101 (1) for the exclusive purposes of providing benefits to enrollees and beneficiaries and
102 defraying reasonable expenses of administering the Program;

103 (2) by investing with the care, skill, prudence, and diligence under the prevailing
104 circumstances that a prudent person acting in a like capacity and familiar with those matters
105 would use in the conduct of an enterprise of a like character and with like aims; and

106 (3) by using any contributions paid by employees and employers into the trust
107 exclusively for the purpose of paying benefits to the enrollees of the Program, for the cost of

119 financial security in retirement.

120 (b) Appoint a trustee to the IRA Fund in compliance with Section 408 of the Internal
121 Revenue Code.

122 (c) Explore and establish investment options, subject to Section 45 of this Act, that offer
123 employees returns on contributions and the conversion of individual retirement savings account
124 balances to secure retirement income without incurring debt or liabilities to the State.

125 (d) Establish the process by which interest, investment earnings, and investment losses
126 are allocated to individual program accounts on a pro rata basis and are computed at the interest
127 rate on the balance of an individual's account.

128 (e) Make and enter into contracts necessary for the administration of the Program and
129 Fund, including, but not limited to, retaining and contracting with investment managers, private
130 financial institutions, other financial and service providers, consultants, actuaries, counsel,
131 auditors, third-party administrators, and other professionals as necessary.

132 (f) Conduct a review of the performance of any investment vendors every 4 years,
133 including, but not limited to, a review of returns, fees, and customer service. A copy of reviews
134 conducted under this subsection (f) shall be posted to the Board's Internet website.

135 (g) Determine the number and duties of staff members needed to administer the Program
136 and assemble such a staff, including, as needed, employing staff, appointing a Program
137 administrator, and entering into contracts with the State Treasurer to make employees of the
138 State Treasurer's Office available to administer the Program.

139 (h) Cause moneys in the Fund to be held and invested as pooled investments described in
140 Section 45 of this Act, with a view to achieving cost savings through efficiencies and economies
141 of scale.

142 (i) Evaluate and establish the process by which an enrollee is able to contribute a portion
143 of his or her wages to the Program for automatic deposit of those contributions and the process
144 by which the participating employer provides a payroll deposit retirement savings arrangement to
145 forward those contributions and related information to the Program, including, but not limited to,
146 contracting with financial service companies and third-party administrators with the capability to
147 receive and process employee information and contributions for payroll deposit retirement
148 savings arrangements or similar arrangements.

149 (j) Design and establish the process for enrollment under Section 60 of this Act, including
150 the process by which an employee can opt not to participate in the Program, select a contribution
151 level, select an investment option, and terminate participation in the Program.

152 (k) Evaluate and establish the process by which an individual may voluntarily enroll in
153 and make contributions to the Program.

154 (l) Accept any grants, appropriations, or other moneys from the Commonwealth, any unit
155 of federal, State, or local government, or any other person, firm, partnership, or corporation
156 solely for deposit into the Fund, whether for investment or administrative purposes.

157 (m) Evaluate the need for, and procure as needed, insurance against any and all loss in
158 connection with the property, assets, or activities of the Program, and indemnify as needed each
159 member of the Board from personal loss or liability resulting from a member's action or inaction
160 as a member of the Board.

161 (n) Make provisions for the payment of administrative costs and expenses for the
162 creation, management, and operation of the Program, including the costs associated with
163 subsection (b) of Section 20 of this Act, subsections (e), (f), (h), and (l) of this Section,
164 subsection (b) of Section 45 of this Act, subsection (a) of Section 80 of this Act, and subsection
165 (n) of Section 85 of this Act. Subject to appropriation, the Commonwealth may pay
166 administrative costs associated with the creation and management of the Program until sufficient
167 assets are available in the Fund for that purpose. Thereafter, all administrative costs of the Fund,
168 including repayment of any start-up funds provided by the State, shall be paid only out of
169 moneys on deposit therein. However, private funds or federal funding received under subsection
170 (k) of Section 30 of this Act in order to implement the Program until the Fund is self-sustaining
171 shall not be repaid unless those funds were offered contingent upon the promise of such
172 repayment. The Board shall keep annual administrative expenses as low as possible, but in no
173 event shall they exceed 0.75% of the total trust balance.

174 (o) Allocate administrative fees to individual retirement accounts in the Program on a pro
175 rata basis.

176 (p) Set minimum and maximum contribution levels in accordance with limits established
177 for IRAs by the Internal Revenue Code.

