An Act relative to net metering.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 139 of chapter 164 is hereby amended by striking out subsection (f) and inserting  
2 in place thereof the following subsection:- (f) No aggregate net metering cap shall apply to solar  
3 net metering facilities with the exception that the maximum amount of generating capacity  
4 eligible for net metering by a municipality or other governmental entity shall be 10 megawatts.
