- 19 (3) the corporation's action complies in manner and scope with the shareholders'  
20 authorization.

21 Violations of this subsection are hereby declared to be ultra vires, per se wasteful of  
22 corporate assets and a violation of the standards of conduct for officers and directors set forth  
23 under this chapter.

24 (b) shareholder consideration of said expenditures may occur at an annual or special  
25 meeting of the shareholders.

26 (c) corporations making such expenditures shall:

47 shall not constitute a reasonable belief within the meaning of sections 8.30 or 8.42.

48 Nothing in this section shall be construed to restrict any officer manager, director or other  
49 individual associated with the business entity from personally contributing to a candidate for  
50 public office, contributing to a properly organized political committee or from personally  
51 financing an independent expenditure otherwise allowed by law.
