmental affairs.

“Label”, a molded imprint or raised symbol on or near the bottom of a plastic product.

“Non-deposit container”, any sealable bottle, can, jar or carton not subject to Section 322 which is primarily composed of glass, metal, plastic or any combination of those materials and is produced for the purpose of containing any liquid intended for human consumption, excluding dairy products, infant formula, united states food and drug administration-approved medicines, wine and alcoholic beverages other than beer and malt beverages as defined in chapter one hundred and thirty-eight.;

and is hereby further amended in line 31, by inserting at the end thereof the following:-

“Redemption rate”, the per cent rate of beverage containers that are redeemed for their deposits, as determined by the executive office of environmental affairs.

SECTION 3. Chapter 94 of the General Laws is hereby amended by inserting after section 326 the following new section:-

Section 326A (a) The secretary shall establish, not later than the first day of January, 2019, a process for determining the diversion rate and the redemption rate. The secretary may establish any guidelines or regulations necessary or expedient to determine these rates.

(b) Not later than the final day of December, 2019, the secretary of environmental affairs shall determine the diversion rate and the redemption rate for calendar year 2018. In each subsequent year, the secretary shall determine the diversion rate and redemption rate for the foregoing year.

(c) If, by December 31, 2023, the mean diversion rate for any two year period is found by the secretary to be equal to or greater than the mean redemption rate in the corresponding two year period, then this section shall be repealed.

SECTION 4. Section 1 of this act shall take effect on July 1, 2024; provided, however, that if the secretary has determined the redemption rate and diversion rate to have equalized under subsection (c) of section 326A of chapter 94, then Section 1 will not go into effect.

SECTION 5. The remainder of this act shall take effect on December 31, 2017.
