139 process to have any such measures reviewed;

140 (vi) procedures for students to notify the institution that a protective order has been

146 allegedly violated and by what actions; (2) that an impartial investigation, including any hearings  
147 and resulting disciplinary proceedings, shall be conducted by an individual who receives not less  
148 than annual training on issues relating to sexual misconduct, investigatory procedures and  
149 hearing procedures to protect the safety and rights of students and promote accountability; (3)  
150 that the responding party is presumed to be innocent of the allegations until each element of the

152 provided equal opportunities to inspect and review evidence obtained as part of the investigation  
153 that is directly related to the allegations; (5) that the reporting party of an alleged incident of  
154 sexual misconduct and the responding party may be accompanied by and represented by an

164 significantly delay a meeting or disciplinary proceeding; (6) of the standard of evidence used to

165 resolve complaints; (7) that the reporting party and the responding party shall be provided with a  
166 copy of the institution's policies regarding the submission and consideration of evidence that  
167 may be used during a disciplinary proceeding and shall have equal opportunity to present  
168 evidence and witnesses on their behalf during a disciplinary proceeding; provided, however, that  
169 each party shall be provided with timely and equal access to relevant evidence that shall be used  
170 in the determination of a discipline; (8) that there may be restrictions on evidence considered by  
171 the fact finder including, but not limited to, the use of evidence of prior sexual activity or  
172 character witnesses, provided, however, that evidence of prior sexual activity may be allowed  
173 when it is evidence of the reporting party's recent conduct alleged to be the cause of any physical  
174 feature, characteristic, or condition of the reporting party or when the exclusion of which would  
175 violate the constitutional rights of the responding party; (9) that the reporting party and the  
176 responding party shall not be allowed to directly question each other during disciplinary  
177 proceedings; (10) that the reporting party and the responding party shall be informed in writing  
178 of the results of a disciplinary proceeding not later than 7 business days after a final  
179 determination of a complaint, not including any time for appeal, unless good cause for additional  
180 time is shown, and they shall be informed of any process for appealing the decision; (11) that if  
181 an institution offers an appeal as a result of procedural errors, previously unavailable relevant  
182 evidence that could significantly impact the outcome of a case or where the sanction is  
183 disproportionate to the findings, the reporting party and the responding party shall be provided  
184 with an equal opportunity to appeal decisions regarding responsibility or sanctions; and (12) that  
185 the institution shall not disclose the identity of the reporting party and the responding party,  
186 except as necessary to carry out a disciplinary process or as permitted under state or federal law.

187 (viii) a summary of the institution's employee disciplinary process as it pertains to  
188 sexual misconduct;

189 (ix) the range of sanctions or penalties the institution may impose on students and  
190 employees found responsible for a violation of the applicable institutional policy prohibiting acts  
191 of sexual misconduct; and

192 (x) a summary of the institution's policy on retaliation, noting that the university  
193 prohibits retaliation against anyone who reports sexual misconduct, who assists another in  
194 making a report, or who participates in an investigation of a report.

195 (c) Each institution shall adopt a memorandum of understanding with local law  
196 enforcement agencies to establish the respective roles and responsibilities of each party related to  
197 the prevention of and response to on-campus and off-campus sexual misconduct. Institutions  
198 and local law enforcement agencies shall develop policies and procedures that comply with all  
199 applicable confidentiality and privacy laws and: (i) set out the jurisdiction of the local law  
200 enforcement agencies based on criteria such as location and type of incident and provide for  
201 cross-jurisdictional or multi-jurisdictional response and investigation, as appropriate; (ii)  
202 establish protocols, as permitted by federal and state law, for cases where a student consents to  
203 the release of relevant documentation and information generated or acquired during local law  
204 enforcement or campus police investigations; and (iii) methods for notifying the appropriate  
205 district attorney's office. In those instances where an institution is subject to the jurisdiction of  
206 more than one local law enforcement agency, one memorandum of understanding among the  
207 institution and the local law enforcement agencies will comply with this subsection.

208 (d) The commissioner shall appoint within the department of higher education a campus  
209 safety advisor to facilitate and advance statewide campus safety at public and private institutions  
210 of higher education. Such person shall have relevant public safety policy experience that may  
211 include campus public safety policy experience. The advisor shall coordinate, aggregate and  
212 disseminate best practices, training opportunities and other resources to enhance campus safety  
213 at institutions of higher education.

