The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act to authorize the acquisition of land, the development and construction of an underground railroad, civil rights and black heritage museum and cultural center in Springfield.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. It is hereby found and declared that presently within Western Massachusetts
2 there exists the need for a museum and cultural center with twelve thousand square feet of space
3 to be used as a center to educate the public and serve as a resource center for schools, colleges
4 and public and private agencies and organizations, and individuals regarding the historical
5 significance of this part of the Commonwealth to the success of the Underground Railroad, Civil
6 Rights Movement in America and the role of African Americans in development of the Western
7 Massachusetts region.

8 It is hereby further found and declared that the construction and development of
9 such center is needed in order to further enhance regional tourism, attract conferences and
10 conventions, and large gatherings to Springfield, thereby generating an influx of people from

11 outside the Commonwealth who would utilize the tourist facilities and related businesses in
12 every region of the Commonwealth.

13 It is hereby further found and declared that the construction and development of
14 such a center in the city of Springfield will serve as a catharsis important to alleviate some of the
15 lingering negative effects of the institution of slavery and the discrimination practiced against
16 African Americans, which had state and federal governmental statutory sanction.

17 SECTION 2. For the planning, financing, development, and construction of the
18 new center in the Commonwealth, a sum sufficient to cover the purpose herein will hereby made
19 available, for the purpose and subject to the provisions of law regulating the disbursements of
