*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to establish a minimum unemployment weekly benefit amount during public health emergency, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public health.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Notwithstanding any provision of General Laws chapter 151A to the

4 amount for any claimants unemployed and eligible for unemployment insurance benefits in an  
5 amount less than \$100 per week including the dependency allowance payable under said chapter  
6 151A, section 29(c), and who are receiving unemployment benefits under said chapter 151A,  
7 under the Federal Pandemic Emergency Unemployment Compensation, Section 2107 of the  
8 Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020, Pub. L. 116-136, under  
9 Federal Extended Benefits, Federal-State Extended Unemployment Compensation Act of 1970,

11 Readjustment Allowance, 19 USC sections 2291 – 2293.

12 The redetermination shall ensure that these claimants receive a weekly benefit amount of  
13 \$100 per week during this period, which amount shall include said dependency allowance, in  
14 order to meet the eligibility requirements of the Federal Emergency Management Agency grant  
15 for lost wages assistance. Any increased balance owed to a claimant shall be paid to the claimant  
16 as unemployment compensation.

17 A final report on the number of redeterminations, and the additional lost wages

19 Committee on Labor and Workforce Development and the House and Senate Committees on  
20 Ways and Means.
