The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

An Act to clarify the net-worth measure of the corporate excise.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Paragraph 8 of Section 30 of chapter 63 of the General Laws, as appearing
2 in the 2016 Official Edition, is hereby amended by striking out the last sentence, in lines 175
3 through 178, inclusive, and inserting in place thereof the following sentence:-

4 In determining whether an item shown on the books of a corporation is to be treated as
5 reflecting debt or equity, the taxpayer's treatment of the item for accounting purposes shall be
6 considered to be controlling, unless the commissioner establishes that such treatment is not in
7 accordance with the accounting standards used by that taxpayer for making financial reports to
8 shareholders, such as, without limitation, generally accepted accounting principles or
9 International Financial Reporting Standards; and in determining the book value of any asset, the
10 commissioner may disallow any reserve, in whole or in part, established with respect thereto
11 which, in his judgment, is not reasonable and proper.

12 SECTION 2. By this act the general court clarifies its original intention that the
13 treatment of an item on the books of a corporation shall be controlling in determining its net
14 worth. This act shall be effective upon its passage, and shall be applicable to all open tax years.

15 SECTION 3. Subsection (f) of section 38 of said chapter 63, as so appearing, is hereby
16 amended, in line 138, after the word “include”, by adding the following phrase:-

17 “an item of income of a corporation that is organized outside of the United States to the
18 extent that such item is exempt from United States federal income tax either by virtue of a
19 federal income tax treaty or otherwise, or”.