178 (q) Facilitate education and outreach to employers and employees.

179 (r) Facilitate compliance by the Program with all applicable requirements for the Program
180 under the Internal Revenue Code, including tax qualification requirements or any other
181 applicable law and accounting requirements.

182 (s) Carry out the duties and obligations of the Program in an effective, efficient, and low-
183 cost manner.

184 (t) Exercise any and all other powers reasonably necessary for the effectuation of the
185 purposes, objectives, and provisions of this Act pertaining to the Program.

186 (u) Deposit into the Massachusetts Secure Choice Administrative Fund all grants, gifts,
187 donations, fees, and earnings from investments from the Massachusetts Secure Choice Savings
188 Program Fund that are used to recover administrative costs. All expenses of the Board shall be
189 paid from the Massachusetts Secure Choice Administrative Fund.

190 Section 10. Risk Management. The Board shall annually prepare and adopt a written
191 statement of investment policy that includes a risk management and oversight program. This
192 investment policy shall prohibit the Board, Program, and Fund from borrowing for investment
193 purposes. The risk management and oversight program shall be designed to ensure that an
194 effective risk management system is in place to monitor the risk levels of the Program and Fund
195 portfolio, to ensure that the risks taken are prudent and properly managed, to provide an
196 integrated process for overall risk management, and to assess investment returns as well as risk
197 to determine if the risks taken are adequately compensated compared to applicable performance
198 benchmarks and standards. The Board shall consider the statement of investment policy and any
199 changes in the investment policy at a public hearing.

200 Section 11. Investment firms.

201 (a) The Board shall engage, after an open bid process, an investment manager or
202 managers to invest the Fund and any other assets of the Program. Moneys in the Fund may be
203 invested or reinvested by the State Treasurer's Office or may be invested in whole or in part
204 under contract with the State Board of Investment, private investment managers, or both, as
205 selected by the Board. In selecting the investment manager or managers, the Board shall take
206 into consideration and give weight to the investment manager's fees and charges in order to
207 reduce the Program's administrative expenses.

208 (b) The investment manager or managers shall comply with any and all applicable federal
209 and state laws, rules, and regulations, as well as any and all rules, policies, and guidelines
210 promulgated by the Board with respect to the Program and the investment of the Fund, including,
211 but not limited to, the investment policy.

212 (c) The investment manager or managers shall provide such reports as the Board deems
213 necessary for the Board to oversee each investment manager's performance and the performance
214 of the Fund.

215 Section 12. Investment options.

216 (a) The Board shall establish as an investment option a life-cycle fund with a target date
217 based upon the age of the enrollee. This shall be the default investment option for enrollees who
218 fail to elect an investment option unless and until the Board designates by rule a new investment
219 option as the default as described in subsection (c) of this Section.

220 (b) The Board may also establish any or all of the following additional investment
221 options:

- 222 (1) a conservative principal protection fund;
- 223 (2) a growth fund;
- 224 (3) a secure return fund whose primary objective is the preservation of the safety of
225 principal and the provision of a stable and low-risk rate of return; if the Board elects to establish
226 a secure return fund, the Board may procure any insurance, annuity, or other product to insure
227 the value of individuals' accounts and guarantee a rate of return; the cost of such funding
228 mechanism shall be paid out of the Fund; under no circumstances shall the Board, Program,
229 Fund, the State, or any participating employer assume any liability for investment or actuarial
230 risk; the Board shall determine whether to establish such investment options based upon an
231 analysis of their cost, risk profile, benefit level, feasibility, and ease of implementation;
- 232 (4) an annuity fund.

233 (c) If the Board elects to establish a secure return fund, the Board shall then determine
234 whether such option shall replace the target date or life-cycle fund as the default investment
235 option for enrollees who do not elect an investment option. In making such determination, the
236 Board shall consider the cost, risk profile, benefit level, and ease of enrollment in the secure
237 return fund. The Board may at any time thereafter revisit this question and, based upon an
238 analysis of these criteria, establish either the secure return fund or the life-cycle fund as the
239 default for enrollees who do not elect an investment option.

240 Section 13. Benefits. Interest, investment earnings, and investment losses shall be
241 allocated to individual Program accounts as established by the Board under subsection (d) of
242 Section 30 of this Act. An individual's retirement savings benefit under the Program shall be an
243 amount equal to the balance in the individual's Program account on the date the retirement

244 savings benefit becomes payable. The State shall have no liability for the payment of any benefit
245 to any participant in the Program.

