An Act relative to emergency stock epinephrine in schools.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 54B of chapter 71 of the General Laws, as appearing in the 2016  
2 Official Edition, is hereby amended by striking the third paragraph and inserting in place thereof  
3 the following:—

4 Notwithstanding any general or special law or regulation to the contrary, each school  
5 shall maintain a stock supply of non-patient specific epinephrine to be administered in the event  
6 of an anaphylactic emergency. The department of public health shall promulgate regulations  
7 requiring school districts to adopt and implement policies pursuant to this section. Such  
8 regulations shall require that stock epinephrine be stored in an easily accessible unlocked  
9 location, the number and type of epinephrine auto-injectors required be based on school  
10 population, that the individuals authorized to administer epinephrine meet certain training  
11 requirements for such administration, and that the stock inventory be checked at regular intervals  
12 for expiration and replacement. A school nurse or other authorized individual who provides,

13 administers, or assists in the administration of epinephrine to a student believed in good faith to  
14 be having an anaphylactic reaction shall not be liable for any civil damages for negligence in acts  
15 or omissions resulting from the rendering of such treatment. Whenever any employee of a school  
16 district is covered by the immunity granted herein, the school district employing the individual  
17 shall not be liable for any civil damages for negligence in acts or omissions resulting from the  
18 rendering of such treatment.

19           SECTION 2. Notwithstanding any general or special law to the contrary, the department  
20 of public health in conjunction with the department of elementary and secondary education shall  
21 make all reasonable efforts to obtain federal funding or reimbursement for the implementation of  
22 this act. The department of public health in conjunction with the department of elementary and  
23 secondary education shall inquire about free epinephrine from pharmaceutical companies.
