

HOUSE No. 5129

Section 3 contained in the engrossed Bill making appropriations for the fiscal year 2020 to provide for supplementing certain existing appropriations and for certain other activities and projects (see House, No. 5102, amended), which had been returned by His Excellency the Governor with recommendation of amendment (for message see House, No. 5130). November 10, 2020.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

An Act establishing the Opioid Recovery and Remediation Trust Fund.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to establish forthwith the Opioid Recovery and Remediation Trust Fund, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 10 of the General Laws is hereby amended by inserting after section
2 35NNN, inserted by the section 1 of chapter 132 of the acts of 2019, the following section:-

3 Section 35OOO. (a) There shall be an Opioid Recovery and Remediation Trust Fund.
4 Expenditures from the fund shall be made by the executive office of health and human services,
5 without further appropriation and consistent with the terms of settlements made in connection
6 with claims arising from the manufacture, marketing, distribution or dispensing of opioids, as
7 applicable. The secretary of health and human services, in consultation with the opioid recovery

and remediation trust fund advisory council established in subsection (b), shall administer the fund.

The fund shall be expended to mitigate the impacts of the opioid epidemic in the commonwealth, including, but not limited to, expanding access to opioid use disorder prevention, intervention, treatment and recovery options. Expenditures from the fund shall supplement and shall not replace existing local, state, private or federal funding. The secretary shall annually award not less than 75 per cent of the amounts in the fund. Amounts credited to the fund shall not be subject to further appropriation and monies remaining in the fund at the end of a fiscal year shall not revert to the General Fund.

There shall be credited to the fund: (i) amounts recovered by the commonwealth and credited thereto in connection with claims arising from the manufacture, marketing, distribution or dispensing of opioids; (ii) appropriations or other monies authorized by the general court and so designated; (iii) funds from public or private sources, including, but not limited to, gifts, grants, donations, rebates and settlements received by the commonwealth designated to the fund; and (iv) any interest earned on such amounts.

(b) There shall be an opioid recovery and remediation trust fund advisory council regarding the expenditures from the fund. The council shall consist of the following members or their designees: the secretary of health and human services, who shall serve as a non-voting chair; 1 person to be appointed by the senate president; 1 person to be appointed by the speaker of the house of representatives; 1 person to be appointed by the minority leader of the senate; 1 person to be appointed by the minority leader of the house of representatives; 3 persons to be appointed by the governor, including not less than 1 person qualified by experience with opioid

use disorder, either first-hand or as a family member of an individual with opioid use disorder; 3
persons to be appointed by the attorney general, including not less than 1 person qualified by
experience with opioid use disorder, either first-hand or as a family member of an individual
with opioid use disorder; and 10 people to be appointed by the Massachusetts Municipal
Association, Inc., who are officials employed by a city or town and who represent the diversity
of the commonwealth's cities and towns; provided, however, that not less than 2 officials
appointed under this clause shall be employed by a city or town that is a gateway municipality,
as defined in section 3A of chapter 23A; and provided, further, that no 2 officials appointed
under this clause shall be employed by a city or town that is in the same county.

In making appointments, the appointing authorities shall ensure that the council includes:
(i) members representing racially and socioeconomically diverse communities; (ii) members with
public health expertise concerning opioid use disorder; (iii) members with personal experience
with opioid use disorder; and (iv) members who will contribute to reducing disparities in health
outcomes for underserved communities experiencing opioid use disorder. The appointing
authorities shall also consider having racially diverse representation on the council.

The council shall hold no fewer than 4 meetings annually and the council shall make its
recommendations upon a majority vote. The council shall be subject to sections 18 to 25,
inclusive, of chapter 30A. Council members shall serve without compensation for terms of 2
years. Members shall be reimbursed for actual expenses necessarily incurred in the performance
of their duties. Any member shall be eligible for reappointment. In the event of a vacancy, the
original appointing authority shall appoint a new member to fulfill the remainder of the
unexpired term. Any member who is appointed may be removed by the appointing authority. The
secretary of health and human services shall provide administrative support to the council.

(c) Annually, not later than October 1, the secretary of health and human services shall file a report on the activity, revenue and expenditures to and from the fund with the clerks of the senate and the house of representatives, the house and senate committees on ways and means and the joint committee on mental health, substance use and recovery and made available on the executive office of health and human services' public website. The report shall include, but not be limited to: (i) the revenue credited to the fund; (ii) the amount of expenditures attributable to the administrative costs of the executive office; (iii) an itemized list of the funds expended from the fund; and (iv) data and an assessment of how well resources have been directed to vulnerable and under-served communities.

SECTION 2. This act shall take effect as of November 6, 2020.