246 Section 14. Employer and employee information packets and disclosure forms.

247 (a) Prior to the opening of the Program for enrollment, the Board shall design and
248 disseminate to all employers an employer information packet and an employee information
249 packet, which shall include background information on the Program, appropriate disclosures for
250 employees, and information regarding the vendor Internet website described in subsection (i) of
251 Section 60 of this Act.

252 (b) The Board shall provide for the contents of both the employee information packet and
253 the employer information packet.

254 (c) The employee information packet shall include a disclosure form. The disclosure form
255 shall explain, but not be limited to, all of the following:

256 (1) the benefits and risks associated with making contributions to the Program;

257 (2) the mechanics of how to make contributions to the Program;

258 (3) how to opt out of the Program;

259 (4) how to participate in the Program with a level of employee contributions other than
260 3%;

261 (5) the process for withdrawal of retirement savings;

262 (6) how to obtain additional information about the Program;

263 (7) that employees seeking financial advice should contact financial advisors, that
264 participating employers are not in a position to provide financial advice, and that participating
265 employers are not liable for decisions employees make pursuant to this Act;

266 (8) that the Program is not an employer-sponsored retirement plan; and

267 (9) that the Program Fund is not guaranteed by the Commonwealth.

268 (d) The employee information packet shall also include a form for an employee to note
269 his or her decision to opt out of participation in the Program or elect to participate with a level of
270 employee contributions other than 3%.

271 (e) Participating employers shall supply the employee information packet to employees
272 upon launch of the Program. Participating employers shall supply the employee information
273 packet to new employees at the time of hiring, and new employees may opt out of participation
274 in the Program or elect to participate with a level of employee contributions other than 3% at that
275 time.

276 Section 15. Program implementation and enrollment. Except as otherwise provided in
277 Section 93 of this Act, the Program shall be implemented, and enrollment of employees shall
278 begin, within 24 months after the effective date of this Act. The provisions of this Section shall
279 be in force after the Board opens the Program for enrollment.

280 (a) Each employer shall establish a payroll deposit retirement savings arrangement to
281 allow each employee to participate in the Program at most nine months after the Board opens the
282 Program for enrollment.

283 (b) Employers shall automatically enroll in the Program each of their employees who has
284 not opted out of participation in the Program using the form described in subsection (c) of
285 Section 55 of this Act and shall provide payroll deduction retirement savings arrangements for
286 such employees and deposit, on behalf of such employees, these funds into the Program. Small
287 employers may, but are not required to, provide payroll deduction retirement savings
288 arrangements for each employee who elects to participate in the Program.

289 (c) Enrollees shall have the ability to select a contribution level into the Fund. This level
290 may be expressed as a percentage of wages or as a dollar amount up to the deductible amount for
291 the enrollee's taxable year under Section 219(b)(1)(A) of the Internal Revenue Code. Enrollees
292 may change their contribution level at any time, subject to rules promulgated by the Board. If an
293 enrollee fails to select a contribution level using the form described in subsection (c) of Section
294 55 of this Act, then he or she shall contribute 3% of his or her wages to the Program, provided
295 that such contributions shall not cause the enrollee's total contributions to IRAs for the year to
296 exceed the deductible amount for the enrollee's taxable year under Section 219(b)(1)(A) of the
297 Internal Revenue Code.

298 (d) Enrollees may select an investment option from the permitted investment options
299 listed in Section 45 of this Act. Enrollees may change their investment option at any time,
300 subject to rules promulgated by the Board. In the event that an enrollee fails to select an
301 investment option, that enrollee shall be placed in the investment option selected by the Board as
302 the default under subsection (c) of Section 45 of this Act. If the Board has not selected a default
303 investment option under subsection (c) of Section 45 of this Act, then an enrollee who fails to
304 select an investment option shall be placed in the life-cycle fund investment option.

305 (e) Following initial implementation of the Program pursuant to this Section, at least once
306 every year, participating employers shall designate an open enrollment period during which
307 employees who previously opted out of the Program may enroll in the Program.

308 (f) An employee who opts out of the Program who subsequently wants to participate
309 through the participating employer's payroll deposit retirement savings arrangement may only
310 enroll during the participating employer's designated open enrollment period.

