*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 7 of Chapter 18B, is hereby amended by adding at the end thereof  
2 the following subsection: -

3 “(o) The commissioner, in consultation with the child advocate and other agencies the  
4 commissioner deems relevant, including, but not limited to, the Massachusetts District Attorneys  
5 Association, the Massachusetts chapter of the National Association of Social Workers, the  
6 Massachusetts Medical Society, the Massachusetts Teachers’ Association, the American  
7 Federation of Teachers Massachusetts, and private child service providers shall, if available,  
8 adapt, implement and maintain from another state agency or from any suitable program already  
9 in use in another state a free standardized online training program to be completed by all  
10 mandated reporters as defined in section 21 of chapter 119, and as referenced in section 51A(k)  
11 of chapter 119; provided, however, that if the commissioner cannot find an existing program to

12 adapt to this purpose, then the commissioner shall create, implement, maintain and update such  
13 an online training program.”

14 SECTION 2. Chapter 18C of the General Laws, is hereby amended by inserting after  
15 section 4 the following section:-

16 “Section 4A. There shall be a child abuse and neglect expert review panel, hereinafter  
17 referred to as the panel, under the purview of the child advocate, who shall serve as chair. The  
18 members of the panel shall include: the commissioner of the department of children and families,  
19 the executive director of the Children’s Trust Fund, and 4 members selected by the child  
20 advocate to include: a medical expert in the field of pediatrics, an infant mental health specialist,  
21 a social worker with a minimum of 10 years direct case work experience, and an individual  
22 representing parents involved with the Department. The panel shall review the repeated entry of  
23 children into the caseload of the department of children and families. Any open or closed cases  
24 within a 12 month period for the same child or the same family unit shall constitute repeated  
25 entry. The panel shall determine if any actions can be taken to protect the child from further  
26 harm or if any agency regulations should be modified. The panel’s review and determinations  
27 shall be kept confidential. The panel shall report on any trends that are cycling through families,  
28 agency service gaps, and recommendations for policy changes to rectify the repeated abuse and  
29 neglect of children as part of the annual report as established in section 10 of this chapter.

30 The child advocate may convene a public meeting or oversight hearing to discuss any  
31 trends in child welfare, gather the public’s input or determine if further actions should be taken  
32 to improve the lives of the children in the care and custody of the commonwealth. Any findings  
33 shall be included in the annual report as established in section 10 of this chapter.”

34 SECTION 3. Section 7 of chapter 76 of the General Laws, as so appearing, is hereby  
35 amended by inserting at the end thereof the following paragraph:-

36 Notwithstanding section 5 of this chapter, any school age child removed from the home  
37 of the child’s parents or guardians under chapter 119, sections 23, 24, 25, 26, 39G or 39H and  
38 placed in the custody of the department of children and families or another custodian, may  
39 continue to attend the school in which the child was enrolled at the time of removal (“the school  
40 of origin”). The right to attend the school of origin shall apply to any subsequent placement. If  
41 the child’s custodian determines, in consultation with the child and the child’s school, that it is  
42 not in the best interest of the child to remain in the school of origin, the child shall be  
43 immediately and appropriately enrolled in the new school. The child’s custodian shall promptly  
44 notify the child’s attorney and the school of origin of the decision. Where the child’s custodian is  
45 the department of children and families, and the department determines that it is in the child’s  
46 best interest to enroll the child in a school in the district in which the child is placed, the  
47 department shall provide the child’s attorney with written notice of the decision. This notice shall  
48 identify the factors that form the basis of the decision. Nothing in this section shall be construed  
49 to detract from any other right that a child may have under any other law.

50 SECTION 4. Section 22 of Chapter 119, as so appearing, is hereby amended by inserting  
51 after the first paragraph the following paragraph: -

52 Any foster home licensee who fails to notify the department of a change in household  
53 status shall pay the Department a fine of \$500. The department shall provide notice of this  
54 provision in its Massachusetts approach to partnerships in parenting curriculum.

55 SECTION 5. Paragraph (7) of subsection (a) of section 23 of Chapter 119, as so  
56 appearing, is hereby amended by inserting after subsection clause (i) the following subsection:-

57 The department shall ensure that the placement of a child in foster care takes into account  
58 the appropriateness of the current educational setting and the proximity to the school in which  
59 the child is enrolled at the time of each placement; coordinate with the appropriate local  
60 educational agencies to ensure that the child remains in the school which the child is enrolled in  
61 at the time of each placement; or, if remaining in such school is not in the best interests of the  
62 child, ensure that the child is immediately and appropriately enrolled in a new school and that all  
63 of the child's educational records have been provided to the school.”

64 SECTION 6. Subsection (c) of section 23 of chapter 119 of the General Laws, as  
65 appearing in the 2014 Official Edition, is hereby amended by striking out the second paragraph  
66 and inserting in place thereof the following two paragraphs:-

67 The department shall also seek to identify any minor sibling or half-sibling of the child.  
68 The department and the court shall ensure that children placed in or under the department's care,  
69 custody or responsibility are placed in the same home with all siblings and half-siblings unless  
70 the department shows by clear and convincing evidence that the best interests of one or more  
71 siblings require a separate placement. The court shall make specific findings to support any such  
72 best interests finding. Notwithstanding the foregoing, the department may separate a child from  
73 one or more siblings or half-siblings to avoid immediate risk of harm to any child. However, if  
74 the department does so without prior court approval, it shall file a petition for court approval of  
75 its placement decision within one business day thereafter and provide notice to all counsel in any  
76 proceeding under this chapter. The court shall hold a hearing regarding such placement change

77 within seven days. The department shall bear the burden of showing by clear and convincing  
78 evidence that the best interests of one or more siblings require a separate placement. Any child  
79 over the age of seven or an agent of the child who is placed apart from any sibling or half-  
80 sibling, even if placed with other siblings or half-siblings, may petition the court for a review and  
81 redetermination of its decision authorizing a separate placement. The department shall bear the  
82 burden of showing by clear and convincing evidence that the best interests of one or more  
83 siblings continues to require a separate placement.

84 If the court authorizes the department to place siblings or half-siblings in separate  
85 placements, the department shall make ongoing and systemic efforts to remedy any problems  
86 that led to the separate placements. The department shall document its efforts in the case plan.  
87 Notwithstanding the provisions of section 21 of this chapter, the court may make any order to  
88 ensure the joint placement of siblings or half-siblings as may be in the children's best interests.

89 SECTION 7. Chapter 119 of the General Laws is further amended by inserting after

104 department, in conjunction with the executive office of education, shall determine the format of  
105 the electronic backpack. The department will consider methods to prevent further stigmatization  
106 of the foster youth while determining the format of the electronic backpack. Each electronic

108 addresses of educational providers, the foster youth's grade-level performance, and any other  
109 educational information the department requires.

110           (b) The department shall maintain the electronic backpack as part of the department's  
111 records for the foster youth as long as the foster youth remains in foster care.

112           (c) The department shall make the electronic backpack available to:

113           (1) any person authorized by law to make educational decisions for the foster youth;

114           (2) any person authorized to consent to medical care for the foster youth; and
