Resolve authorizing a study of starting times and schedules.

1           **Resolved**, That the department of elementary and secondary education shall convene an  
2 educational task force to review the effect of school day start times for middle school and  
3 secondary school students. The task force shall consist of: the commissioner of elementary and  
4 secondary education or a designee who shall serve as chair; the secretary of education or a  
5 designee; the executive director of the Massachusetts Association of School Committees, Inc. or  
6 a designee; the executive director of the Massachusetts Association of School Superintendents,  
7 Inc. or a designee; the executive director of the Massachusetts Secondary Schools  
8 Administration Association, Inc. or a designee; the executive director of Start School Later, Inc.  
9 or a designee; the executive director of the Massachusetts Association of School Business  
10 Officials, Inc. or a designee; a representative from the National Sleep Foundation; a parent of a  
11 high school student who is a member of a school council, as defined in section 59C of chapter 71  
12 of the General Laws; and a superintendent from a district which has implemented later school  
13 day start times.

14           The task force shall: (i) conduct a comprehensive study, including a review of the  
15 scientific findings relative to sleep needs of adolescents and the effect that middle school and

16 secondary school day start times have on the health and academic performance of students; (ii)  
17 determine the number of districts in the commonwealth that have implemented later school day  
18 start times for middle schools and secondary schools and examine the academic performance of  
19 students, including performance on statewide tests; and (iii) identify resources and opportunities  
20 to assist districts in implementing later school day start times for middle schools and secondary  
21 schools, should the task force's findings under clauses (i) and (ii) suggest that a later school day  
22 start time is beneficial to student learning.

23 The task force shall file a report containing its findings and recommendations, including  
24 legislation necessary to carry out its recommendations, with the clerks of the senate and house of  
25 representatives by July 1, 2020.
