

SENATE No. 2279

The Commonwealth of Massachusetts

In the One Hundred and Ninetieth General Court
(2017-2018)

SENATE, Thursday, February 1, 2018

The committee on Ways and Means, to whom was referred the House Bill providing for capital facility repairs and improvements for the Commonwealth (House, No. 4045) (the committee on Bonding, Capital Expenditures and State Assets having recommended that the bill be amended by striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 2244); reports, recommending that the same ought to pass with an amendment striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 2279. [Bond authorization: \$3,546,000,000]

For the committee,
Karen E. Spilka

The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

1 SECTION 1. To provide for a program to protect, repair and improve the capital
2 facilities of the commonwealth and for a program of capital asset acquisitions, dispositions and
3 other improvements for general government operations, the sums set forth in sections 2, 2A, 2B
4 and 2C, inclusive, for the several purposes and subject to the conditions specified in this act are
5 hereby made available, subject to the laws regulating the disbursement of public funds, which
6 sums shall be in addition to any other amounts previously appropriated for these purposes.

7 SECTION 2.

EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

Division of Capital Asset Management and Maintenance

8 1102-2017 For costs associated with planning and studies, dispositions, acquisition of
9 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
10 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
11 of the General Laws, for the preparation of plans and specifications, disparity studies, repairs,
12 construction, renovations, improvements, asset management, accessibility improvements,
13 demolition, disposition and remediation of state-owned and former county facilities and grounds
14 and for costs associated with repair and maintenance of buildings and building systems and

15 equipment at various facilities of the commonwealth; provided, that any federal reimbursement
16 received by a state agency in connection with projects funded from this item may be retained by
17 the executive office for administration and finance and expended for the purposes of the project,
18 without further appropriation, in addition to the amounts appropriated in this item; provided
19 further, that all maintenance and repair work funded in this item shall be listed in the capital asset
20 management information system administered by the division of capital asset management and
21 maintenance; provided further, that where appropriate, the commissioner of capital asset
22 management and maintenance may transfer funds authorized in this item in accordance with a
23 delegation of project control and supervision process pursuant to section 5 of chapter 7C of the
24 General Laws; provided further, that funds so transferred shall be distributed based on the
25 severity of the need that the repair shall address and other criteria developed by the division, in
26 consultation with the secretary of administration and finance; provided further, that \$1,000,000
27 shall be expended for repairs and improvement of the state highway route 146 pedestrian bridge
28 at the Blackstone Heritage Corridor visitor center in the city of Worcester; provided further, that
29 \$5,000,000 shall be expended for the repairs, renovations and improvements to the Turnure
30 Terrace building and for the acquisition, design and construction of new senior and low-income
31 family housing in the town of Lenox; provided further, that \$3,000,000 shall be expended for
32 improvements at Smith Vocational and Agricultural high school in the city of Northampton;
33 provided further, that \$1,500,000 shall be expended for structural analysis and construction
34 upgrades of the old comfort station building owned by the department of conservation and
35 recreation located on the Neponset river greenway walking and bike path in the Mattapan square
36 neighborhood in the Mattapan section of the city of Boston to improve the building so that the
37 department may advertise the space for lease for a small business which will benefit the

38 surrounding community including, but not limited to, a coffee shop, an ice cream shop or a bike
39 shop; provided further, that \$500,000 shall be expended for the drafting and creation of a plan for
40 infrastructure, improvement and future public access to the Neponset river alongside the property
41 owned by the department of conservation and recreation on Edgewater drive in the Mattapan
42 section of the city of Boston; provided further, that \$5,000,000 shall be expended to rebuild the
43 department of conservation and recreation’s Metropolis ice rink in the town of Canton; provided
44 further, that \$1,000,000 shall be expended for the repairs and improvements to the stone cottage
45 location at High Rock Tower reservation in the city of Lynn; provided further, that \$1,000,000
46 shall be expended for the renovation and improvement of the Connery memorial rink in the city
47 Lynn; and provided further, that \$100,000 shall be expended for the renovation and improvement
48 of the Lynn Heritage State Park visitor center in the city of Lynn\$680,000,000