311 (g) Employers shall retain the option at all times to set up any type of employer-
312 sponsored retirement plan, such as a defined benefit plan or a 401(k), Simplified Employee
313 Pension (SEP) plan, or Savings Incentive Match Plan for Employees (SIMPLE) plan, or to offer
314 an automatic enrollment payroll deduction IRA, instead of having a payroll deposit retirement
315 savings arrangement to allow employee participation in the Program.

316 (h) An employee may terminate his or her participation in the Program at any time in a
317 manner prescribed by the Board.

318 (i) The Board shall establish and maintain an Internet website designed to assist
319 employers in identifying private sector providers of retirement arrangements that can be set up
320 by the employer rather than allowing employee participation in the Program under this Act;
321 however, the Board shall only establish and maintain an Internet website under this subsection if
322 there is sufficient interest in such an Internet website by private sector providers and if the
323 private sector providers furnish the funding necessary to establish and maintain the Internet
324 website. The Board must provide public notice of the availability of and the process for inclusion
325 on the Internet website before it becomes publicly available. This Internet website must be
326 available to the public before the Board opens the Program for enrollment, and the Internet

327 website address must be included on any Internet website posting or other materials regarding
328 the Program offered to the public by the Board.

329 Section 16. Payments. Employee contributions deducted by the participating employer
330 through payroll deduction shall be paid by the participating employer to the Fund using one or
331 more payroll deposit retirement savings arrangements established by the Board under subsection
332 (h) of Section 30 of this Act, either:

333 (1) on or before the last day of the month following the month in which the compensation
334 otherwise would have been payable to the employee in cash; or

335 (2) before such later deadline prescribed by the Board for making such payments, but not
336 later than the due date for the deposit of tax required to be deducted and withheld relating to
337 collection of income tax at source on wages or for the deposit of tax required to be paid under the
338 unemployment insurance system for the payroll period to which such payments relate.

339 Section 17. Duty and liability of the Commonwealth.

340 (a) The Commonwealth shall have no duty or liability to any party for the payment of any
341 retirement savings benefits accrued by any individual under the Program. Any financial liability
342 for the payment of retirement savings benefits in excess of funds available under the Program
343 shall be borne solely by the entities with whom the Board contracts to provide insurance to
344 protect the value of the Program.

345 (b) No State board, commission, or agency, or any officer, employee, or member thereof
346 is liable for any loss or deficiency resulting from particular investments selected under this Act,
347 except for any liability that arises out of a breach of fiduciary duty under Section 25 of this Act.

348 Section 18. Duty and liability of participating employers.

349 (a) Participating employers shall not have any liability for an employee's decision to
350 participate in, or opt out of, the Program or for the investment decisions of the Board or of any
351 enrollee.

352 (b) A participating employer shall not be a fiduciary, or considered to be a fiduciary, over
353 the Program. A participating employer shall not bear responsibility for the administration,
354 investment, or investment performance of the Program. A participating employer shall not be
355 liable with regard to investment returns, Program design, and benefits paid to Program
356 participants.

357 Section 19. Audit and reports.

358 (a) The Board shall annually submit:

359 (1) an audited financial report, prepared in accordance with generally accepted
360 accounting principles, on the operations of the Program during each calendar year by July 1 of
361 the following year to the Comptroller, Secretary of the Commonwealth, and the State Treasurer.

362 (2) a report prepared by the Board, which shall include, but is not limited to, a summary
363 of the benefits provided by the Program, including the number of enrollees in the Program, the
364 percentage and amounts of investment options and rates of return, and such other information
365 that is relevant to make a full, fair, and effective disclosure of the operations of the Program and
366 the Fund. The annual audit shall be made by an independent certified public accountant and shall
367 include, but is not limited to, direct and indirect costs attributable to the use of outside

368 consultants, independent contractors, and any other persons who are not State employees for the
369 administration of the Program.

370 (b) In addition to any other statements or reports required by law, the Board shall provide
371 periodic reports at least annually to participating employers, reporting the names of each enrollee
372 employed by the participating employer and the amounts of contributions made by the
373 participating employer on behalf of each employee during the reporting period, as well as to
374 enrollees, reporting contributions and investment income allocated to, withdrawals from, and
375 balances in their Program accounts for the reporting period. Such reports may include any other
376 information regarding the Program as the Board may determine.

377 Section 20. Penalties.

378 (a) An employer who fails without reasonable cause to enroll an employee in the Program
379 within the time prescribed under Section 60 of this Act shall be subject to a penalty equal to:

380 (1) \$250 for each employee for each calendar year or portion of a calendar year during
381 which the employee neither was enrolled in the Program nor had elected out of participation in
382 the Program; or

383 (2) for each calendar year beginning after the date a penalty has been assessed with
384 respect to an employee, \$500 for any portion of that calendar year during which such employee
385 continues to be unenrolled without electing out of participation in the Program.

