

HOUSE No. 1

The Commonwealth of Massachusetts

CHARLES D. BAKER
GOVERNOR

OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
24 BEACON STREET · BOSTON, MA 02133

KARYN POLITO
LIEUTENANT GOVERNOR

January 23, 2019.

To the Honorable Senate and House of Representatives,

We are pleased to present our Fiscal Year 2020 (FY20) House 1 budget recommendation, the fifth budget of our Administration. This fiscally-responsible proposal builds on our collaborative and productive relationship with the Legislature over the past four years to keep state spending in line with revenue growth and to reduce our reliance on non-recurring sources of revenue. A growing economy and continuing commitment to fiscal discipline have enabled investments in key priorities including education, substance misuse services and treatment, housing, climate change adaptation and resiliency, transportation, economic development, and our local communities.

Our FY20 House 1 proposal anticipates a \$297 million deposit into the Stabilization Fund which, in addition to the anticipated year-end deposit in Fiscal Year 2019, would bring the Commonwealth's reserves to nearly \$2.8 billion, an increase of 150% since the Baker-Polito Administration took office. We are proud to partner with the Legislature on this shared commitment to building our reserves and protecting the Commonwealth against recession or other disruption in the economy.

House 1 proposes \$42.7 billion in gross spending, an increase of 1.5% over Fiscal Year 2019 projected spending, excluding transfers to the Medical Assistance Trust Fund.

Through separate legislation being filed alongside the budget today the Administration is proposing a major, multi-year school finance reform initiative, which includes an overhaul of the school funding formula. This proposal is accompanied by an increase of \$200 million in Chapter 70 education aid in the FY20 budget. The reforms will assist districts in managing the rising cost of health care and of educating English language learners and students with special education needs, and will provide an influx of new funding support for school districts with higher concentrations of poverty. The initiative is funded with existing revenues, and is implemented gradually to ensure it can be sustained over time.

Along with increased investments in Chapter 70 aid for education House 1 proposes additional funding for schools, including a proposed new formula for reimbursing school districts for charter school tuition and an increase of \$16 million for those reimbursements in FY20. House 1 also includes a sales tax modernization proposal that will generate significant one-time revenues. This money will be used to seed education investments, including \$100 million for college scholarships, \$50 million for a new trust fund to help drive quality improvements in low-

performing schools, \$30 million to help local school districts address their school safety needs, and \$20 million to help districts eliminate lead from their school drinking water.

Continuing our strong partnership with the Commonwealth's cities and towns and consistent with immediate past budget years, House 1 increases unrestricted local aid by 2.7%, equal to 100% of the consensus revenue tax growth estimate percentage. This investment will provide cities and towns with \$1.129 billion in unrestricted general government aid in FY20. The budget also includes \$6.8 million to support Community Compact-related programs, which have provided all 351 cities and towns with access to important grant funding and have led to the adoption of more than 800 best practices to help enhance the delivery of local services.

As part of the continuing effort to manage MassHealth costs House 1 proposes significant MassHealth pharmacy reforms to reduce the high cost of prescription drugs, a major driver of program costs. We project \$80 million in gross savings from these reforms.

The budget supports \$266 million in funding across several state agencies for substance misuse treatment and services. To address the significant and growing state costs associated with opioid misuse, House 1 proposes a tax on gross receipts of manufacturers of opioids from the sale of their opioid products. The budget also ensures consistency with state tax policy as it applies to tobacco and marijuana, by proposing a retail tax on electronic cigarettes and an excise tax on vapor products.

The FY20 budget proposal also supports a total of \$23.9 million in funding to increase opportunities in education, job training, and business development consistent with recommendations of the Administration's Black Advisory Commission (BAC) and Latino Advisory Commission (LAC).

The broader budget package includes a separate legislative proposal to amend the state gaming law to allow legal sports wagering at Category 1 and Category 2 gaming facilities in Massachusetts. The proposal would also allow those facilities and other duly-licensed online vendors to offer on-line sports wagering. This proposed legislative change is projected to generate \$35 million in FY20.