49 4000-2025 For costs associated with planning and studies, dispositions, acquisition of
50 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
51 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
52 of the General Laws, for the preparation of plans and specifications, repairs, construction,
53 renovations, improvements, modernization, construction, reconstruction, furnishing, equipping,
54 acquiring, remodeling, refurbishing, asset management, accessibility improvements, demolition,
55 disposition and remediation of facilities and grounds operated by the various departments within
56 the executive office of health and human services, all as the commissioner of capital asset
57 management and maintenance, in consultation with the secretary of health and human services
58 and the appropriate commissioners of the departments within the executive office, shall consider
59 appropriate; provided, that costs payable from this item shall include, but not be limited to, the
60 costs of leases of temporary relocation space or equipment as required for completion of a

61 project; provided further, that any federal reimbursement received by a state agency including,
62 but not limited to, projects related to the provision of health care, human services and veterans’
63 services in connection with projects funded from this item may be retained by the executive
64 office for administration and finance and expended for the purposes of the project, without
65 further appropriation, in addition to the amounts appropriated in this item; provided further, that
66 \$13,000,000 shall be expended for air conditioning, mechanical ventilation, roof replacement
67 and other necessary upgrades at the Western Massachusetts Hospital in the city of Westfield;
68 provided further, that funds shall be expended for the design, construction and relocation of the
69 department of youth services Paul T. Leahy Center in the city of Worcester; provided further,
70 that \$30,000,000 be expended for the cost associated with the repair, renovation or construction
71 of a skilled nursing facility, or a facility of last resort, for adults diagnosed with a disability or
72 mental health issues; provided further, that such facility shall maintain at least 70 per cent of its
73 beds for medically-involved, mentally ill individuals; provided further that MassHealth shall
74 determine a rate structure for the facility that reflects medically-appropriate care; and provided
75 further, that \$20,000,000 shall be made available for critical systems improvements at the
76 Taunton State Hospital in the city of Taunton\$401,000,000

77 7066-2018 For the costs associated with the plans and specifications, planning and
78 studies, repairs, construction, reconstruction, demolition, remediation, rehabilitation,
79 modernization, disposition, renovations, improvements and maintenance at state universities and
80 community college campus facilities and grounds; provided, that projects approved for design
81 and construction by the division of capital asset management and maintenance shall be consistent
82 in priority and need with regional capital master plans developed by the division of capital asset
83 management and maintenance, in consultation with the presidents of the state universities and

84 community colleges and approved by the board of higher education; provided further, that all
85 maintenance and repair work funded by this item shall be included in the capital asset
86 management information system administered by the division of capital asset management and
87 maintenance; provided further, that \$2,500,000 shall be expended for the deferred maintenance
88 of North Shore Community College; provided further, that \$6,000,000 shall be expended for
89 improvements to the Whittemore Library at Framingham State University; provided further, that
90 \$3,300,000 shall be expended for renovations to Crocker Hall at Framingham State University;
91 and provided further, that \$41,000,000 shall be expended for a new science building and to
92 renovate the existing science center at Cape Cod Community College and to modernize and
93 renovate other existing facilities at Cape Cod Community College.....\$475,000,000

94 7100-1001 For the costs associated with planning and studies, dispositions, acquisitions
95 of land and buildings and interests therein by purchase or by eminent domain under chapter 79 of
96 the General Laws, for the preparation of plans and specifications, repairs, construction,
97 renovations, improvements, maintenance and repair, asset management and demolition at the
98 University of Massachusetts campus facilities and grounds; provided, that all projects approved
99 for design and construction by the division of capital asset management and maintenance shall be
100 consistent in priority and need with a capital master plan approved by the president and the board
101 of trustees of the University of Massachusetts; provided further, that all maintenance and repair
102 work funded by this item shall be included in the capital asset management information system
103 administered by the division of capital asset management and maintenance; and provided further,
104 that \$15,000,000 shall be expended for capital improvements at the University of Massachusetts
105 at Lowell.....\$475,000,000

