12           A person whose name has been placed on the Registry and has been listed on the Registry  
13 for at least seven years may file a written request with the Commissioner or the Commissioner's

14 designee seeking a review for the purpose of expunging an individual Registry record unless the  
15 allegation or substantiation of serious physical or emotional injury resulting from abuse or  
16 neglect was referred to a District Attorney.

17 The Commissioner or the Commissioner's designee shall grant a review upon request.

18 The person shall have the burden of proving that he or she no longer presents a risk to the  
19 safety or well-being of children. Factors to be considered by the Commissioner or the authorized  
20 designee shall include:

21 (1) the nature of the substantiation that resulted in the person's name being placed on the  
22 Registry;

23 (2) the number of substantiations, if more than one, and the age of the person at the time  
24 of the substantiations;

26 (4) the circumstances of the substantiation that would indicate whether a similar incident  
27 would be likely to occur;

28 (5) whether the substantiation was committed in association with a dependence on drugs  
29 or alcohol from which the individual has since recovered;

30 (6) any activities that would reflect upon the person's changed behavior or circumstances,  
31 such as therapy, employment, or education;

32 (7) references that attest to the person's good moral character: and,

33 (8) written determination from a qualified mental health professional that the person does  
34 not pose an unacceptable risk of harm to others.

35 At the review, the person who requested the review shall be provided with the  
36 opportunity to present any evidence or other information, including witnesses that support his or  
37 her request for expungement. Upon the person's request, the review may be held by  
38 teleconference.

39 A person may seek a review under this section no more than once every 36 months.

40 Within 30 days of the date on which the Commissioner mailed notice of the decision  
41 which documents the factors considered and the rationale for the decision pursuant to this section,  
42 a person may appeal the decision in accordance with Chapter 30A. A copy of such written  
43 determination shall be maintained by the Department.

44 The Department shall take steps to provide reasonable notice to persons on the Registry  
45 of their right to seek an expungement under this section. Actual notice is not required.  
46 Reasonable steps may include activities such as the production of an informative fact sheet about  
47 the expungement process, posting of such information on the Department website, and other  
48 approaches typically taken by the Department to inform the public about the Department's  
49 activities and policies. The Department shall send notice of the expungement process to any
