An Act relative to diversion to substance use disorder treatment for non-violent drug offenders.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

2 Official Edition, is hereby amended by adding the following paragraphs:-

3 "Bureau", the bureau of substance abuse services within the department of public health.

4 "Second drug offense", a drug offense, as defined by this section, which stands pending
5 for trial wherein the defendant has been assigned to treatment under chapter 111E 1 time
6 previously.

7 "Successful completion of treatment", when the administrator of the facility has
8 determined that the drug dependent person, as defined by this Act, has completed the
9 requirements set forth by the individual patient treatment plan to the best of his current ability.

10 SECTION 2. Said section 1 is hereby further amended by striking out the fourteenth
11 sentence and inserting in place thereof the following sentence:-

12 "Director", the director of the division of rehabilitation, his designee, the assistant
13 commissioner in charge of the bureau or his designee.

14 SECTION 3. Said section 1 is hereby further amended by striking out the nineteenth
15 sentence and inserting in place thereof the following sentence:-

16 "Drug dependent person", a person, regardless of age, who is unable to function
17 effectively and whose inability to do so causes, or results from, the use of a drug other than,
18 tobacco or lawful beverages containing caffeine, and other than from a medically prescribed drug
19 when such drug is medically indicated and the intake is proportioned to the medical need, or a
20 person who is at risk of becoming drug dependent, as defined herein.

21 SECTION 4. Section 5 of said chapter 111E is hereby amended by striking the sixth
22 paragraph and inserting in place thereof the following paragraph:--

23 The bureau shall prepare and publish annually a list of facilities operating in accordance
24 with this chapter and shall make such list available to all district and superior courts, interested
25 attorneys and their statewide organizations, the offices of the district attorneys for each county
26 and their statewide organizations, and probation departments and their statewide organizations
27 within the commonwealth on an annual basis and to members of the public upon request. Such
28 list shall include, but not be limited to, the following:

34 SECTION 5. Section 8 of said chapter 111E is hereby amended by striking the second
35 paragraph and inserting in place thereof the following paragraph:-

36 Upon receipt by the director of an application for admission, the director shall designate
37 an addiction specialist to conduct an examination of the person to determine whether that person
38 is a drug dependent person who would benefit from treatment. The addiction specialist shall
39 report his findings in writing to the director after the completion of the examination, stating the
40 facts upon which the findings are based and the reasons therefore.

41 SECTION 6. Said section 8 is hereby further amended by striking the fourth paragraph.

42 SECTION 7. Section 10 of said chapter 111E is hereby amended by striking the first
43 paragraph, as amended by chapter 69 of the acts of 2018, and inserting in place thereof the
44 following paragraph:-

45 Section 10. Any defendant who is charged with a first or second drug offense shall be
46 informed, upon being brought before the court on such charge, that he is entitled to request an
47 examination to determine whether or not he is a drug dependent person who would benefit from
48 treatment. A court may in its discretion request an examination of any person charged with a
49 drug offense to determine whether a defendant is drug dependent and would benefit from
50 treatment in accordance with this chapter.

51 SECTION 8. Said section 10 is hereby further amended by striking the third through
52 sixth paragraphs inclusive and inserting in place thereof the following paragraphs:-

53 Court proceedings shall be stayed from the time a request for examination is made under
54 this section and while that request is considered by the court. Upon such a request, the court shall
55 appoint an addiction specialist to conduct the examination at an appropriate location within 3
56 days of the granting of the request. In no event shall the request for such an examination or any
57 statement by the defendant during the course of the examination, or any finding by the addiction
58 specialist be admissible against the defendant in any court proceedings. The appointed addiction
59 specialist shall report his findings in writing to the court within 3 days after the completion of the
60 examination, stating the facts upon which the findings are based and the reasons therefore.

61 If the defendant requests assignment to treatment and the evaluation of the addiction
62 specialists deems the defendant would benefit from treatment the court must stay the court
63 proceedings and assign the defendant to a drug treatment facility.

