An Act establishing unemployment expansion during public health emergencies.

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to establish forthwith exceptions to unemployment assistance during public health emergencies, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public health and convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 24 of Chapter 151A of the General Laws is hereby amended by  
2 inserting after subsection (c) the following subsection:-

3 (d) Any individual who files for unemployment assistance during a public health or  
4 public safety emergency, in addition to the twenty-six week eligibility period determined by  
5 federal law, shall be eligible for an additional thirteen weeks of unemployment assistance.

6 (e) No individual shall be considered ineligible for benefits because of failure to comply  
7 with the provisions of said clause (b) if such failure is due to an official public health or public  
8 safety emergency as determined by an executive order executed by the Governor.

9 SECTION 2. Chapter 151A of the General Laws is hereby amended by inserting after  
10 section 25 the following section:-

11 Section 25A. Public Health and Safety Disqualification Exception.

12 Notwithstanding section 24 or section 25 of chapter 151A of the General Laws,  
13 the director of unemployment assistance shall continue to pay benefits to any individuals,  
14 whether totally unemployed or partially unemployed, whose benefits were set to expire eight  
15 weeks before or during any such period where a public health or public safety emergency is in  
16 effect and those individuals shall not be disqualified from receiving benefits through thirteen  
17 additional weeks, in addition to the twenty-six week period determined by federal law.

18 SECTION 3. Chapter 151A of the General Laws is hereby amended by inserting the  
19 following paragraph after Section 29(a):-

20 (i) Notwithstanding section 29(a) of chapter 151A of the General Laws, the director of  
21 unemployment assistance shall pay to an individual in total unemployment and who is otherwise  
22 eligible for benefits, whose average weekly wage in his base period exceeds sixty-six dollars, for  
23 each week of unemployment an amount equal to seventy-five percent of his average weekly  
24 wage in the base period, rounded to the next lower full dollar amount, but not more than 75% of  
25 the average weekly wage of employees covered by this chapter, if an ongoing declaration of a  
26 state of emergency exists, including any public health or public safety crisis; provided further,  
27 that any unemployment assistance furnished during a state of emergency shall not count towards  
28 an individual's overall unemployment benefit in the aggregate and shall not be included in  
29 determining eligibility for benefits under this chapter for the purposes of any benefit year when  
30 no state of emergency has been ordered.

31 SECTION 4. Chapter 151A of the General Laws is hereby amended by inserting the  
32 following paragraph after Section 29(b):-

33 (i) Notwithstanding section 29(b) of chapter 151A of the General Laws, the  
34 director of unemployment assistance shall pay, to an individual in partial unemployment and  
35 otherwise eligible for benefits, the difference between his aggregate remuneration with respect to  
36 each week of partial unemployment and the weekly benefit rate to which he would have been  
37 entitled if totally unemployed; provided, however, that earnings up to two-fifths of his weekly  
38 benefit rate shall be disregarded; and provided further that this payment occurred immediately  
39 prior, during or immediately after a public health or public safety emergency and in accordance  
40 with Section 25A of this chapter. In no case shall the amount of earnings so disregarded plus the  
41 weekly benefit rate equal to or in excess of the individual's average weekly wage. Such partial  
42 benefit amount shall be rounded to the next lower full dollar amount if it includes a fractional  
43 part of a dollar. Nothing in this subsection shall cause a full denial of benefits solely because an  
44 individual left a part time job, which supplemented primary full-time employment, during the  
45 individual's base period prior to being deemed in partial unemployment.
