HOUSE No. 3414

By Representatives Nguyen of Andover and Haddad of Somerset, a petition (accompanied by bill, House, No. 3414) of Tram T. Nguyen, Patricia A. Haddad and others for legislation to promote safety for victims of violent crime and human trafficking. The Judiciary.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act to promote safety for victims of violent crime and human trafficking.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 The purpose of this bill is to promote public safety by encouraging victims of violent
2 crime and human trafficking to collaborate with law enforcement and to attain justice for
3 Massachusetts residents. The goal is to bring fairness and protection to immigrant victims who
4 assist in those efforts by ensuring them access to justice and legal relief. The bill also will
5 standardize certification procedures and protocol statewide, and create transparency and
6 accountability for victims.

7 SECTION 1. Chapter 258B of the General Laws is hereby amended by inserting after
8 section 13 the following section:-

72 (ii) The direct victim's children under 21 years of age.

73 (iii) The direct victim's parents and unmarried siblings who are under 18 years

75 For purposes of determining eligibility under this definition, the age of the victim
76 will be considered at the time the qualifying criminal activity occurred.

77 (3) Bystanders who suffer unusually direct injury as a result of a qualifying crime.

78 (f) The victim, the victim's family member, or an advocate may request a certifying
79 official from a certifying agency to execute a Form I-918 Supplement B certification based on a
80 determination by the certifying agency that the victim has been helpful, is being helpful, or is
81 likely to be helpful to the detection, investigation, or prosecution of that qualifying criminal
82 activity. Upon determination to issue such a certification, the procedural requirements for the
83 completion of the Form I-918 Supplement B form shall be followed as set forth in subsection (h)
84 below.

85 (g) Determining whether the victim has cooperated with a reasonable request for
86 assistance in an investigation or prosecution. For the purposes of determining victim cooperation
87 pursuant to section (f):

88 (1) For certification purposes, victim cooperation includes, but is not limited to,
89 reporting a crime, offering useful or relevant information regarding the qualifying criminal
90 activity or its actor, and providing assistance to law enforcement when reasonably requested.

91 (2) There is a rebuttable presumption that a victim has cooperated with a
92 reasonable request in an investigation or prosecution if the victim has not refused to provide
93 information and assistance reasonably requested by law enforcement.

94 (3) There is no requirement for a current investigation, the filing of charges, an
95 arrest, a prosecution, or a conviction to occur in order for a victim to be deemed cooperative and
96 receive Form I-918 Supplement B. A certifying entity or official can certify based on past,
97 present, or the likelihood of future cooperation from a victim.

98 (4) A request to a certifying entity for certification may be made at any time,
99 regardless of when the crime occurred, including if the statute of limitations has run.

100 (h) Certification Requirements for the Form I-918 Supplement B Certifying Official.

101 (1) The certifying official shall complete and sign the Form I-918 Supplement B in
102 a color of ink other than black for verification purposes.

103 (2) If the certifying official decides the victim is eligible for certification, the
104 certifying official shall describe victim helpfulness on the Form I-918 Supplement B by
105 providing detailed information regarding the nature of the crime detected, investigated, or

106 prosecuted, and the victim's helpfulness or likely helpfulness to the detection, investigation, or
107 prosecution of the criminal activity.

108 (3) A certifying entity shall process the request for the I-918 Supplement B within
109 90 calendar days of receipt of the request unless urgent circumstances occur. If the following
110 circumstances occur, the certification request shall be processed within 14 calendar days of the
111 request: (1) the noncitizen is in removal proceedings or in immigration detention; (2) there is an
112 urgent deadline involving a qualifying family member who will otherwise lose derivative
113 eligibility, or; (3) there is a similarly compelling humanitarian circumstances necessitating timely
114 submission of the underlying application.

115 (4) If a certifying entity decides not to complete an I-918 Supplement B for a
116 victim, the entity must provide prompt written notification of the denial to the victim and the
117 reason or reasons why the request was denied. A certifying entity may not deny certification
118 solely because there is another agency qualified to certify. The denial will be without prejudice
119 and a new request can be submitted if supplemental information becomes available.

120 (5) A certifying entity may only withdraw the certification if the victim
121 unreasonably refuses to provide information or assistance. If a certifying entity decides to
122 withdraw the certification for a victim, the entity must provide prompt written notification of the
123 withdrawal to the victim and the reason or reasons why the certification was withdrawn.

124 (6) A certifying entity is prohibited from disclosing the immigration status or
125 current address of a victim or victim's family member requesting certification, except to comply
126 with federal law or legal process, or if explicitly authorized by the victim, the victim's family

127 member, or the victim's advocate. If disclosure is required, the victim must be promptly notified
128 of the disclosure.