To save taxpayers from having to cover the cost of excessive sick time payouts to workers who retire from state service House 1 once again includes a proposal to cap accrued sick time for Executive Branch and Higher Education employees, bringing the Commonwealth in line with other states and private sector employers.

Finally, House 1 anticipates a reduction in the state income tax rate from 5.05% to 5% on January 1, 2020, in accordance with state law, returning \$88 million to taxpayers in FY20 — and representing the final milestone on a two-decade journey to achieve a 5% income tax rate.

We are proud of the partnership we have built with the House and Senate to develop responsible budgets that reflect the needs of Massachusetts residents. We look forward to working with you on this proposal in the coming months.

Sincerely,

Charles D. Baker,
Governor

Karyn E. Polito,
Lieutenant Governor

The Commonwealth of Massachusetts

IN THE YEAR TWO THOUSAND AND NINETEEN

AN ACT making appropriations for the fiscal year 2020 for the maintenance of the departments, boards, commissions, institutions, and certain activities of the Commonwealth, for interest, sinking fund, and serial bond requirements, and for certain permanent improvements.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. To provide for the operations of the several departments, boards, commissions and institutions and other services of the commonwealth, and for certain permanent improvements and to meet certain requirements of law, the sums set forth in sections 2, 2B, 2D, 2E and 3, for the purposes and subject to the conditions specified in sections 2, 2B, 2D, 2E and 3, are hereby appropriated from the General Fund unless specifically designated otherwise, subject to laws regulating the disbursement of public funds for the fiscal year ending June 30, 2020. All sums appropriated under this act, including supplemental and deficiency budgets, shall be expended in a manner reflecting and encouraging a policy of nondiscrimination and equal opportunity for members of minority groups, women and disabled persons. All officials and employees of an agency, board, department, commission or division receiving monies under this act shall take affirmative steps to ensure equality of opportunity in the internal affairs of state government, as well as in their relations with the public, including those persons and organizations doing business with the commonwealth. Each agency, board, department, commission or division, in spending appropriated sums and discharging its statutory responsibilities, shall adopt measures to ensure equal opportunity in the areas of hiring, promotion, demotion or transfer, recruitment, layoff or termination, rates of compensation, in-service or apprenticeship training programs and all terms and conditions of employment.

SECTION 1A. In accordance with Articles LXIII and CVII of the Amendments to the Constitution and section 6D of chapter 29 of the General Laws, it is hereby declared that the amounts of revenue set forth in this section by source for the respective funds of the commonwealth for the fiscal year ending June 30, 2020 are necessary and sufficient to provide the means to defray the appropriations from such funds for this fiscal year as set forth and authorized in sections 2, 2B and 2E. The comptroller shall keep a distinct account of actual receipts from each such source by each such fund to furnish the executive office for administration and finance and the house and senate committees on ways and means with quarterly statements comparing such receipts with the projected receipts set forth in this section and to include a full statement comparing such actual and projected receipts in the annual report for the fiscal year ending June 30, 2020 pursuant to subsection (a) of section 12 of chapter 7A of the General Laws. The quarterly and annual reports shall also include detailed statements of any other sources of revenue for the budgeted funds in addition to those specified in this section.

SECTION 3.

Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2020 the distribution to cities and towns of the balance of the State Lottery and Gaming Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund and the Gaming Local Aid Fund, shall be \$1,128,617,436 and shall be apportioned to cities and towns in accordance with this section.

Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to the contrary for fiscal year 2020 the total amounts to be distributed and paid to each city, town, regional school district, and county operating an agricultural or vocational school from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts distributed from said item 7061-0008 of said section 2 shall be deemed in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2020, minimum aid shall be \$20 per pupil and the effort reduction percentage shall be 100%. Transitional aid received in fiscal year 2019 relating to low income measurement shall be included in districts' base aid. Districts shall be eligible for the high needs concentration increment if they are in the ninth or tenth deciles for economically disadvantaged and if 20 per cent or more of the district's foundation headcount was designated as English learners in either of the two most recent fiscal years. Notwithstanding the provisions of section 3 of chapter 70 of the General Laws, foundation budget rates for fiscal year 2020 shall be set as identified in the tables below.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994, and for any district that has not accepted the provisions of section 260 of chapter 165 of the acts of 2014, provided that any district for whom such costs are not so considered shall have included as part of net school spending an amount equal to the increase in the foundation budget for the district associated with health care costs of retired school personnel.