214 (e) An institution shall make publicly available on its website: (i) the Annual Security  
215 Report required under the federal Clery Act relating to sexual misconduct and all information  
216 contained in an institution's annual report as required in subsection (r); (ii) the telephone number  
217 and website for a local, state or national 24-hour hotline that provides information on sexual  
218 misconduct; (iii) the name and contact information for the institution's Title IX coordinator; (iv)  
219 the name and contact information for a confidential resources advisor and a description of the  
220 role of and services provided by the confidential resources advisor, which shall be updated on a  
221 timely basis; and (v) the name and location of the nearest medical facility where an individual  
222 may request that a sexual assault evidence collection kit be administered by a trained sexual  
223 violence forensic health care provider, including information on transportation options and  
224 reimbursement for travel costs, if any; and (vi) in an accessible format, the policy on sexual  
225 misconduct. The institution shall also establish the methods for sharing the federal Clery Act  
226 reporting requirements with local law enforcement authorities, and for facilitating the issuance of  
227 timely warnings and emergency notifications required by the federal Clery Act relative to crimes  
228 that may pose a serious threat to the campus or near campus communities.

229 The website of an institution shall also list: (i) reporting options for students; (ii) the  
230 process of investigation and adjudication by the institution; and (iii) the process for requesting a

231 possible interim protective measure, when reasonable and available, to change an academic,  
232 living, campus transportation or working situation in response to alleged sexual misconduct.

233 (f) Annually, not later than October 15, institutions of higher education shall transmit to  
234 students by electronic mail their policies and procedures concerning the reporting and  
235 investigation of an allegation of sexual misconduct made by a student or employee of the  
236 institution against another student or employee of the institution.

237 (g) Upon receiving a report of sexual misconduct, an institution shall provide a notice of  
238 the student's or the employee's rights and options under the institution's sexual misconduct  
239 policies to the reporting party and the responding party.

240 (h) An institution that does not provide its own sexual assault crisis service center shall  
241 enter into and maintain a memorandum of understanding with a community-based sexual assault  
242 crisis service center funded by the department of public health and a community-based domestic  
243 violence agency funded by the department of public health to: (i) provide an off-campus  
244 alternative for students to receive sexual assault crisis services, including access to a sexual  
245 assault nurse examiner if available, or domestic violence crisis services in response to sexual  
246 misconduct; (ii) ensure that a student or employee of the institution may access free and  
247 confidential counseling and advocacy services either on campus or off campus; and (iii)  
248 encourage cooperation and trainings between the institution and the service center or agency to  
249 ensure an understanding of the roles that the institution, service center and agency should play in  
250 responding to reports and disclosures of sexual misconduct against students and employees of  
251 the institution and the institution's protocols for providing support and services to such students  
252 and employees.

253           The memorandum of understanding may include an agreement, including a fee structure,  
254 for the sexual assault crisis service center or domestic violence agency to provide confidential  
255 victim services. Confidential victim services may include: case consultation and training fees for  
256 confidential resource advisors; consultation fees for the development and implementation of  
257 student education and prevention programs; the development of staff training and prevention  
258 curriculum; and confidential on-site office space for an advocate from a sexual assault crisis  
259 service center or domestic violence agency to meet with students.

260           The department of higher education may grant a waiver of the memorandum of  
261 understanding requirement to an institution that demonstrates that the institution acted in good  
262 faith but was unable to obtain a signed memorandum.

263           (i) An institution shall provide a method for anonymously reporting an incident of sexual  
264 misconduct that involves a student or employee of the institution. An institution shall notify its  
265 students and employees of the institution's obligations under state and federal law to: (i)  
266 investigate or address the alleged sexual misconduct, including when the alleged act was  
267 reported anonymously; (ii) assess whether the report triggers the need for a timely warning or  
268 emergency notification under state or federal regulations, the obligations of which may, in  
269 limited circumstances, result in the release of the reporting party's identity; and (iii) disclose the  
270 identity of a reporting party to another student, an employee or a third party.

271           (j) A reporting party or a witness who causes an investigation of sexual misconduct shall  
272 not be subject to a disciplinary sanction for a violation of the institution's student conduct policy  
273 related to the incident unless the institution determines that the report was not made in good faith

274 or that the violation was egregious. An egregious violation shall include, but not be limited to,  
275 taking an action that places the health and safety of another person at risk.

276 (k) Each institution shall establish a campus security policy that includes the designation  
277 of at least 1 confidential resource advisor. The confidential resource advisor may have another  
278 role at the institution; provided, however, that the confidential resource advisor shall not be an  
279 employee designated as a responsible employee or a student or a Title IX coordinator. The  
280 institution shall designate new or existing categories of employees that may serve as confidential  
281 resource advisors. The designation of an existing category of employees shall not preclude the  
282 institution from designating a new or existing employee or partnering with a local, state or  
283 national victim services organization to serve as a confidential resource advisor or to serve in  
284 another confidential role. An institution may partner with an outside victim advocacy  
285 organization to provide a confidential resource advisor under this section. An institution that  
286 enrolls less than 1,000 students may partner with another institution in the region or within the  
287 commonwealth to provide the services under this subsection.

