Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 176O of the General Laws is hereby amended by inserting after
2 section 27 the following sections:-

3 Section 28. (a) A carrier shall ensure the accuracy of the information concerning each
4 provider listed in the carrier's provider directories for each network plan and shall review and
5 update the entire provider directory for each network plan. In making the directory available
6 electronically in a searchable format, the carrier shall ensure that the general public is able to
7 view all of the current health care providers for a network plan through a clearly identifiable link
8 or tab and without creating or accessing an account, entering a policy or contract number,
9 providing other identifying information, or demonstrating coverage or an interest in obtaining
10 coverage with the network plan. Thereafter, the carrier shall update each online network plan
11 provider directory at least monthly, or more frequently, if required by state or federal law or
12 regulations promulgated by the commissioner pursuant to Section 29(j), when informed of and
13 upon confirmation by the plan of any of the following:

14 (1) A contracting provider is no longer accepting new patients for that network plan, or
15 an individual provider within a provider group is no longer accepting new patients.

16 (2) A provider or provider group is no longer under contract for a particular network plan.

17 (3) A provider's practice location or other information required under this section has
18 changed.

19 (4) Upon completion of the investigation described in paragraph (a)(4), a change is
20 necessary based on an enrollee complaint that a provider was not accepting new patients, was
21 otherwise not available, or whose contact information was listed incorrectly.

22 (5) A provider has retired or otherwise has ceased to practice.

23 (6) Any other information that affects the content or accuracy of the provider directory or
24 directories.

25 (b) A provider directory shall not list or include information on a provider that is not
26 currently under contract with the network plan.

27 (c) A carrier shall periodically audit its provider directories for accuracy and retain
28 documentation of such an audit to be made available to the commissioner upon request.

29 (d) A carrier shall provide a print copy, or a print copy of the requested directory
30 information, of a current provider directory upon request of an insured or a prospective insured.
31 The printed copy of the provider directory or directories shall be provided to the requester by
32 mail postmarked no later than five business days following the date of the request and may be
33 limited to the geographic region in which the requester resides or works or intends to reside or
34 work.

35 (e) The carrier shall include in both its electronic and print directories a dedicated
36 customer service email address and telephone number or electronic link that insureds, providers
37 and the general public may use to notify the carrier of inaccurate provider directory information.
38 This information shall be disclosed prominently in the directory or directories and on the
39 carrier's web site. The carrier shall be required to investigate reports of inaccuracies within 30
40 days of notice and modify the directories in accordance with any findings within 30 days of such
41 findings.

42 (f) The provider directory or directories shall inform enrollees and potential enrollees that
43 they are entitled to: (A) language interpreter services, at no cost to the enrollee; and (B) full and
44 equal access to covered services as required under the federal Americans with Disabilities Act of
45 1990 and Section 504 of the Rehabilitation Act of 1973. A provider directory, whether in
46 electronic or print format, shall accommodate the communication needs of individuals with
47 disabilities, and include a link to or information regarding available assistance for persons with
48 limited English proficiency, including how to obtain interpretation and translation services.

49 (g) The carrier shall include a disclosure in the print directory that the information
50 included in the directory is accurate as of the date of printing and that insureds or prospective
51 insureds should consult the carrier's electronic provider directory on its website or call a
52 specified customer service telephone number to obtain the most current provider directory
53 information.

54 (h) The carrier shall update its printed provider directory or directories at least annually,
55 or more frequently, if required by federal law or regulations promulgated by the commissioner.

56 Section 29. (a) The division shall establish a task force to develop recommendations to
