The Commonwealth of Massachusetts

In the One Hundred and Ninetieth General Court
(2017-2018)

Resolve for memorializing the Massachusetts Delegation, and the United States Congress, on the need for general support of NATO.

1 ~~Resolved~~, 1.) The Great and General Court of Massachusetts, hereby Resolves that we
2 generally support, the long-established membership of The United States, as a member state, of
3 NATO, the North Atlantic Treaty Organization. Since its founding in 1949, it has grown, helped
4 to secure the peace of the North Atlantic, and much of Europe, and expanded freedom across
5 many countries.

6 2.) Many of our NATO allies, have fought together with us, in recent, and ongoing
7 conflicts, and have provided significant assistance to us, in our ongoing war against terrorism.

8 3.) It is in the interests of keeping peace, and expanding freedom, that The United States
9 remain active, and supportive of NATO, and Massachusetts wishes to go on record, as
10 supporting those efforts.
