HOUSE No. 1770

By Mr. Connolly of Cambridge, a petition (accompanied by bill, House, No. 1770) of Mike Connolly and others relative to promoting the adoption of renewable energy for heating, cooling and hot water under the zoning law. Municipalities and Regional Government.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

An Act promoting the adoption of renewable energy for heating, cooling and hot water.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 40A of the General Laws is hereby amended by inserting after
2 section 3 the following new subsection:- No zoning ordinance or by-law shall prohibit or
3 unreasonably regulate the installation of alternative and renewable energy systems for electricity,
4 heating, cooling or hot water or the building of structures that facilitate the use of alternative and
5 renewable energy systems for electricity, heating, cooling or hot water, except where necessary
6 to protect the public health, safety or welfare.

7 Chapter 40A of the General Laws is hereby further amended by adding the following new
8 subsection:- A municipality may require any person or entity that applies for a permit to build a
9 new structure or for renovation of a portion of a building that is equal to or greater than 50 per
10 cent of the building area or to replace a pre-existing structure to include as part of the application
11 for planning board approval, if applicable, and otherwise for a building permit a plan that uses

alternative and renewable energy sources and an analysis of the feasibility and cost of installing such a system compared with a fossil fueled energy system.

SECTION 2. Section 23C of Chapter 184 of the General Laws is hereby amended by inserting after the words “use of” the following: (i)

Section 23C of Chapter 184 of the General Laws is hereby further amended by inserting after the words “solar energy” the following: , or (ii) an alternative or renewable energy system, powered in whole or in part by the sun, wind, water, biomass, alcohol, or any renewable, non-depletable or recyclable fuel

SECTION 3. Section 45B of Chapter 59 of the General Laws, is hereby amended by adding the following paragraph at the end:-Any heat pump system being utilized as a primary or auxiliary power system for the purpose of heating or otherwise supplying the energy needs of property taxable under this chapter; provided, however, that such exemption shall be allowed only for a period of twenty years from the date of the installation of such system or device.