No payments to cities, towns or counties maintaining an agricultural school under this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted pursuant to section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district, or agricultural school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of administration and finance, under guidelines established by the secretary.

Section 4 - Collection of Sex Offender Registration Fee

SECTION 4. Section 178Q of chapter 6 of the General Laws, as appearing in the 2016 Official Edition, is hereby amended by adding the following paragraph:- The sex offender registry board shall, within 30 days of a sex offender's failure to comply with the requirement under this section to pay said sex offender registry fee or any portion thereof, report to the department of revenue and the registry of motor vehicles the offender's name, other necessary identifying information as determined by the commissioner of the department of revenue or the registrar of motor vehicles, and the unpaid amount of any sex offender registration fee owed. The department of revenue shall intercept payment of such unpaid fee from tax refunds due to such offender and provide the amount intercepted to the sex offender registry board in accordance with the provisions of chapter 62D. For the purposes of this intercept, the sex offender registry board shall be considered a "claimant agency" as defined in section 1 of chapter 62D, and such set-off shall be conducted before the set-off of a refund for unpaid federal nontax liabilities to a federal agency. The registry of motor vehicles shall not issue or renew a driver's license, or motor vehicle registration for any vehicle subsequently purchased, to any offender reported with an unpaid sex offender registration fee until it receives subsequent notification from the sex offender registry board that the reported offender's fee has been paid.

Summary:

This section requires the Sex Offender Registry Board to notify the Department of Revenue (DOR) and the Registry of Motor Vehicles (RMV) when a sex offender fails to pay the annual registration fee and further requires DOR to intercept refunds and RMV to refuse to issue or renew licenses or registrations until the fee is paid.

Summary:

This section aligns the terms of all Commissioners appointed by the Secretary of the Executive Office of Health and Human Services.

If any person required by this section or by regulation of the commissioner to make such a preliminary remittance fails to make such payment on or before the date prescribed therefor, there shall be

imposed upon such person a penalty of 5 per cent of the amount of the underpayment, unless it is shown that such failure is due to reasonable cause and not to willful neglect. For purposes of this paragraph, the term "underpayment" means the excess of the amount of the preliminary remittance required to be so made over the amount, if any, paid on or before the date prescribed therefor.

Summary:

This section permits the Commissioner of Revenue to require vendors to remit an initial payment of the sales and use tax, the local option meals excise, and room occupancy tax, but exempts vendors who collected \$100,000 or less of those taxes in the previous year from such a requirement.

"Sale at retail" or "retail sale", a sale of services or tangible personal property or both for any purpose other than resale in the regular course of business. When tangible personal property is physically delivered by an owner, a former owner thereof, a factor, or an agent or representative of the owner, former owner or factor, to the ultimate purchaser residing in or doing business in the commonwealth, or to any person for redelivery to the purchaser, pursuant to a retail sale made by a vendor not engaged in business in the commonwealth, the person making or effectuating the delivery shall be considered the vendor of that property, the transaction shall be a retail sale in the commonwealth by the person and that person, if engaged in business in the commonwealth, shall include the retail selling price in its gross receipts, regardless of any contrary statutory or contractual terms concerning the passage of title or risk of loss which may be expressly or impliedly applicable to any contract or other agreement or arrangement for the sale, transportation, shipment or delivery of that property. That vendor shall include the retail selling price of the property in his gross receipts. The term "sale at retail" or "retail sale" shall not include (a) sales of tickets for admissions to places of amusement and sports; (b) sales of transportation services; (c) professional, insurance, or personal service transactions which involve no sale or which involve sales as inconsequential elements for which no separate charges are made; or (d) any sale in which the only transaction in the commonwealth is the mere execution of the contract of sale and in which the tangible personal property sold is not in the commonwealth at the time of such execution; provided, however, that nothing contained in this definition shall be construed to be an exemption from the tax imposed under chapter 64I. In the case of interstate telecommunication services other than mobile telecommunications services, the sale of such services shall be deemed a sale within the commonwealth if the telecommunication is either originated or received at a location in the commonwealth and the services are either paid for in the commonwealth or charged to a service address located in the commonwealth. In the case of interstate and intrastate mobile