106 8000-3502 For costs associated with planning and studies, dispositions, acquisition of
107 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
108 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
109 of the General Laws, for the preparation of plans and specifications, repairs, construction,
110 renovations, improvements, remediation, rehabilitation, modernization and demolition for public
111 safety and security facilities, all as the commissioner of capital asset management and
112 maintenance, in consultation with the secretary of public safety and security and the appropriate
113 commissioners of the departments within the executive office, shall consider appropriate;
114 provided, that costs payable from this item shall include, but not be limited to, the costs of leases
115 of temporary relocation space or equipment as required for completion of a project; provided
116 further, that \$25,000,000 shall be expended for the construction of a new public safety center in
117 the city of Lawrence; provided further, that \$45,000,000 shall be expended for the purpose of
118 designing, constructing, originally equipping and furnishing a new police headquarters in the city
119 of Springfield; provided further, that \$25,000,000 shall be expended for the acquisition of land
120 and construction of a new public safety building in the town of Ashland; provided further, that
121 \$9,000,000 shall be expended for the development and construction of a public safety complex in
122 the town of Princeton; provided further, that \$1,000,000 shall be expended for the repair and
123 rehabilitation of fire stations in the city of Lynn; provided further, that \$3,000,000 shall be
124 expended for the design, rehabilitation or construction of a fire station in the town of Nahant; and
125 provided further, that \$10,000,000 shall be expended for construction of a public safety complex
126 in the city of Medford.....\$500,000,000

127 SECTION 2A.

Division of Capital Asset Management and Maintenance

JUDICIARY

Trial Court

128 1102-5700 For capital needs at court facilities including, but not limited to, expenditures
129 for the planning, design and acquisition of land and buildings and interests therein by purchase,
130 lease for a term, including any extensions, not to exceed 50 years, gift or other transfer or by
131 eminent domain under chapter 79 of the General Laws, the preparation of plans and
132 specifications, the construction, renovation, reconstruction, alteration, improvement, demolition,
133 expansion, repair and improvements, including equipment and temporary relocation costs, as
134 needed for priority projects identified by the division of capital asset management and
135 maintenance and the administrative office of the trial court including, but not limited to, projects
136 identified in the Courts Capital Master Plan released in April 2017, for building repairs necessary
137 to correct unsafe and overcrowded conditions, for the remediation of life safety code violations,
138 for the remediation of access code and civil rights violations, for the remediation of
139 environmental hazards and for security improvements and other necessary repairs at court
140 facilities owned by the commonwealth or by a political subdivision of the commonwealth;
141 provided, that costs payable from this item shall include, but not be limited to, the costs of
142 engineering and other services essential to these projects rendered by the division of capital asset
143 management and maintenance employees or by consultants; provided further, that the amounts
144 expended for division employees may include the salary and salary-related expenses of these
145 employees to the extent that they work on or in support of these projects; provided further, that
146 \$150,000,000 shall be expended for the cost of reconstruction or replacement of court facilities
147 located in the city of Quincy; provided further, that \$4,500,000 shall be expended to determine

148 the scope, square footage and cost of replacement for a new Suffolk county high rise court
149 house; provided further, that \$500,000 shall be expended for a feasibility study to determine the
150 scope of a southern Middlesex facility; provided further, that \$30,000,000 shall be expended for
151 the costs of modernizing the court facility in the city of Malden to address the envelope, life
152 safety, holding and security, mechanical, electrical and plumbing systems and cross circulation;
153 provided further, that \$45,000,000 shall be expended for the modernization of Brockton superior
154 court to address envelope, life safety, holding and security, mechanical, electrical and plumbing
155 systems and cross circulation; provided, further, that \$40,000,000 shall be expended for
156 modernization of the court facility located in the city of Lynn to address life safety, holding and
157 security, mechanical, electrical and plumbing systems and cross circulation; provided further,
158 that \$20,000,000 shall be expended for modernization of the court facility located in the city of
159 Attleboro to address life safety, holding and security, mechanical, electrical and plumbing
160 systems and cross circulation; provided further, that \$20,000,000 shall be expended for
161 modernization of the court facility located in the city of Northampton to address life safety,
162 holding and security, mechanical, electrical and plumbing systems and cross circulation;
163 provided further, that \$20,000,000 shall be expended for upgrades at the district court of
164 Fitchburg; provided further, that \$20,000,000 shall be expended for renovations and construction
165 at the first district court of southern Middlesex; provided further, that \$12,000,000 shall be
166 expended for capital improvements to the East Boston division of the Boston municipal court;
167 provided further, that \$12,000,000 shall be expended for costs of renovations at the district court
168 of central Berkshire, held at Pittsfield; provided further, that \$15,000,000 shall be expended for
169 renovations at the second district court of Plymouth, held at Hingham; provided further, that
170 \$7,000,000 shall be expended for the renovation of the district court of central Middlesex, held at

