(a) The assuming insurer must have its head office or be domiciled in, as applicable, and be licensed in a Reciprocal Jurisdiction. A “Reciprocal Jurisdiction” is a jurisdiction that meets one of the following:

1. A non-U.S. jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and European Union, is a member state of the European Union. For purposes of this subsection, a “covered agreement” is an agreement entered into pursuant to Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. §§ 313 and 314, that is currently in effect or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance.

2. A U.S. jurisdiction that meets the requirements for accreditation under the NAIC financial standard and accreditation program; or...
3. A qualified jurisdiction, as determined by the commissioner pursuant to clause (iii) of paragraph (E) of subsection (1), which is not otherwise described in subclause 1 or 2 of this subparagraph above and which meets certain additional requirements, consistent with the terms and conditions of inforce covered agreements, as specified by the commissioner in regulation.

(b) The assuming insurer must have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in regulation. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, minimum capital and surplus equivalents (net of liabilities), calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth in regulation.

(c) The assuming insurer must have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as applicable, which will be set forth in regulation. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the Reciprocal Jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.

(d) The assuming insurer must agree and provide adequate assurance to the commissioner, in a form specified by the commissioner pursuant to regulation, as follows:
1. The assuming insurer must provide prompt written notice and explanation to the commissioner if it falls below the minimum requirements set forth in subparagraphs (b) or (c), or if any regulatory action is taken against it for serious noncompliance with applicable law;

2. The assuming insurer must consent in writing to the jurisdiction of the courts of the Commonwealth and to the appointment of the commissioner as agent for service of process. The commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement. Nothing in this provision shall limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;

3. The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;

4. Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to 100 per cent of the assuming insurer’s liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

5. The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement which involves this state’s ceding insurers, and agrees to notify the ceding insurer and the commissioner and to provide security in an amount equal to 100 per
cent of the assuming insurer’s liabilities to the ceding insurer, should the assuming insurer enter
into such as solvent scheme of arrangement. Such security shall be in a form consistent with the
provisions of paragraph (E) of subsection (1) and subsection (2) and as specified by the
commissioner in regulation.

(e) The assuming insurer or its legal successor must provide, if requested by the
commissioner, on behalf of itself and any legal predecessors, certain documentation to the
commissioner, as specified by the commissioner in regulation.

(f) The assuming insurer must maintain a practice of prompt payment of claims
under reinsurance agreements, pursuant to criteria set forth in regulation.

(g) The assuming insurer’s supervisory authority must confirm to the commissioner
on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily
reported to the Reciprocal Jurisdiction, that the assuming insurer complies with the requirements
set forth in subparagraphs (b) and (c).

(h) Nothing in this provision precludes an assuming insurer from providing the
commissioner with information on a voluntary basis.

(ii) The commissioner shall timely create and publish a list of Reciprocal Jurisdictions.

(a) A list of Reciprocal Jurisdictions is published through the NAIC Committee Process.
The commissioner’s list shall include any Reciprocal Jurisdiction as defined under subclauses 1
and 2 of subparagraph (a) of clause (i) of this paragraph, and shall consider any other Reciprocal
Jurisdiction included on the NAIC list. The commissioner may approve a jurisdiction that does
not appear on the NAIC list of Reciprocal Jurisdictions in accordance with criteria to be
developed under regulations issued by the commissioner.

(b) The commissioner may remove a jurisdiction from the list of Reciprocal Jurisdictions
upon a determination that the jurisdiction no longer meets the requirements of a Reciprocal
Jurisdiction, in accordance with a process set forth in regulations issued by the commissioner,
except that the commissioner shall not remove from the list of Reciprocal Jurisdiction as defined
under subclauses 1 and 2 of subparagraph (a) of clause (i) of this paragraph. Upon removal of a
Reciprocal Jurisdiction from the list credit for reinsurance ceded to an assuming insurer which
has its home office or is domiciled in that jurisdiction shall be allowed, if otherwise allowed
pursuant to this section 20A.

(iii) The commissioner shall timely create and publish a list of assuming insurers that
have satisfied the conditions set forth in this subsection and to which cessions shall be granted
credit in accordance with this subsection. The commissioner may add an assuming insurer to
such list if an NAIC accredited jurisdiction has added such assuming insurer to a list of such
assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to
the commissioner as required under subparagraph (d) of clause (i) of this paragraph and complies
with any additional requirements that the commissioner may impose by regulation, except to the
extent that they conflict with an applicable covered agreement.

(iv) If the commissioner determines that an assuming insurer no longer meets one or
more of the requirements under this subsection, the commissioner may revoke or suspend the
eligibility of the assuming insurer for recognition under this subsection in accordance with
procedures set forth in regulation.
(a) While an assuming insurer’s eligibility is suspended, no reinsurance agreement issued, amended or renewed after the effective date of the suspension qualified for credit except to the extent that the assuming insurer’s obligations under the contract are secured in accordance with subsection 2.

(b) If an assuming insurer’s eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer’s obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provision of subsection 2.

(v) If subject to a legal process of rehabilitation, liquidation or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities.

(vi) Nothing in this subsection shall limit or in any way alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as prohibited by this section 20A or other applicable law or regulation.