129 (7) A certifying entity that receives a request for the Form I-918 Supplement B
130 shall report to the Massachusetts Office for Victim Assistance, on or before October 1, 2020, and
131 annually thereafter, the number of victims that requested the Form I-918 Supplement B from the
132 entity, the number of those certification forms that were signed, and the number of those
133 certifications that were denied. The Massachusetts Office for Victim Assistance shall submit a
134 report to the Speaker of the House of Representatives, the President of the Senate, and the Joint
135 Committee on Public Safety and Homeland Security by January 1, 2021, and annually thereafter,
136 setting forth the number of victims that requested the Form I-918 Supplement B from each
137 entity, the number of those such forms that were signed by each entity, and the number of those
138 certifications that were denied by each entity, as well as total statewide statistics.

139 (i) The attorney general shall receive, investigate, and attempt to resolve complaints of
140 violations of subdivisions (a) through (h), inclusive. The attorney general may bring an action in
141 any state court of competent jurisdiction:

142 (1) To enjoin violations of this title and seek other relief going forward necessary
143 to prevent future violations;

144 (2) In the case of a violation of subsections (a) through (h), inclusive, a civil
145 penalty of not less than \$500 per violation; or

146 (3) Any other equitable relief the Court deems appropriate.

147 Any sums recovered by the attorney general shall be held in a special deposit account
148 and shall be paid directly to each affected victim of a qualifying criminal activity.

149 (j) An action under subsection (i) may be brought not later than 3 years after the date
150 of the last event constituting the alleged violation for which the action is brought, provided that
151 the limitations for filing an action shall be tolled during the period that the attorney general is
152 considering a complaint against any certifying entity filed with under subsection (i).

153 SECTION 2. Chapter 258B of the General Laws is hereby amended by inserting after
154 section 14 the following section:

155 Section 15. T nonimmigrant status certification.

156 (a) For purposes of this section, a "law enforcement agency" is any of the following:

157 (1) A state, local, tribal, territorial, or campus law enforcement agency.

158 (2) A prosecutor.

159 (3) A judge.

160 (4) Any other authority that has responsibility for the detection, investigation,
161 and/or prosecution of severe forms of human trafficking in persons, including but not limited to,
162 the Massachusetts department of children and families, the Massachusetts Commission Against
163 Discrimination, the Massachusetts Department of Labor Relations, the Massachusetts
164 Department of Labor Standards, the Massachusetts division of industrial accidents, and local
165 boards of health.

166 (b) For purposes of this section “severe forms of trafficking in persons,” as defined in
167 22 U.S.C. § 7102, in the Trafficking Victims Protection Act, means:

168 (1) Sex trafficking in which a commercial sex act is induced by force, fraud, or
169 coercion, or in which the person induced to perform such act has not attained 18 years of age; or

170 (2) The recruitment, harboring, transportation, provision, obtaining, patronizing, or
171 soliciting of a person for labor or services, through the use of force, fraud, or coercion for the
172 purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

173 (c) The victim, the victim's family member, or an advocate may request a certifying
174 official from a certifying agency to execute a Form I-914 Supplement B based on a
175 determination by the certifying agency that the victim has cooperated with a reasonable request
176 for assistance in the investigation or prosecution of trafficking in persons as defined in
177 subdivision (b). Upon determination to issue such a certification, the procedural requirements for
178 the completion of the Form I-914 Supplement B form shall be followed as set forth in subsection
179 (e) below.

180 (d) Determining whether the victim has cooperated with a reasonable request for
181 assistance in an investigation or prosecution. For the purposes of determining victim cooperation
182 pursuant to section (c):

183 (1) For certification purposes, reasonable request for assistance means a request
184 made to a victim to assist in the investigation or prosecution of the acts of trafficking in persons
185 or the investigation of crime where acts of trafficking are at least one central reason for the
186 commission of that crime.

187 (2) Victim cooperation includes, but is not limited to, reporting a crime, offering
188 useful or relevant information regarding severe forms of trafficking in persons or its actor, and
189 responding to a reasonable request for assistance from a law enforcement agency.

190 (3) There is a rebuttable presumption that a victim has responded to a reasonable
191 request for assistance in an investigation or prosecution if the victim has not refused to provide
192 information and assistance reasonably requested by a law enforcement agency.

193 (4) There is no requirement for a current law enforcement investigation, the filing
194 of charges, an arrest, a prosecution, or a conviction to occur in order for a victim to be deemed
195 cooperative and receive Form I-914 Supplement B.