171 Concord; provided further, that \$15,000,000 be expended for renovations at the first district court
172 of southern Worcester; provided further, that \$12,000,000 shall be expended for the costs of
173 renovations at the fourth district court of Plymouth, held at Wareham; provided further, that
174 \$10,000,000 shall be expended for renovations at the third district court of eastern Middlesex,
175 held at Cambridge; provided further, that \$8,000,000 shall be expended for renovations at the
176 West Roxbury division of the Boston municipal court; provided further, that \$8,000,000 shall be
177 expended for renovations at the South Boston division of the Boston municipal court; provided
178 further, that \$23,000,000 shall be expended for roof, masonry or windows at the Roderick L.
179 Ireland courthouse, Pittsfield superior court, Lawrence superior court, district court of Holyoke,
180 the fourth district court of eastern Middlesex, held at Woburn and Northampton superior court;
181 provided further, that not less \$2,000,000 shall be expended for life safety and fire alarms
182 systems at the district court of northern Norfolk, held at Dedham; provided further, that
183 \$5,000,000 shall be expended for mechanical, electrical and plumbing systems and boilers and
184 controls at the district court of western Norfolk, held at Wrentham; provided further, that
185 \$3,000,000 shall be expended for mechanical, electrical and plumbing systems and boilers and
186 controls at Dedham superior court; provided further, that \$2,000,000 shall be expended for
187 mechanical, electrical and plumbing systems and boilers and controls at the fourth district court
188 of eastern Middlesex, held at Woburn; provided further, that \$18,000,000 shall be expended for
189 holding doors, security doors, cell doors, duress alarms, cameras or sally ports at the Dorchester
190 division of the Boston municipal court, Springfield housing and juvenile court, the district court
191 of southern Norfolk, held at Stoughton, the juvenile court and the second district court of
192 Barnstable, held at Orleans and the district court of Peabody; and provided further, that

193 \$123,562,890 shall be expended for the costs of the reconstruction or replacement of court
194 facilities located in the downtown area of the city of New Bedford\$675,000,000

195 SECTION 2B.

EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

Office of the Secretary

196 1100-3005 For a grant program to cities, towns, counties, regional organizations whose
197 membership is exclusively composed of municipal governments or municipal redevelopment
198 authorities or agencies, or similar governmental development agencies to provide funding for
199 capital facility purposes, including those owned or operated by nonprofit organizations
200 including, but not limited to, planning and studies, preparation of plans and specifications, site
201 assembly and preparation, dispositions, acquisitions, repairs, renovations, improvements,
202 construction, demolition, remediation, modernization, and reconstruction of facilities,
203 infrastructure, equipment and other capital assets, technical assistance, information technology
204 equipment and infrastructure and for costs associated with improving accessibility of municipal
205 facilities under guidelines adopted by the executive office for administration and finance;
206 provided, that the executive office shall expend not more than 1 per cent of the total amount
207 available for the cost of administering this program; provided further, that \$2,000,000 shall be
208 expended for improvements to the town hall in the town of Hopkinton; provided further, that
209 \$50,000 shall be expended for accessibility projects at public facilities in the town of Holliston;
210 provided further, that \$800,000 shall be expended for the rehabilitation of facilities at the Three
211 County Fairgrounds, including the grandstand and barn, in the city of Northampton; provided
212 further, that \$4,000,000 shall be expended for the establishment and construction of a Boston

