3 Section 78. The division shall establish a community health center nurse practitioner
4 residency program for the purposes of establishing training programs for newly certified nurse
5 practitioners who elect to practice in a community health center setting, and promoting access to
6 primary care through community health centers.

7 Community health center nurse practitioner residency programs shall:

8 (i) Provide a 12 month post-graduate residency program, administered by community

18 chapters 94C or 112.

19 SECTION 2. The division may make expenditures towards this program through the
20 “investments in primary care residency training” category as described in the MassHealth 1115
21 Demonstration proposal filed in June 2015 and further, shall seek federal Medicaid
22 reimbursement for this program as graduate medical education.

23 SECTION 3. The division shall promulgate regulations to implement said program,
24 including program details and grant guidelines as necessary, no later than six months after the
