3 thereof the following section:-

4 Section 4. There shall be a foundation budget review commission to review, every 5
5 years, the way foundation budgets are calculated and to make recommendations for potential
6 changes in those calculations as the commission deems appropriate. In conducting such review,

16 to the commission any data and information the commissioner considers relevant to the
17 commission's charge. The commission shall include the house and senate chairs of the joint
18 committee on education, who shall serve as co-chairs, the secretary of education, the