(vii) Credit may be taken under this subsection only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the statute adding this subsection, and only with respect to losses incurred and reserves reported on or after the later of (1) the date on which the assuming insurer has met all eligibility requirements pursuant to clause (i) of this
paragraph (E1/2) of this subsection herein, and (2) the effective date of the new reinsurance agreement, amendment, or renewal.

(a) This paragraph does not alter or impair a ceding insurer’s right to take credit for reinsurance, to the extent that credit is not available under this subsection, as long as the reinsurance qualifies for credit under any other applicable provision of this section 20A.

(b) Nothing in this subsection shall authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.

(c) Nothing in this subsection shall limit, or in any way alter, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

SECTION 172. Said subsection (1) of said section 20A of said chapter 175, as so appearing, is hereby further amended by striking out paragraph (F) and inserting in place thereof the following paragraph:-

SECTION 173. Said subsection (1) of said section 20A of said chapter 175, as so appearing, is hereby further amended by striking out paragraph (H) and inserting thereof the following paragraph :-

SECTION 175. Said chapter 175 of the General Laws, as so appearing, is hereby further amended by striking out section 117C and inserting in place thereof the following section:-

Section 117C. (a) The following method of determination of premium rates with respect to credit life insurance and credit accident and health insurance is required only for such insurance written in connection with obligations, other than loans secured by first liens on real property, which are subject to section 12G of chapter 255, section 10 of chapter 255B, section 14A of chapter 255C, or subsection C of section 26 of chapter 255D, for which an identifiable charge is paid by insured persons.
(b) The following are the procedures for determining the maximum premium rates permitted to be charged any account:

A. Rate Review.

(1) Minimum loss ratio test: Benefits will be considered reasonable in relation to the premium charged if the loss ratio equals or exceeds or is reasonably expected to equal or exceed the minimum loss ratio standard specified below. The minimum loss ratio standard is:

(i) for credit life insurance, 50 per cent and

(ii) for credit accident and health insurance, 55 per cent.

In applying the minimum loss ratio test, the commissioner shall make appropriate adjustment to account for differences in loss ratios that may be expected on single premium credit life insurance plans resulting from changes in the benefit structure.

The rate review will be made each year for all classes of business.

B. Reports of Experience:

(1) Each insurer writing said life insurance and accident and health insurance shall report to the commissioner its claims experience and loss ratio data on said insurance separately for the motor vehicle dealers class of business and for all classes of business combined on the credit insurance supplement forms as specified by the National Association of Insurance Commissioners for inclusion in the annual statement blanks filed pursuant to section 25.

(2) Each insurer writing said life insurance and accident and health insurance shall annually report to the commissioner, on a form prescribed by him or her, its claims experience
and loss ratio data on said insurance separately for motor vehicle dealers and other than motor
vehicle dealers. Should the reported experience indicate that claims experience does not meet
the minimum loss ratio tests, taking into consideration the credibility of said experience as
measured by the table set forth in paragraph C, corrective action will be required. If corrective
action is indicated, the carrier shall include with its submission its proposed plan for such
corrective action.

C. Definitions:

As used in this section the following terms, unless the context clearly requires otherwise,
shall have the following meanings:

(1) “Average Number of Life Years”, the average number of group certificates in force
during the experience period, without regard to multiple coverage, times the number of years in
the experience period, or some equivalent calculation, which shall be made separately for credit
life insurance and for credit accident and health insurance.

(2) “Credibility factor”, the extent to which past experience can be expected to recur in
the future. The credibility factor may be based on either the number of claims incurred or on the
“average number of life years” for the case during the experience period using the credibility
table.

(3) “Credibility table” means the following table:

The above integral numbers represent the lower end of the bracket for each “Z” factor.
The upper is 1 less than the lower end for the next higher “Z” factor.
(4) “Earned premiums”, the premiums earned at the premium rates actually charged for coverage in force during the experience period.

(5) “Experience”, earned premiums, incurred claims, incurred claim count, number of life years insured, and average amount of insurance during the experience period.

(6) “Incurred claims”, total claims paid during the experience period, adjusted for the change in the claim reserve.

(7) “Incurred claim count”, the number of claims incurred during the experience period. This means the total number of claims reported during the experience period, whether paid or in the process of payment. If a debtor has been issued more than one certificate for the same plan of insurance, only one claim is counted. If a debtor receives disability benefits, only the initial claim payment for that period of disability is counted.

(8) “Loss Ratio”, the ratio of incurred claims to earned premiums.

lawful term of the approval.

(2) Nothing in this section shall be deemed to extend or purport to extend:

(i) a permit or approval issued by the government of the United States or an agency

If sufficient capacity is not available, those permit holders whose approvals have been extended shall have priority with regard to the further allocation of gallonage over those approval holders who have not received approval of a hookup prior to the effective date of this section. Priority regarding the distribution of further gallonage to a permit holder who has received the extension of an approval under this section shall be allocated in order of the granting of the original approval of the connection.

In the case when an owner or petitioner sells or otherwise transfers a property or project, in order for an approval to receive an extension, all commitments made by the original owner or petitioner under the terms of the permit must be assigned to and assumed by the new owner or petitioner.
