6 SECTION 2. Chapter 15A of the General Laws is hereby amended by adding the
7 following section:-

8 Section 45. (a) Definitions

9 As used in this section, the following words shall have the following meanings, unless the
10 context clearly requires otherwise:

11 “Board”, the Board of Higher Education.

“Eligible Student”, a resident of the commonwealth as determined by the board of higher education's residency status for tuition classification purposes, who has attained a high school diploma or its equivalent in the commonwealth, who is admitted to and enrolled in a Massachusetts public college or university or other public certificate, vocational, or adult education program, and who is enrolled full-time or part-time, and who maintains a cumulative GPA of 2.0 or above.

(b) Notwithstanding the provisions of any general or special law to the contrary, the board shall create a grant program to pay the equivalent of tuition and mandatory fees to an eligible student at any Massachusetts public college or university, or certificate, vocational, or training program at a public institution, up to the equivalent of four years of public college or university.

(c) The grant shall supplement and shall not replace state grants, gift aid, institutional aid, or federal aid through the Free Application for Federal Student Aid process. The board shall promulgate regulations to ensure funds from this program do not affect eligibility for other state grants, gift aid, institutional aid, or federal aid through the Free Application for Federal Student Aid process.

(d) All public higher education and public vocational training institutions shall be considered eligible institutions for this program and there shall be no restrictions on a student's choice of academic programs.

(e) The board shall provide an annual notice of eligibility for this program to all eligible students and all new graduates from a Massachusetts high school or GED program. The board will maintain a database of all students currently or potentially eligible for this program.
