172 understood notification of the student's or employee's rights and options under the institution's  
173 dating violence, domestic violence, sexual assault or stalking policies to the reporting party and  
174 the responding party, when feasible.

175 (h) An institution of higher education shall enter into and maintain a memorandum of

195           The department of higher education may grant a waiver of the memorandum of  
196 understanding requirement to an institution that demonstrates that the institution acted in good  
197 faith but was unable to obtain a signed memorandum.

198           (i) An institution of higher education shall provide a method for anonymously reporting  
199 an incident of dating violence, domestic violence, sexual assault or stalking that involves a  
200 student or employee of the institution. An institution shall notify its students and employees of  
201 the institution's obligations under state and federal law to: (i) investigate or address the alleged  
202 dating violence, domestic violence, sexual assault or stalking, including when the alleged act was  
203 reported anonymously; (ii) assess whether the report triggers the need for a timely warning or  
204 emergency notification under 34 CFR 668.46(e), the obligations of which may, in limited  
205 circumstances, result in the release of the reporting party's identity; and (iii) disclose the identity  
206 of a reporting party to another student, an employee or a third party.

207           (j) A reporting party or a witness that causes an investigation of dating violence, domestic  
208 violence, sexual assault or stalking shall not be subject to a disciplinary sanction for a violation  
209 of the institution's student conduct policy related to the incident unless the institution determines

210 that the report was not made in good faith or that the violation was egregious. An egregious  
211 violation shall include, but not be limited to, taking an action that places the health and safety of  
212 another person at risk.

213 (k) Each institution of higher education shall establish a campus security policy that  
214 includes the designation of at least 1 confidential resource advisor. The confidential resource  
215 advisor may have another role at the institution; provided, however, that the confidential  
216 resource advisor shall not be an employee designated as a responsible employee or a student or a  
217 Title IX coordinator.

218 The institution shall designate existing categories of employees that may serve as  
219 confidential resource advisors. The designation of an existing category of employees shall not  
220 preclude the institution from designating a new or existing employee or partnering with a local,  
221 state or national victim services organization to serve as a confidential resource advisor or to  
222 serve in another confidential role. An institution may partner with an outside victim advocacy  
223 organization to provide a confidential resource advisor under this section. An institution that  
224 enrolls less than 1,000 students may partner with another institution in the region or within the

231 institution; and (vi) the legal process carried out through local law enforcement agencies. The  
232 confidential resource advisor shall receive training in the awareness and prevention of dating  
233 violence, domestic violence, sexual assault and stalking and in trauma-informed response and  
234 coordinate with on-campus and off-campus sexual assault crisis service centers and, if directed  
235 by the reporting party, campus or local law enforcement agencies may, as appropriate, assist the  
236 student in contacting or reporting to campus or local law enforcement agencies. If requested by  
237 the reporting party, the confidential resource advisor, using only the reporting party's identifying  
238 information, shall coordinate with the institutional designee to arrange possible interim

239 protective measures to allow the reporting party to change academic, living, campus  
240 transportation or working arrangements in response to the alleged assault, stalking or violence.  
241 Confidential resource advisors shall not provide services to more than 1 student in an incident  
242 and shall ensure confidentiality is maintained.

243 The confidential resource advisor shall also notify the reporting party of their rights and  
244 the institution's responsibilities regarding a protection order, no contact order and any other  
245 lawful orders issued by the institution or by a criminal, civil or tribal court. The  
246 confidential resource advisor shall not be required to report an incident to the institution or a law  
247 enforcement agency unless otherwise required to do so by state or federal law and shall provide  
248 confidential services to students and employees. A request for a possible interim protective  
249 measure made by a confidential resource advisor on behalf of a reporting party to change an  
250 academic, living, campus transportation or working situation in response to alleged dating  
251 violence, domestic violence, sexual assault or stalking shall not constitute notice to a responsible  
252 employee for Title IX purposes.

253 The website of an institution of higher education shall list: (i) reporting options for  
254 students; (ii) the process of investigation and adjudication by the institution; and (iii) the process  
255 for requesting a possible interim protective measure, when reasonable and available, to change  
256 an academic, living, campus transportation or working situation in response to alleged dating  
257 violence, domestic violence, sexual assault or stalking.