213 Public Library branch in the South Boston waterfront section of the city of Boston; provided
214 further, that \$4,000,000 shall be expended for the construction of an Upham’s Corner library and
215 for the renovation of the Strand Theatre in the Dorchester section of the city of Boston; provided
216 further, that \$2,000,000 shall be expended for the study, design, and construction of a Cape
217 Verdean cultural center in the city of Boston; provided further, that \$2,000,000 shall be
218 expended for renovations and improvements to Fraser field in the city of Lynn; provided further,
219 that \$500,000 shall be expended for the design and construction of the Lynn community path in
220 the city of Lynn; and provided further that \$8,000,000 shall be expended to the Tri-Town water
221 district, comprised of the cities known as the towns of Braintree and Randolph and the town of
222 Holbrook, for the construction of a new Tri-Town water treatment facility\$85,000,000

Division of Capital Asset Management and Maintenance

223 1102-2018 For the accelerated energy and resiliency program to improve the energy
224 efficiency, climate change readiness, environmental risk reduction, resiliency and carbon
225 emissions reduction of state-owned facilities, equipment and related capital assets, including
226 costs associated with planning and studies, prepayment of lease for a term that exceeds the useful
227 life of the facility, gifts or other transfers or by eminent domain under chapter 79 of the General
228 Laws, for the preparation of plans and specifications, repairs, construction, renovations,
229 improvements, asset management and demolition, disposition and remediation of state-owned
230 and former county facilities and grounds and repair and maintenance of buildings and building
231 systems and equipment at various state-owned facilities; provided, that all maintenance and
232 repair work funded in this item shall be listed in the capital asset management information
233 system administered by the division of capital asset management and maintenance; provided
234 further, that the commissioner of capital asset management and maintenance may, if appropriate,

235 transfer funds in accordance with the delegation of project control and supervision process under
236 section 5 of chapter 7C of the General Laws; provided further, that costs payable from this item
237 shall include, but not be limited to, the costs of engineering and other services essential to these
238 projects rendered by the division of capital asset management and maintenance employees or by
239 consultants; provided further, that amounts expended for employees of the division of capital
240 asset management and maintenance may include the salary and salary-related expenses of such
241 employees to the extent that those employees work on or in support of these projects; provided,
242 however, that the division shall not expend more than 5 per cent of the funds authorized in this
243 item for such costs; and provided further, that the commissioner of capital asset management and
244 maintenance shall maximize efforts to utilize all available means to minimize use of capital
245 funds to pay for salaries of division employees\$150,000,000

246 1102-2019 For the accelerated energy program to improve the energy efficiency of state-
247 owned facilities, including costs associated with planning and studies, prepayment of a lease for
248 a term that exceeds the useful life of the facility, gifts or other transfers or by eminent domain
249 under chapter 79 of the General Laws, for the preparation of plans and specifications, repairs,
250 construction, renovations, improvements, asset management and demolition, disposition and
251 remediation of state-owned and former county facilities and grounds and repair and maintenance
252 of buildings and building systems and equipment at various state-owned facilities; provided, that
253 all maintenance and repair work funded in this item shall be listed in the capital asset
254 management information system administered by the division of capital asset management and
255 maintenance; provided further, that the commissioner of capital asset management and
256 maintenance may, where appropriate, transfer funds in accordance with the delegation of project
257 control and supervision process under section 5 of chapter 7C of the General Laws; provided

258 further, that for projects which the secretary of administration and finance certifies to the
259 comptroller directly or indirectly generate new state revenue or budgetary savings, the
260 comptroller shall transfer those budgetary savings or revenue to the state treasurer for payment of
261 debt service related to those projects; provided further, that costs payable from this item shall
262 include, but not be limited to, the costs of engineering and other services essential to these
263 projects rendered by the division of capital asset management and maintenance employees or by
264 consultants; provided further, that amounts expended for employees of the division of capital
265 asset management and maintenance may include the salary and salary-related expenses of such
266 employees to the extent that those employees work on or in support of these projects; provided,
267 however, that the division shall not expend more than 5 per cent of the funds authorized in this
268 item for such costs; and provided further, that the commissioner of capital asset management and
269 maintenance shall maximize efforts to utilize all available means to minimize use of capital
270 funds to pay for salaries of division employees.....\$85,000,000

271 SECTION 2C.

EXECUTIVE OFFICE FOR PUBLIC SAFETY AND SECURITY

Office of the Secretary

272 8000-0702 For equipment for the department of correction and other agencies within the
273 executive office of public safety and security including, but not limited to, medical equipment,
274 security equipment, safety equipment, communications equipment and vehicles\$20,000,000

275 SECTION 3. Section 5 of chapter 7C of the General Laws, as appearing in the 2016
276 Official Edition, is hereby amended by striking out, in line 9, the figure “\$2,000,000” and
277 inserting in place thereof the following figure:- \$5,000,000.

