**HOUSE . . . . . No. 3763**

By Representative Vargas of Haverhill and Senator Chandler, a joint petition (accompanied by bill, House, No. 3763) of Andres X. Vargas, Harriette L. Chandler and others for legislation to establish a pilot program and for an investigation and study by a special commission (including members of the General Court) to provide for convenient voting for military personnel, their families and civilians stationed or working abroad. Election Laws.

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-First General Court  
(2019-2020)**

An Act assisting active military voters by promoting mobile phone voting.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Notwithstanding any general or special law to the contrary, the state secretary shall,  
2 pursuant to this act, establish a pilot program to provide for convenient voting for military  
3 personnel, their families and civilians stationed or working abroad who are allowed to register  
4 and vote under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA), P.L. 99-  
5 410.

6 The pilot program shall provide for the use of smart phones to improve voter engagement  
7 and the convenience and security of voting. The state secretary shall provide for a pilot program  
8 for integration with the state voters registration system, by a metrically secure authentication,  
9 electronic ballot delivery to smart phones, an intuitive voting experience that requires no voter  
10 training, the secure return of voted ballots in the redundant, immutable storage of ballots on a  
11 block chain infrastructure and an easy way to tabulate and consolidate the results.

12 To accomplish the purposes of this act, the pilot program shall include not less than 100  
13 UOCAVA voters by the use of smart phones for voting, which shall be conducted during the  
14 presidential primary and general elections of 2020.

15 The pilot program shall include: (i) independent security evaluation and post-election  
16 audits; (ii) block chain infrastructure; (iii) the ability to spoil ballot, whereby a second ballot  
17 could be issued to a voter and only the voter's last ballot would be counted; and (iv) automatic  
18 preparation of tabulatable ballots that can provide for automatically printed ballots, which can be  
19 inserted directly into a ballot tabulating machine. The state secretary shall partner with a  
20 company that has demonstrated security and capacity to deliver the requirements of the pilot  
21 program.

22 There is hereby established a special commission on the status of Massachusetts' active  
23 duty service members participating in elections while abroad: for the purpose of making an  
24 investigation and study relative to such participation and the pilot program established by this  
25 act. The special commission shall consist of 7 members: 2 members of the senate, 1 of whom  
26 shall be the co-chair of the joint committee on elections; 2 members of the house of  
27 representatives, 1 of whom shall be the co-chair of the joint committee on elections; the state  
28 secretary; the adjutant general of the Massachusetts national guard; and the executive director of  
29 the Massachusetts Municipal Association, Inc.

30 The commission shall report to the general court the results of its investigation and study  
31 and its recommendations, if any, together with drafts of legislation necessary to carry its  
32 recommendations into effect, by filing the same with the clerk of the senate and the clerk of the  
33 house of representatives.
