Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 87 of the General Laws, as appearing in the 2016 Official Edition,
2 is hereby amended by striking out section 2 and inserting in place thereof the following section:-

3 Section 2. The tree warden of a town or city may appoint and remove deputy tree
4 wardens. The tree warden and the deputy tree wardens shall receive such compensation as the
5 town or city determines. The tree warden shall have the care and control of all public shade trees,
6 shrubs and growths in the town or city, except those in public parks or open places under the
7 jurisdiction of the park commissioners, unless otherwise designated in writing by the park
8 commissioners, and shall enforce all the provisions of law for the preservation of such trees,
9 shrubs and growths. The tree warden shall expend all money appropriated for the setting out and
10 maintenance of such trees, shrubs and growths. No tree shall be planted within a public way

11 without the approval of the tree warden. The tree warden may propose regulations for the care
12 and preservation of public shade trees to be approved by the local governing body of a town or

14 forfeitures for violations thereof pursuant to rules and regulations promulgated under section 15.

15 SECTION 2. Said chapter 87, as so appearing, is hereby further amended by striking out
16 section 5 and inserting in place thereof the following section:-

20 commissioners or highway surveyor, shall trim or cut down trees and bushes that, following an

24 provisions of section 18 of chapter 85. Nothing in this chapter shall prevent the trimming,
25 cutting or removal of any tree which endangers persons traveling on a highway or poses an
26 imminent threat to persons or property by the proper state or municipal authority. In all other
27 instances, the person seeking to trim, cut or remove a tree from the public way shall consult with