64 SECTION 9. Said section 10 is hereby further amended by striking the eighth and ninth
65 paragraphs and inserting in place thereof the following paragraphs:-

66 In determining whether a defendant is eligible for assignment under this section, the court
67 shall consider the report of the addiction specialist, the defendant's criminal record , the
68 availability of adequate and appropriate treatment, the nature of the offense with which the
69 defendant is currently charged, including but not limited to whether the offense charged is that of
70 sale or sale to a minor, and any other evidence the court deems relevant, provided, however, that
71 where the offense charged is that of a sale or sale to a minor, no defendant may be assigned
72 under this section unless that defendant is determined to be currently drug dependent, not merely
73 at risk of becoming drug dependent.

74 If the defendant is determined to be a drug dependent person under sections 15 or 22 of
75 this Act, requests assignment to treatment, and if the defendant is charged with a first or second
76 drug offense not involving the sale or manufacture of dependency related drugs, or is assigned by
77 the court, and there are no continuances outstanding with respect to the defendant pursuant to
78 this section, the court shall order that the defendant be assigned to a drug treatment facility
79 without consideration of any other factors notwithstanding sections 15 and 22 of this Act.

80 SECTION 10. Said section 10 is hereby further amended by striking the eleventh
81 paragraph and inserting in place thereof the following paragraph:-

82 If the defendant requests assignment to treatment and is determined by an addiction
83 specialist to be a drug dependent person that would benefit from treatment, and the defendant is
84 charged with a first or second drug offense not involving the sale or manufacture of dependency
85 related drugs, or is assigned by the court, and there are no continuances outstanding with respect
86 to the defendant pursuant to this section, and adequate and appropriate treatment at a facility is
87 not available, the stay of court proceedings shall remain in effect until such time as adequate and
88 appropriate treatment is available.

89 SECTION 11. Said section 10 is hereby further amended by striking the first sentence of
90 the fifteenth paragraph and inserting in place thereof the following:-

91 If the addiction specialist reports that the defendant is not a drug dependent person who
92 would benefit from treatment, the defendant shall be entitled to request a hearing to determine
93 whether or not he is a drug dependent person who would benefit from treatment. The court may
94 on its own motion, or shall, upon request of the defendant or his counsel, appoint an independent
95 addiction specialist to examine the defendant and testify at the hearing. If the court determines

96 that the defendant is a drug dependent person who would benefit by treatment, the procedures
97 and standards applicable to a defendant who is determined by the court, following the report of
98 the first examining addiction specialist to be a drug dependent person who would benefit by
99 treatment, shall apply to the defendant.

100 SECTION 12. Said section 10 is hereby further amended by striking the nineteenth
101 paragraph and inserting in place thereof the following paragraph:-

102 Within 10 days of the receipt by the court of an application for discharge, the
103 administrator and an independent addictions specialist designated by the court to make an
104 examination of the defendant shall report to the court as to whether or not the patient would
105 benefit from further treatment at a facility. If the court determines that the patient would no
106 longer so benefit, the patient's application for discharge shall be granted. If the court does not so
107 determine, said application shall be denied.

108 SECTION 13. Said section 10 is hereby further amended by striking the twentieth
109 paragraph and inserting in place thereof the following paragraph:-

110 Within 10 days of the receipt of the court of an application of transfer, the administrator
111 and an independent addictions specialist shall report to the court as to whether the defendant is a
112 proper subject for the transfer for which he has made application. If the court determines that the
113 patient is a proper subject for the transfer, the patient's application for transfer shall be granted
114 and the assigning court shall be so notified. If the court does not so determine, said application
115 shall be denied.

116 SECTION 14. Said section 10 is hereby further amended by striking the twenty fifth
117 paragraph and inserting in place thereof the following paragraph:-

118 The provisions of this section shall not apply to a person charged with violating sections

131 paragraph, as amended by chapter 69 of the acts of 2018, and inserting in place thereof the
132 following paragraph:-

133 Any person found guilty of a violation of law other than a drug offense, who prior to
134 disposition of the charge, states that he is a drug dependent person, and requests an examination,
135 shall be assessed by an addictions specialist to determine whether or not he is a drug dependent
136 person who would benefit from treatment. The court may use the determination that the
137 defendant is a drug dependent person to place him into treatment services under this chapter.

138 SECTION 16. Section 12 of said chapter 111E is hereby amended by inserting after the