telecommunications services, the sale of such services shall be deemed to be provided by the customer's home service provider and shall be considered a sale within the commonwealth if the customer's place of primary use is located in the commonwealth. To prevent actual multi-state taxation of any sale of interstate telecommunication service subject to taxation under this chapter, any taxpayer, upon proof that the taxpayer has paid a tax in another state on such sale, shall be allowed a credit against the tax imposed by this chapter to the extent of the amount of such tax properly due and paid in such other state. However, such credit shall not exceed the tax imposed by this chapter. In the case of the sale or recharge of prepaid calling arrangements, the sale or recharge of such arrangements shall be deemed to be within the commonwealth if the transfer for consideration physically takes place at a retail establishment in the commonwealth. In the absence of such physical transfer for consideration at a retail establishment, the sale or recharge shall be deemed a retail sale within the commonwealth if the customer's shipping address is in the commonwealth or, if there is no item shipped, if the customer's billing address or the location associated with the customer's mobile telephone number, as applicable, is in the commonwealth. For purposes of collection of the tax imposed by this chapter on such sales, such sale shall be deemed to occur on the date that the bill is first issued by the vendor in the regular course of its business; provided, however, in the case of prepaid calling arrangements, the sale shall be deemed to occur on the date of the transfer for consideration. For purposes of reporting the sale or recharge of prepaid calling arrangements, the sale or recharge of the arrangements shall be considered a taxable sale of tangible personal property unless the vendor is otherwise required to report sales of telecommunications services.

"Sales price", the total amount paid by a purchaser to a vendor as consideration for a retail sale, valued in money or otherwise. In determining the sales price, the following shall apply: (a) no deduction shall be taken on account of (i) the cost of property sold; (ii) the cost of materials used, labor or service cost, interest charges, losses or other expenses; (iii) the cost of transportation of the property prior to its sale at retail; (b) there shall be included (i) any amount paid for any services that are a part of the sale; and (ii) any amount for which credit is given to the purchaser by the vendor; and (c) there shall be excluded (i) cash discounts allowed and taken on sales; (ii) the amount charged for property returned by purchasers to vendors upon rescission of contracts of sale when the entire amounts charged therefor, less the vendors' established handling fees, if any, for such return of property, are refunded either in cash or credit, and when the property is returned within 90 days from the date of sale, and the entire sales tax paid is returned to the purchaser; provided, however, that where a motor vehicle is returned pursuant to a rescission of contract such motor vehicle must be returned within 180 days of the date of sale; (iii) the amount charged for labor or services rendered in installing or applying the property sold; (iv) the amount of reimbursement of tax paid by the purchaser to the vendor under this chapter; (v) transportation charges separately stated, if the transportation occurs after the sale of the property is made; (vi) the amount of the manufacturers' excise tax levied upon motor vehicles under section 4061(a) of the Internal Revenue Code of 1954 of the United States, as amended; and (vii) a "service charge" or "tip" that is distributed by a vendor to service employees, wait staff employees or service bartenders as provided in section 152A of chapter 149.

"Services", a commodity consisting of activities engaged in by a person for another person for a consideration; provided, however, that the term "services" shall not include activities performed by a person who is not in a regular trade or business offering such person's services to the public, and shall not include services rendered to a member of an affiliated group, as defined by section 1504 of the Internal Revenue Code, by another member of the same affiliated group that does not sell to the public the type of service provided to its affiliate; and provided further, that the term services shall be limited to telecommunications services; and provided further, that nothing herein shall exempt from tax sales of tangible personal property subject to tax under this chapter.

