Re: Plan of Correction – Massachusetts Treatment Center, Bridgewater

Dear Superintendent Mitchell:

The Massachusetts Department of Public Health has received your Plan of Correction (POC) in response to my inspection conducted on September 4 and 5, 2018. After review, the Department finds the plan does not appropriately address all of the violations noted in the report.

1. In instances where you indicate: *This item will be evaluated and prioritized accordingly. Repairs will be made as time and resources allow*, The Department would appreciate an anticipated date of completion for the repairs.

Your POC does not provide a date of completion for work that requires DCAM Funding. While the Department understands you do not have control over DCAM's allotment of funds, we cannot approve any item that does not identify a reasonable time frame for repair. Please provide an anticipated date of completion for areas which require DCAM funding.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Patrick Wallace

Environmental Health Inspector, CSP, BEH