196 (5) A request to a law enforcement agency for certification may be made at any
197 time, regardless of when the crime occurred, including if the statute of limitations has run.

198 (e) Certification Requirements for the Form I-914 Supplement B law enforcement
199 agency.

200 (1) If the certifying official decides the victim is eligible for certification, the law
201 enforcement agency shall complete and sign the Form I-914 Supplement B in a color of ink other
202 than black for verification purposes.

203 (2) If the certifying official decides the victim is eligible for certification, the law
204 enforcement agency shall describe how the victim complied with a reasonable request for
205 assistance in the investigation or prosecution of the acts of the trafficking in persons or the
206 investigation of severe forms of trafficking in persons.

207 (3) The “reasonableness” of the request for assistance depends on the totality of the
208 circumstances. Factors to consider include, but are not limited to: law enforcement and
209 prosecutorial practices; the nature of the victimization; the specific circumstances of the victim;
210 severe trauma (both mental and physical); access to support services; whether the request would
211 cause further trauma; the safety of the victim or the victim's family; compliance with other
212 requests and the extent of such compliance; whether the request would yield essential
213 information; whether the information could be obtained without the victim's compliance;
214 whether an interpreter or attorney was present to help the victim understand the request; cultural,
215 religious, or moral objections to the request; the time the victim had to comply with the request;
216 and the age and maturity of the victim.

217 (4) A law enforcement agency shall process the request for an I-914 Supplement B
218 within 90 calendar days of receipt of the certification request unless urgent circumstances occur.
219 If the following circumstances occur, the certification request shall be processed within 14
220 calendar days of the request: (i) the noncitizen is in removal proceedings or in immigration
221 detention; (ii) there is an urgent deadline involving a qualifying family member who will
222 otherwise lose derivative eligibility; or (iii) there is a similarly compelling humanitarian situation
223 necessitating timely submission of the underlying application.

224 (5) If a law enforcement agency decides not to complete an I-914 Supplement B for
225 a victim of a severe form of trafficking in persons, the law enforcement agency must provide
226 prompt written notification of the denial to the victim and the reason or reasons why the request
227 was denied. A law enforcement agency may not deny certification solely because there is another
228 agency qualified to certify. The denial will be without prejudice and a new request can be
229 submitted if supplemental information becomes available.

230 (6) A law enforcement agency may only withdraw the certification if the victim
231 refuses to respond to a reasonable request for assistance from law enforcement. If a law
232 enforcement agency decides to withdraw the certification for a victim, the law enforcement
233 agency must provide prompt written notification of the withdrawal to the victim and the reason
234 or reasons why the certification was withdrawn.

235 (7) A law enforcement agency is prohibited from disclosing the immigration status
236 or current address of a victim or victim's family member requesting certification, except to
237 comply with federal law or legal process, or if explicitly authorized by the victim, the victim's
238 family member, or the victim's advocate. If disclosure is required, the victim must be promptly
239 notified of the disclosure.

240 (8) A law enforcement agency that receives a request for the Form I-914
241 Supplement B shall report to the Massachusetts Office for Victim Assistance, on or before
242 October 1, 2020, and annually thereafter, the number of victims that requested the Form I-914
243 Supplement B from the entity, the number of those certification forms that were signed, and the
244 number that were denied. The Massachusetts Office for Victim Assistance shall submit a report
245 to the Speaker of the House of Representatives, the President of the Senate, and the Joint
246 Committee on Public Safety and Homeland Security by January 1, 2021, and annually thereafter,
247 setting forth the number of victims that requested the Form I-914 Supplement B from each
248 entity, the number of those certification forms that were signed by each entity, and the number of
249 those certifications that were denied by each entity, as well as total statewide statistics.

250 (f) The attorney general shall receive, investigate, and attempt to resolve complaints of
251 violations of subdivisions (a) through (e), inclusive. The attorney general may bring an action in
252 any state court of competent jurisdiction:

253 (1) To enjoin violations of this title and seek other relief going forward necessary
254 to prevent future violations;

255 (2) In the case of a violation of subsections (a) through (e), inclusive, a civil
256 penalty of not less than \$500 per violation; or

257 (3) Any other equitable relief the Court deems appropriate.

258 Any sums recovered by the attorney general shall be held in a special deposit account
259 and shall be paid directly to each affected victim of severe forms of human trafficking.

260 (g) An action under subsection (f) may be brought not later than 3 years after the date
261 of the last event constituting the alleged violation for which the action is brought, provided that
262 the limitations for filing an action shall be tolled during the period that the attorney general is
263 considering a complaint against any law enforcement agency filed with under subsection (f).