"Tangible personal property", personal property of any nature consisting of any produce, goods, wares, merchandise and commodities whatsoever, brought into, produced, manufactured or being within the commonwealth, but shall not include rights and credits, insurance policies, bills of exchange, stocks and bonds and similar evidences of indebtedness or ownership. For purposes of this chapter, "tangible personal property" shall include gas, electricity and steam. A transfer of standardized computer software, including but not limited to electronic, telephonic, or similar transfer, shall also be considered a transfer of tangible personal property. The commissioner may, by regulation, provide rules for apportioning tax in those instances in which software is transferred for use in more than one state.

"Tax", the excise tax imposed by this chapter.

"Taxpayer", any person required to make returns or pay the tax imposed by this chapter.

"Telecommunications services", any transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiberoptics, laser, microwave, radio, satellite or similar facilities but not including cable television. Telecommunications services shall be deemed to be services for purposes of this chapter and chapter 64I.

"Use of a service", enjoyment of the benefit of a service.

This section brings our statutory definition of cocaine in line with that of the majority of states, eliminating the need for that separate test and realizing associated cost, time and resource savings at the lab.

After consideration of the public comments or testimony received, the executive office shall make any necessary updates to the proposed value of the drug and post the final determined value of the drug on the website of the executive office and in a manner consistent with its obligations under federal law. The executive office may engage the manufacturer of the drug in

This section allows MassHealth to negotiate supplemental rebate agreements directly with drug manufacturers, including value-based agreements, regardless of state procurement rules. It also provides MassHealth additional tools to encourage manufacturers to engage in good faith negotiations for supplemental rebate agreements, including a public process to determine the value of a drug and referral to the Health Policy Commission to determine if the manufacturer has priced the drug excessively.

Summary:

This section adds the definition of Licensee, as defined by the Department of Public Health in regulation, to the nursing facility assessment statute.

Section 51 - Nursing Facility Assessment 2

SECTION 51. Subsection (f) of said section 63 of said chapter 118E, as so appearing, is hereby amended by adding the following words:- , or impose a limitation on new admissions for any nursing home that fails to remit delinquent fees, as directed by the executive office. The secretary of the executive office may also enforce this section by offsetting payments from the office of Medicaid on the claims of the nursing home, those of a nursing home with a common licensee, or those of any successor in interest to the nursing home, in the amount of the delinquent fees owed, including any interest and penalties, and to transfer such funds into the General Fund; by imposing, after demand, a lien in an amount not to exceed the amount of the delinquent fees owed, including any interest and penalties, in favor of the commonwealth upon any and all property of the nursing home or its licensee; or by such other appropriate mechanism as the executive office may establish by regulation under subsection (g).

(c) Notwithstanding the billable hour limitation in subsection (b), the chief counsel of the committee may waive the annual cap on billable hours for private counsel appointed or assigned to indigent cases if the chief counsel finds that: (i) there is limited availability of qualified counsel in that practice area; (ii) there is limited availability of qualified counsel in a geographic area; or (iii) increasing the limit would improve efficiency and quality of service; provided, however, that counsel appointed or assigned to such cases

within the private counsel division may bill up to but not more than 2,000 billable hours. It shall be the responsibility of private counsel to manage their billable hours.

Summary:

This section repeals the existing "intermediate" cap that precludes private counsel from accepting new cases once they have reached an intermediate limit of 1,350 hours. In addition, it expands the authority of the Chief Counsel of CPCS to waive the billable hours caps for overall billing (currently, that cap is 1,650 hours) from only child and family law cases and care and protection cases to all sorts of cases in all courts. The overall hours cap after a waiver would be 2,000 hours instead of the current 1,800 hours.

Section 54 - TAFDC Reforms 1

SECTION 54. Section 110 of chapter 5 of the acts of 1995, as most recently amended by sections 53 and 55 of chapter 154 of the acts of 2018, is hereby further amended by striking out subsections (a) through (e) and inserting in place thereof the following subsections:-

(a) For purposes of this act the following words shall, unless the context clearly requires otherwise, have the following meanings:-

"Assistance", cash grants, special needs assistance, and other benefits funded jointly by the commonwealth and the federal government which are available from the program.

"Commissioner", the commissioner of the department.

"Department", the department of transitional assistance known previously as the department of public welfare established by chapter 18 of the General Laws.

