51 SECTION 2. Creation of Disability Abuse Registry.

52 EOHHS shall establish and maintain a central computerized registry of caretaker who  
53 have had a substantiated finding of abuse, neglect or exploitation of a person with a disability

54 issued by the commission and/or any agency within EOHHS that receives and investigates  
55 complaints of abuse, neglect and exploitation. The registry will be known as the disability abuse  
56 registry.

57 EOHHS shall adopt rules and regulations that define the procedure and standards for  
58 inclusion of a caregiver with a substantiated complaint of abuse, neglect or exploitation on the  
59 registry, notification of such inclusion to the caregiver and process for caregiver's right to appeal  
60 the placement of his or her name on the registry. After notice to the caregiver of their right to  
61 appeal the substantiated finding, the caregiver's name will be added to the registry.

62 SECTION 3. Use of Registry.

64 from employment in facilities and programs licensed by departments within EOHHS or those  
65 facilities or programs licensed, contracted or regulated by any department within EOHHS or  
66 from providing community based services with indirect state funding to persons with disabilities.

67 All providers, prior to hiring an individual, must review the registry to determine whether  
68 the individual's name is on the registry. No service provider shall hire an individual whose name  
69 appears on the registry. All service providers must review the registry on a quarterly basis to  
70 ensure current employees have not been placed on the registry.

71 SECTION 4. Reporting Process.

72 Upon the receipt of a complaint or allegation of abuse, neglect or exploitation of a person  
73 with a disability, the caregiver or caregivers named in the complaint will automatically be placed  
74 on administrative leave until the investigation is completed and a finding has been issued.

75 EOHHS and the Departments will ensure that the providers they license and contract with  
76 comply with this rule.

77 SECTION 5. Penalties.

78 EOHHS shall administer monetary sanctions not to exceed five thousand dollars for a  
79 provider's failure to check the registry prior to hiring that results in the hiring of a person on the  
80 registry.

81 SECTION 6. Public Disclosure.

82 EOHHS shall keep information contained in the registry confidential and may only be  
83 disclosed under circumstances expressly authorized by rules and regulations promulgated by  
84 EOHHS consistent with the requirement that the service provider must have access to the
