SENATE No. 247

By Ms. Donoghue, a petition (accompanied by bill, Senate, No. 247) of Eileen M. Donoghue, Rady Mom and Bruce E. Tarr for legislation relative to high school financial literacy education. Education.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. 275 OF 2015-2016.]

The Commonwealth of Massachusetts

**In the One Hundred and Ninetieth General Court
(2017-2018)**

An Act relative to financial literacy education.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 69 of the General Laws, as appearing in the 2014 Official Edition,
2 is hereby amended by inserting after section 1P the following section:-

3 Section 1Q. To equip students with the knowledge and skills needed to become self-
4 supporting and to enable students to make critical decisions regarding personal finances, the
5 department of elementary and secondary education shall authorize and assist in the
6 implementation of standards and objectives on personal financial literacy. The components of
7 personal financial literacy covered in the standards and objectives shall include: understanding
8 loans; borrowing money; interest; credit card debt; online commerce; rights and responsibilities
9 of renting or buying a home; saving, investing, and planning for retirement; banking and
10 financial services; balancing a checkbook; state and federal taxes; and charitable giving.

11 The department shall develop standards and objectives on personal financial literacy, for
12 grades pre-kindergarten to 12, inclusive, within the existing mathematics, social sciences,
13 technology, business, or other curricula where teachers have the capacity to teach financial
14 literacy for implementation by the start of the 2018-2019 school year. The department shall make
15 available to school districts, charter schools, approved private day or residential schools, and
16 collaborative schools a list of resources to aid in the selection of materials and curriculum on
17 personal financial literacy. The department shall identify and offer information on cost effective
18 methods for fulfilling the professional development activities needed to implement said
19 standards and objectives. The department may consult with private, nonprofit, or other
20 government institutions in order to identify and offer said information. The department may
21 apply for any federal, state, or other funding, including funding available through the Financial
22 Literacy Trust Fund, as established by chapter 10, as amended by chapter 14 of the acts of 2011.

23 SECTION 2. Notwithstanding any general or special law to the contrary, the advisory
24 committee established under subsection (b) of section 200 of chapter 139 of the acts of 2012
25 shall also conduct a study on additional current programs on financial literacy being offered in
26 the commonwealth for grades pre-kindergarten to 12, inclusive, and the cost, to individual
27 schools and school districts, of offering said programs. The advisory committee shall submit the
28 results of this study to the clerks of the senate and the house who shall forward the same to the
29 chairs of the joint committee on education on or before August 31, 2018.

30 In consultation with the department, the advisory committee shall also advise and oversee
31 the development and implementation of standards and objectives on personal financial literacy.
32 After the submission of the report regarding all financial literacy programs in the
33 commonwealth, the advisory committee shall submit a report on best practices and

34 recommended improvements annually thereafter for 3 subsequent years to the clerks of the
35 senate and the house who shall forward the same to the chairs of the joint committee on
36 education on or before December 31. The advisory committee shall consult with individuals with
37 relevant experiences including representatives from insurance and investment firms, real estate
38 firms, and bankruptcy attorneys.