278 SECTION 4. Said section 5 of said chapter 7C, as so appearing, is hereby further
279 amended by adding the following 2 sentences:- Notwithstanding this section, the commissioner
280 may delegate project control and supervision to the University of Massachusetts over projects
281 involving structural or mechanical work with an estimated cost of less than \$10,000,000 if the
282 commissioner determines that the University of Massachusetts has the ability to control and
283 supervise the project. As used in this section, “estimated cost” shall mean the estimated
284 construction cost stated in a study or program prepared in accordance with section 59.

285 SECTION 5. Section 46 of said chapter 7C, as so appearing, is hereby amended by
286 striking out, in line 68, the figure “\$10,000” and inserting in place thereof the following figure:-
287 “\$30,000”.

288 SECTION 6. Said section 46 of said chapter 7C, as so appearing, is hereby further
289 amended by striking out, in line 70, the figure “\$100,000” and inserting in place thereof the
290 following figure:- “\$300,000”.

291 SECTION 7. Item 7066-8000 of section 2 of chapter 258 of the acts of 2008 is hereby
292 amended by striking out the figure “\$36,100,000”, inserted by section 5 of chapter 237 of the
293 acts of 2014, and inserting in place thereof the following figure:- \$59,000,000.

294 SECTION 8. Said item 7066-8000 of said section 2 of said chapter 258 of the acts of
295 2008 is hereby further amended by striking out the figure “\$1,303,055,630”, inserted by section
296 7 of said chapter 237, and inserting in place thereof the following figure:- \$1,425,955,630.

297 SECTION 9. Item 7100-1000 of said section 2 of said chapter 258 is hereby amended by
298 striking out the figure “\$1,101,500,000”, inserted by section 9 of said chapter 237, and inserting
299 in place thereof the following figure:- \$1,201,500,000.

300 SECTION 10. Section 3 of said chapter 258, is hereby amended by striking out the
301 figure “\$2,404,555,630”, inserted by section 10 of said chapter 237, and inserting in place
302 thereof the following figure:- \$2,604,555,630.

303 SECTION 11. Said section 3 of said chapter 258, as most recently amended by section
304 10 of said chapter 237, is hereby further amended by striking out the words “June 30, 2048” and
305 inserting in place thereof the following words:- June 30, 2052.

306 SECTION 12. Item 1102-2008 of section 2C of chapter 304 of the acts of 2008 is hereby
307 amended by striking out, in line 37, the figure “\$60,000,000” and inserting in place thereof the
308 following figure:- \$21,100,000.

309 SECTION 13. Item 1102-5600 of said section 2C of said chapter 304, as amended by
310 section 50 of chapter 118 of the acts of 2012, is hereby further amended by striking out the
311 words “; provided further, that not less than \$72,000,000 shall be expended for the costs of the
312 renovation of the probate and family court building located in the city of Salem”.

313 SECTION 14. Subsection (d) of section 49 of chapter 9 of the acts of 2011 is hereby
314 amended by striking out, in line 4, the figure “\$100,000” and inserting in place thereof the
315 following figure:- \$150,000.

316 SECTION 15. Subsection (e) of said section 49 of said chapter 9 is hereby amended by
317 striking out the words “January 1, 2017”, inserted by section 23 of chapter 119 of the acts of
318 2015, and inserting in place thereof the following words:- January 1, 2019.

319 SECTION 16. Subsection (f) of said section 49 of said chapter 9 is hereby amended by
320 striking out the words “June 1, 2017”, inserted by section 24 of said chapter 119, and inserting in
321 place thereof the following words:- June 30, 2019.