258 If a conflict of interest arises for an institution in which a confidential resource advisor is  
259 advocating for the reporting party's need for sexual assault crisis services or campus or law  
260 enforcement services, the institution shall not discipline, penalize or otherwise retaliate against  
261 the confidential resource advisor for representing the interest of the student.

262 A confidential resource advisor may attend an administrative or institution-based  
263 adjudication proceeding as the advisor or support person of the student's choice.

264 Unless otherwise required by state or federal law, a confidential resource advisor shall  
265 not disclose confidential information without the prior written consent of the reporting party who  
266 shared the information; provided, however, that nothing in this section shall be construed to limit

267 a defendant's right of cross examination of the advisor in a civil or criminal proceeding if the  
268 advisor testifies after written consent has been given. A confidential communication shall not be  
269 subject to discovery and shall be inadmissible in a criminal or civil proceeding without the prior  
270 written consent of the reporting party who shared the information. Information provided to the  
271 confidential resource advisor shall not be released to a campus official or law enforcement  
272 officer or agency unless written consent has been given by the reporting party. A confidential  
273 resource advisor shall not act as a counselor or therapist unless the confidential resource advisor  
274 holds a valid license under chapter 112 and the reporting party engages the confidential resource  
275 advisor in that capacity. The privileges available under chapter 233 shall apply to all information  
276 received by a confidential resource advisor.

277 (l) An institution of higher education shall provide: (i) mandatory annual dating violence,  
278 domestic violence, sexual assault and stalking primary prevention and awareness programming  
279 for newly-enrolled students and newly-hired employees of the institution that includes: (1) an  
280 explanation of consent in a sexual relationship; (2) the role drugs and alcohol play in an  
281 individual's ability to consent; (3) information on options relating to the reporting of an incident  
282 of dating violence, domestic violence, sexual assault or stalking, the effects of each option and  
283 the methods to report an incident of dating violence, domestic violence, sexual assault or  
284 stalking, including confidential and anonymous disclosure; (4) the name, contact information and  
285 role of the confidential resource advisor; and (5) strategies for bystander intervention and risk  
286 reduction; and (ii) opportunities for ongoing dating violence, domestic violence, sexual assault  
287 and stalking prevention and awareness campaigns and programming.

288 (m) Notice to a confidential resource advisor of an alleged act of sexual assault, domestic  
289 violence, dating violence or stalking or a confidential resource advisor's performance of a  
290 service under this section shall not be considered actual or constructive notice of such an alleged  
291 act to the institution of higher education at which the confidential resource advisor is employed  
292 or provides contracted services.

293 (n) Each institution of higher education shall employ responsible employees as defined in  
294 subsection (a) who shall be responsible for reporting cases of dating violence, domestic violence,  
295 sexual assault and stalking to the Title IX coordinator of the institution. Responsible employees

296 shall report the name of the respondent, the name of reporting party, and the date, time and  
297 location of the offense, if known, to the Title IX coordinator. Responsible employees shall  
298 complete minimum training requirements as determined by the department of higher education in  
299 coordination with the attorney general and shall include training by a local, state or national  
300 victim services organization. Responsible employees shall provide a student or employee who  
301 reports an incident of dating violence, domestic violence, sexual assault or stalking, whether the  
302 offense occurred on campus or off campus, with a written explanation of the student's or  
303 employee's rights and options pursuant to section 168D of chapter 6.

304 (o) An individual who participates in the implementation of an institution of higher  
305 education's disciplinary process, including an individual responsible for resolving complaints of  
306 reported incidents, shall have training or experience in handling dating violence, domestic  
307 violence, sexual assault and stalking complaints and the operations of the institution's  
308 disciplinary process. The training shall include, but not be limited to: (i) information on working  
309 with and interviewing persons subjected to dating violence, domestic violence, sexual assault or  
310 stalking; (ii) information on particular types of conduct that constitute dating violence, domestic  
311 violence, sexual assault and stalking, including same-sex dating violence, domestic violence,

321 and stalking may impact students with developmental or intellectual disabilities.

322 (p) Each institution of higher education shall ensure that its Title IX coordinator and  
323 members of its special or campus police force or the campus safety personnel employed by the  
324 institution are educated in the awareness and prevention of dating violence, domestic violence,  
325 sexual assault and stalking and in trauma-informed response.

326 (q) Notwithstanding any general or special law to the contrary, a member of the  
327 department of state police or a local police department who acts as a first responder to a report of