"Dependent child", "dependent children", "child" or "children", the children of recipients eligible to receive assistance from the program.

"Family", the household unit consisting of dependent children and a recipient or recipients determined eligible for assistance from said program.

"Program", the program of aid to families with dependent children established by chapter 118 of the General Laws and as modified by this act.

"Recipient", parents receiving or otherwise eligible to receive assistance from said program who are responsible for the care of dependent children.

(b) A family shall be eligible for assistance provided its maximum allowable countable resources do not exceed \$5,000 and upon meeting all other eligibility criteria; provided, however, that the value of 1 vehicle will not count toward the family's countable resources; and provided further, that an assistance unit shall be allowed the value and balance of a college savings plan established and maintained pursuant to, or consistent with, section 529 of the Internal Revenue Code.

The department shall exclude from a family's countable resources any earned income of dependent children of the family who are working part-time while attending school full time. The department shall promulgate regulations in accordance with this section, including, but not limited to, updated 106 CMR 204.210(D)(2).

(c) The department shall treat adult social security income as countable income for purposes of determining eligibility and benefit levels for the program.

(d) An earnings disregard of earned income shall be provided to both exempt and nonexempt families, such that a recipient shall be eligible to have 100 per cent of the remaining gross earned income, before dependent care deductions, disregarded for 6 consecutive months immediately following the start of initial employment or the date on which the recipient began receiving transitional aid to families with dependent children, whichever is later; provided, however, that total income shall not exceed 200 per cent of the federal poverty level for the household size. Such recipient shall also be eligible to have

50 per cent of the remaining gross income, after work-related expenses but before dependent care deductions, disregarded following the initial 6-month period of earnings disregard.

(e) Recipients meeting the following eligibility criteria shall be exempt from the provisions of subsections (d), (f), (h) and (j) until such time as their eligibility status has been determined by the department to have changed and they no longer conform to the criteria that define the following exempt categories of assistance:

(1) recipients who are disabled, as defined by the federal Social Security Act, 42 U.S.C.A. §423(d) or, in the commissioner's discretion, a recipient who has been determined by the commonwealth's disability evaluation service to have a disability that meets or equals medical standards established by the department or substantially reduces the recipient's ability to support the recipient's children taking into account the individual's age, education and work experience; provided that in families with 2 parents, both parents are disabled; provided further, that to the extent permitted by federal law, the word "disabled" shall not include recipients who are dependent on alcohol or drugs or whose disability is based in whole or in part on previous dependency. A recipient who requests an exemption under this clause shall, as a condition of continued eligibility for transitional aid to families with dependent children, apply for supplemental security income (SSI) and, if requested by the department, appeal a denial of SSI benefits. Recipients who do not comply with the department's request to apply for SSI or appeal a decision shall not be granted a work exemption under this clause;

(2) recipients who must care for a disabled child or spouse. A recipient who requests an exemption under this clause shall apply for SSI benefits on behalf of the disabled child or spouse;

(3) recipients in their thirty-third week or later of pregnancy, recipients in their third trimester of pregnancy who have submitted documentation signed by a primary care provider, as defined in section 1 of chapter 111 of the General Laws, or an obstetrician, gynecologist, nurse-midwife or family practitioner registered and certified under chapter 112 of the General Laws, that the recipient has a medical condition that prevents the recipient from working, or recipients with a child under the age of 2 years;

(4) recipients under the age of 20 years attending high school full time subject to the provisions of subsection (i); or

(5) caretakers of children in their care to whom they have no legal obligation; provided, however, that the department shall provide a cash payment for only the children.

Summary:

This section eliminates the "family cap", which currently provides that a Transitional Aid to Families with Dependent Children ("TAFDC") grant is not increased if a child is born or conceived while the family receives such public assistance. It would also allow an applicant for TAFDC to disregard the value of a single vehicle for the purposes of the applicant's eligibility determination. Finally, it would require that the Social Security Income of adults be counted for purposes of determining eligibility for TAFDC, consistent with the treatment of other income like Veterans' income or Retirement, Survivors, and Disability Insurance income.

Section 55 - TAFDC Reforms 2
