## The Commonwealth of Massachusetts

In the One Hundred and Ninetieth General Court (2017-2018)

An Act to modernize voter registration and jury pool lists.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 SECTION 1: After Section 64 of Chapter 51 of the Massachusetts General Laws, as
- 2 appearing in the 2014 Official Edition, the following new Section is added:
- 3 Section 65: Electronic Updating of the Annual Register of Voters and Central Voter

4 Registry by the State Secretary.

5 Notwithstanding any general or special law to the contrary, the State Secretary shall

6 obtain data from the Massachusetts Registry of Motor Vehicles and the United States Postal

7 Service, in order to ascertain whether any persons, who otherwise already have a valid and

8 complete affidavit of voter registration, have changed their address within the Commonwealth of

9 Massachusetts.

10	At least every three months, the State Secretary shall seek such information from the
11	Registry of Motor Vehicles and the US Postal Service. These agencies shall electronically
12	transmit to the State Secretary information for persons who have changed their address within
13	the Commonwealth of Massachusetts in the past three months, including, where available:
14	(i) Name, Current Address, Mailing Address, Date of Birth, Identification # (Driver's
15	License Number or Last 4 digits of Social security Number), Telephone Number
16	(ii) Date, time, and nature of the last change to the information; and
17	(iii) Any additional information designated by the State Secretary for such purposes and
18	reasonably related to the management of elections.
19	(iv) If information is sent because it has changed since the last transmission from the
20	source agency, the source agency shall transmit both the new information and the old
21	information, labeled accordingly.
22	If the information transferred reflects a person already included in the Central Registry of
23	Voters as a duly registered voter, and if the information reliably indicates a more recent update to
24	the person's name or address than is currently contained in the Central Registry of Voters, the
25	State Secretary shall ensure that the person's records in the Central Registry of Voters are
26	updated accordingly, and shall alert the appropriate municipal registrars to update the person's
27	records in their annual register of voters accordingly.
28	The State Secretary shall ensure that each voter whose address is changed in the Central
29	Registry of Voters is promptly sent written notice of the change and their new voting location.
30	Any notice required by this section may be sent with other notices required or permitted by law.