288 If requested by the reporting party, the confidential resource advisor shall provide  
289 information on: (i) reporting options and the effects of each option; (ii) counseling services  
290 available on campus and through a local, community-based rape crisis center or domestic  
291 violence program; (iii) medical and health services available on campus and off campus; (iv)  
292 available academic and residence life accommodations; (v) the disciplinary process of the  
293 institution; and (vi) the legal process carried out through local law enforcement agencies. The  
294 confidential resource advisor shall receive training in the awareness and prevention of sexual  
295 misconduct and in trauma-informed response and coordinate with on-campus and off-campus  
296 sexual assault crisis service centers and, if directed by the reporting party, campus or local law

297 enforcement agencies may, as appropriate, assist the student in contacting or reporting to campus  
298 or local law enforcement agencies. If requested by the reporting party, the confidential resource  
299 advisor, using only the reporting party's identifying information, shall coordinate with the  
300 institutional designee to arrange possible interim protective measures to allow the reporting party  
301 to change academic, living, campus transportation or working arrangements in response to the  
302 alleged assault, stalking or violence. Confidential resource advisors shall not provide services to  
303 more than one student in an incident and shall ensure confidentiality is maintained.

304         The confidential resource advisor shall also notify the reporting party of their rights and  
305 the institution's responsibilities regarding a protection order, no contact order and any other  
306 lawful orders issued by the institution or by a criminal, civil or tribal court. The confidential  
307 resource advisor shall not be required to report an incident to the institution or a law enforcement  
308 agency unless otherwise required to do so by state or federal law and shall provide confidential  
309 services to students and employees. A request for a possible interim protective measure made by  
310 a confidential resource advisor on behalf of a reporting party to change an academic, living,  
311 campus transportation or working situation in response to alleged sexual misconduct shall not  
312 constitute notice to a responsible employee for Title IX purposes. A confidential resource advisor  
313 may attend an administrative or institution-based adjudication proceeding as the advisor or  
314 support person of the student's choice.

315         Unless otherwise required by state or federal law, a confidential resource advisor shall  
316 not disclose confidential information without the prior written consent of the reporting party who  
317 shared the information; provided, however, that nothing in this section shall be construed to limit  
318 a responding party's right of cross examination of the advisor in a civil or criminal proceeding, if  
319 the advisor testifies after written consent has been given. A confidential communication shall not

320 be subject to discovery and shall be inadmissible in a criminal or civil proceeding without the  
321 prior written consent of the reporting party who shared the information. Information provided to  
322 the confidential resource advisor shall not be released to a campus official or law enforcement  
323 officer or agency unless written consent has been given by the reporting party. A confidential  
324 resource advisor shall not act as a counselor or therapist unless the confidential resource advisor  
325 holds a valid license under chapter 112 and the reporting party engages the confidential resource  
326 advisor in that capacity. The privileges available under chapter 233 shall apply to all information  
327 received by a confidential resource advisor.

328         If a conflict of interest arises for an institution in which a confidential resource advisor is  
329 advocating for the reporting party's need for sexual assault crisis services or campus or law  
330 enforcement services, the institution shall not discipline, penalize or otherwise retaliate against  
331 the confidential resource advisor for representing the interest of the student.

332         Notice to a confidential resource advisor of an alleged act of sexual misconduct or a  
333 confidential resource advisor's performance of a service under this section shall not be  
334 considered actual or constructive notice of such an alleged act to the institution at which the  
335 confidential resource advisor is employed or provides contracted services.

336         (l) Each institution shall employ responsible employees as defined in subsection (a) who  
337 shall be responsible for reporting cases of sexual misconduct to the Title IX coordinator of the  
338 institution. Responsible employees shall report the name of the responding party, the name of  
339 reporting party, and the date, time and location of the offense, if known, to the Title IX  
340 coordinator. Responsible employees shall complete training requirements consistent with best  
341 practices and current professional standards..

342 (m) Within 45 days of their matriculation or employment, an institution of higher  
343 education shall provide: (i) mandatory sexual misconduct primary prevention and awareness  
344 programming for newly-enrolled students and newly-hired employees of the institution that shall  
345 include: (1) an explanation of civil rights laws, their meaning, purpose, definition and