386 (b) After determining that an employer is subject to penalty under this Section for a
387 calendar year, the Department shall issue a notice of proposed assessment to such employer,
388 stating the number of employees for which the penalty is proposed under item (1) of subsection

389 (a) of this Section and the number of employees for which the penalty is proposed under item (2)
390 of subsection (a) of this Section for such calendar year, and the total amount of penalties
391 proposed.

392 Upon the expiration of 90 days after the date on which a notice of proposed assessment
393 was issued, the penalties specified therein shall be deemed assessed, unless the employer had
394 filed a protest with the Department under subsection (c) of this Section.

395 If, within 90 days after the date on which it was issued, a protest of a notice of proposed
396 assessment is filed under subsection (c) of this Section, the penalties specified therein shall be
397 deemed assessed upon the date when the decision of the Department with respect to the protest
398 becomes final.

399 (c) A written protest against the proposed assessment shall be filed with the Department
400 in such form as the Department may by rule prescribe, setting forth the grounds on which such
401 protest is based. If such a protest is filed within 90 days after the date the notice of proposed
402 assessment is issued, the Department shall reconsider the proposed assessment and shall grant
403 the employer a hearing. As soon as practicable after such reconsideration and hearing, the
404 Department shall issue a notice of decision to the employer, setting forth the Department's
405 findings of fact and the basis of decision. The decision of the Department shall become final:

406 (1) if no action for review of the decision is commenced under the Massachusetts
407 Administrative Procedure Act (Mass. Gen. Laws Ch. 30A), on the date on which the time for
408 commencement of such review has expired; or

409 (2) if a timely action for review of the decision is commenced under the Massachusetts
410 Administrative Procedure Act (Mass. Gen. Laws Ch. 30A), on the date all proceedings in court

411 for the review of such assessment have terminated or the time for the taking thereof has expired
412 without such proceedings being instituted.

413 (d) As soon as practicable after the penalties specified in a notice of proposed assessment
414 are deemed assessed, the Department shall give notice to the employer liable for any unpaid
415 portion of such assessment, stating the amount due and demanding payment. If an employer
416 neglects or refuses to pay the entire liability shown on the notice and demand within 10 days
417 after the notice and demand is issued, the unpaid amount of the liability shall be a lien in favor of
418 the Commonwealth of Massachusetts upon all property and rights to property, whether real or
419 personal, belonging to the employer, and the provisions in the General Laws regarding liens,
420 levies and collection actions with regard to assessed and unpaid liabilities under that Act,
421 including the periods for taking any action, shall apply.

422 (e) An employer who has overpaid a penalty assessed under this Section may file a claim
423 for refund with the Department. A claim shall be in writing in such form as the Department may
424 by rule prescribe and shall state the specific grounds upon which it is founded. As soon as
425 practicable after a claim for refund is filed, the Department shall examine it and either issue a
426 refund or issue a notice of denial. If such a protest is filed, the Department shall reconsider the
427 denial and grant the employer a hearing. As soon as practicable after such reconsideration and
428 hearing, the Department shall issue a notice of decision to the employer. The notice shall set
429 forth briefly the Department's findings of fact and the basis of decision in each case decided in
430 whole or in part adversely to the employer. A denial of a claim for refund becomes final 90 days
431 after the date of issuance of the notice of the denial except for such amounts denied as to which
432 the employer has filed a protest with the Department. If a protest has been timely filed, the
433 decision of the Department shall become final:

434 (1) If no action for review of the decision is commenced under the Massachusetts
435 Administrative Procedure Act (Mass. Gen. Laws Ch. 30A), on the date on which the time for
436 commencement of such review has expired; or

437 (2) if a timely action for review of the decision is commenced under the Massachusetts
438 Administrative Procedure Act (Mass. Gen. Laws Ch. 30A), on the date all proceedings in court
439 for the review of such assessment have terminated or the time for the taking thereof has expired
440 without such proceedings being instituted.

441 (f) No notice of proposed assessment may be issued with respect to a calendar year after
442 June 30 of the fourth subsequent calendar year. No claim for refund may be filed more than 1
443 year after the date of payment of the amount to be refunded.

