HOUSE No. 4749

By Mr. Hendricks of New Bedford, a petition (subject to Joint Rule 12) of Christopher Hendricks and others relative to workers' compensation benefits for certain emergency response and medical personnel related to COVID-19 infection. Labor and Workforce Development.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act providing worker compensation protection to emergency response and medical personnel related to COVID-19 infection.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to provide forthwith extended workers' compensation benefits for certain emergency personnel in response to the public health emergency presented by the spread of COVID-19, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public health.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 152 of the General Laws is hereby amended by inserting after section 7G the
2 following section:

3 Section 7H: In any claim for compensation where the employee has been diagnosed with
4 COVID-19, it shall be prima facie evidence that (i) the employee was performing his or her
5 regular duties at the time of contracting COVID-19; (ii) the claim comes within the provisions of
6 this chapter; and (iii) sufficient notice of the injury has been given. This section shall apply to
7 persons employed as emergency medical technicians, emergency room and urgent care medical
8 personnel, and emergency room and urgent care non-medical staff.