322 SECTION 17. To meet the expenditures necessary in carrying out sections 2 and 2A, the
323 state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in
324 an amount to be specified by the governor, but not exceeding in the aggregate \$3,031,000,000.
325 All such bonds issued by the commonwealth shall be designated on their face Capital
326 Improvement Act of 2017 and shall be issued for a maximum term of years, not exceeding 30
327 years, as the governor recommends to the general court pursuant to section 3 of Article LXII of
328 the Amendments to the Constitution. The bonds shall be payable not later than June 30, 2052.
329 All interest and payments on account of principal on these obligations shall be payable from the
330 General Fund. Bonds and interest thereon issued pursuant to this section shall, notwithstanding
331 any other provision of this act, be general obligations of the commonwealth.

332 SECTION 18. To meet the expenditures necessary in carrying out section 2B, the state
333 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
334 amount to be specified by the governor, but not exceeding in the aggregate \$320,000,000. All
335 such bonds issued by the commonwealth shall be designated on their face Capital Improvement
336 Act of 2017 and shall be issued for a maximum term of years, not exceeding 20 years, as the
337 governor recommends to the general court pursuant to section 3 of Article LXII of the
338 Amendments to the Constitution. The bonds shall be payable not later than June 30, 2042. All
339 interest and payments on account of principal on these obligations shall be payable from the
340 General Fund. Bonds and interest thereon issued pursuant to this section shall, notwithstanding
341 any other provision of this act, be general obligations of the commonwealth.

342 SECTION 19. To meet the expenditures necessary in carrying out section 2C, the state
343 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
344 amount to be specified by the governor, but not exceeding in the aggregate \$20,000,000. All
345 such bonds issued by the commonwealth shall be designated on their face Capital Improvement
346 Act of 2017 and shall be issued for a maximum term of years, not exceeding 10 years, as the
347 governor recommends to the general court pursuant to section 3 of Article LXII of the
348 Amendments to the Constitution. The bonds shall be payable not later than June 30, 2032. All
349 interest and payments on account of principal on these obligations shall be payable from the
350 General Fund. Bonds and interest thereon issued pursuant to this section shall, notwithstanding
351 any other provision of this act, be general obligations of the commonwealth.

352 SECTION 20. The secretary of administration and finance shall submit a report on the
353 progress of projects funded through the authorizations in this act and included in the governor's
354 5-year capital investment plan to the clerks of the senate and house of representatives, the chairs
355 of the senate and house committees on ways and means and the chairs of the senate and house
356 committees on bonding, capital expenditures and state assets. The report shall include, but not be
357 limited to: (i) the planned spending for the previous year; (ii) the actual spending for the previous
358 year; (iii) the planned spending for the current year; (iv) the spending to date for the current year;
359 (v) the original estimated total project cost; (vi) the project description; (vii) the location of the
360 project; (viii) the type of spending; (ix) the type of asset; and (x) the useful life of the project
361 once completed. The report shall be submitted not later than June 30 and December 31 of each
362 year for a period of 8 years after the effective date of this act.

363 SECTION 21. To provide for the continued availability of certain bond-funded spending
364 authorizations which otherwise would expire, the balances of the following items and any

365 allocations thereof shall be extended through June 30, 2020 for the purposes of and subject to the
366 conditions stated for these items in the original authorizations and any amendments to such
367 authorizations: 0640-0035, 1100-9201, 1599-7061, 1599-7062, 1599-7063, 1790-3001, 1790-
368 3002, 1790-3003, 1790-3004, 1100-3001, and 8000-2030.

369 SECTION 22. To provide for the continued availability of certain bond-funded spending
370 authorizations which otherwise would expire, the balances of the following items and any
371 allocations thereof shall be extended through June 30, 2022 for the purposes of and subject to the
372 conditions stated for these items in the original authorizations and any amendments to such
373 authorizations: 0640-0302, 0330-2223, 1100-3002, 1100-3003, 1102-2009, 1102-2014, 1102-
374 2015, 1102-2016, 1102-5600, 1790-2500, 2200-7021, 4000-2020, 4000-2022, 7000-9091, 7002-
375 8018, 7066-8000, 7100-1000, 8000-3501, 8000-0701, 8000-2021, 8000-2022, 8100-2026, 8900-
376 7500, and 8900-8500.