444 (g) The provisions of the Massachusetts Administrative Procedure Act (Mass. Gen. Laws
445 Ch. 30A) and the rules adopted pursuant to it shall apply to and govern all proceedings for the
446 judicial review of final decisions of the Department in response to a protest filed by the employer
447 under subsections (c) and (e) of this Section. Final decisions of the Department shall constitute
448 final agency decisions pursuant to the Massachusetts Administrative Procedure Act (Mass. Gen.
449 Laws Ch. 30A).

450 (h) Whenever notice is required by this Section, it may be given or issued by mailing it
451 by first-class mail addressed to the person concerned at his or her last known address.

452 (i) All books and records and other papers and documents relevant to the determination of
453 any penalty due under this Section shall, at all times during business hours of the day, be subject
454 to inspection by the Department or its duly authorized agents and employees.

455 (j) The Department may require employers to report information relevant to their
456 compliance with this Act on returns otherwise due from the employers under Massachusetts
457 General Laws, Chapter 62 and failure to provide the requested information on a return shall
458 cause such return to be treated as unprocessable.

459 (k) For purposes of any provision of State law allowing the Department or any other
460 agency of the Commonwealth to offset an amount owed to a taxpayer against a tax liability of
461 that taxpayer or allowing the Department to offset an overpayment of tax against any liability
462 owed to the State, a penalty assessed under this Section shall be deemed to be a tax liability of
463 the employer and any refund due to an employer shall be deemed to be an overpayment of tax of
464 the employer.

465 (l) Except as provided in this subsection, all information received by the Department
466 from returns filed by an employer or from any investigation conducted under the provisions of
467 this Act shall be confidential, except for official purposes within the Department or pursuant to
468 official procedures for collection of penalties assessed under this Act. Nothing contained in this
469 subsection shall prevent the Commissioner from publishing or making available to the public
470 reasonable statistics concerning the operation of this Act wherein the contents of returns are
471 grouped into aggregates in such a way that the specific information of any employer shall not be
472 disclosed. Nothing contained in this subsection shall prevent the Commissioner from divulging
473 information to an authorized representative of the employer or to any person pursuant to a
474 request or authorization made by the employer or by an authorized representative of the
475 employer.

476 (m) Civil penalties collected under this Act and fees collected pursuant to subsection (n)
477 of this Section shall be deposited into the Tax Compliance and Administration Fund. The
478 Department may, subject to appropriation, use moneys in the fund to cover expenses it incurs in
479 the performance of its duties under this Act. Interest attributable to moneys in the Tax
480 Compliance and Administration Fund shall be credited to the Tax Compliance and
481 Administration Fund.

482 (n) The Department may charge the Board a reasonable fee for its costs in performing its
483 duties under this Section to the extent that such costs have not been recovered from penalties
484 imposed under this Section.

485 (o) This Section shall go into effect 9 months after the Board notifies the Commissioner
486 that the Program has been implemented. Upon receipt of such notification from the Board, the
487 Department shall immediately post on its Internet website a notice stating that this Section is in
488 effect. This notice shall include a statement that rather than enrolling employees in the Program
489 under this Act, employers may sponsor an alternative arrangement, including, but not limited to,
490 a defined benefit plan, 401(k) plan, a Simplified Employee Pension (SEP) plan, a Savings
491 Incentive Match Plan for Employees (SIMPLE) plan, or an automatic payroll deduction IRA
492 offered through a private provider. The Board shall provide a link to the vendor Internet website
493 described in subsection (i) of Section 60 of this Act.

494 Section 21. Rules. The Department shall adopt rules and regulations, in accordance with
495 the Massachusetts Administrative Procedure Act (Mass. Gen. Laws Ch. 30A), any rules that may
496 be necessary to implement this Act.

497 Section 22. Delayed implementation. If the Board does not obtain adequate funds to
498 implement the Program within the time frame set forth under Section 60 of this Act, the Board
499 may delay the implementation of the Program.

500 Section 23. Federal considerations. The Board shall request in writing an opinion or
501 ruling from the appropriate entity with jurisdiction over the federal Employee Retirement Income
502 Security Act regarding the applicability of the federal Employee Retirement Income Security Act
503 to the Program. The Board may not implement the Program if the IRA arrangements offered
504 under the Program fail to qualify for the favorable federal income tax treatment ordinarily
505 accorded to IRAs under the Internal Revenue Code or if it is determined that the Program is an
506 employee benefit plan and State or employer liability is established under the federal Employee
507 Retirement Income Security Act.
